A bill to authorize a program that rewards state employees for economies in state spending; and to prescribe the powers and duties of certain state departments and agencies.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. This act shall be known and may be cited as the
2 "efficient spending rewards act".

3 Sec. 2. As used in this act:

4 (a) "Amount appropriated" means a line-item appropriation.

5 (b) "Employee" means an employee of the executive branch of
6 state government.

7 Sec. 3. (1) The civil service commission may establish and
8 administer a program to encourage efficient and economical use of
9 state funds, in which 30% of savings, calculated as the difference

1 between the amount appropriated for particular purposes and the
2 amount actually spent in the fiscal period, is distributed to the
3 employees in the administering agency.

4 (2) The amount of the savings distributed to each employee in
5 the administering agency shall be calculated and allocated using a
6 point system. Points shall be assigned to each employee equal to
7 the number of the employee's civil service classification grade or
8 the equivalent classification grade for an unclassified employee
9 plus the employee's number of years of service. The total number of
10 points for all employees in the administering agency shall be
11 divided into 30% of the total agency savings to determine the
12 dollars distributed per point per employee.

13 Sec. 4. The civil service commission shall promulgate rules if
14 a program is established under this act.
