16 fund are authorized for investment purposes as designated in  
17 subsection (1) to enhance the marketable value of each investment.

18 (4) An annual report shall be transmitted to the senate and  
19 house of representatives appropriations committees, the senate and  
20 house fiscal agencies, and the state budget office not later than

5 provided are appropriated and shall be expended for salaries and  
6 wages, fees, supplies, and equipment necessary to provide the  
7 services. Any unobligated balance of the funds received shall  
8 revert to the general fund of this state as of September 30.

9       Sec. 929. The department of treasury may enter into agreements  
10 to supply data or collection services to other executive principal  
11 departments or state agencies, the United States department of  
12 treasury, or local units of government within this state. The  
13 department of treasury shall charge for this tax data service and  
14 amounts received are appropriated and shall be expended for  
15 salaries and wages, fees, supplies, and equipment necessary to  
16 provide the service. Any unobligated balance of the fund shall  
17 revert to the general fund of this state as of September 30.

22 equal to the cost of collections from all receipts except

11 funds that receive common cash earnings or other investment income.  
12 Treasury fees include all costs, including administrative overhead,  
13 relating to the investment of each restricted fund. The fee  
14 assessed against each restricted fund will be based on the size of  
15 the restricted fund (the absolute value of the average daily cash  
16 balance plus the market value of investments in the prior fiscal  
17 year) and the level of effort necessary to maintain the restricted  
18 fund as required by each department. The department of treasury  
19 shall provide a report to the state budget director, the senate and

26 department of treasury may receive and expend investment fees  
27 relating to new restricted funding sources that participate in

1 common cash earnings or other investment income during the current  
2 fiscal year. When a new restricted fund is created starting on or

24 consideration to investments in early stage, university derived  
25 life science companies located in Michigan, or investments in  
26 venture capital funds that invest in those companies to the extent  
27 those investments offer the safety and rate of return comparable to

1 other investments permitted and available at the time the  
2 investment decision is made.

3 Sec. 940. In addition to the appropriations in part 1 the  
4 department of treasury may expend revenue received under the  
5 Michigan tobacco settlement finance authority act, 2005 PA 226, MCL

4 for constitutional revenue sharing is appropriated for distribution  
5 to cities, villages, and townships, on a population basis as

10 sharing appropriations authorized in this section.

11 (2) The funds appropriated in part 1 for statutory revenue  
12 sharing shall be distributed to cities, villages, and townships so  
13 that the combined distribution, under section 10 of article IX of

15 under this subsection, shall be the lesser of 100%, or the  
16 percentage determined under this subsection, of the total combined  
17 distribution under section 10 of article IX of the state  
18 constitution of 1963 and the statutory distribution received under  
19 section 950(2) of PA 127 of 2007 for the 2007-2008 state fiscal  
20 year. The percentage under this subsection shall be determined by

19 206, MCL 211.34d, and reduced by the amount each county is  
20 authorized to annually expend in that county's fiscal year  
21 beginning after September 30, 2004, from its revenue sharing
