18 hearings officers are appropriated as an interdepartmental grant to
19 the department of energy, labor, and economic growth for the
20 purpose of funding administrative hearings officers for
21 adjudication of grievances pertaining to the department of
22 corrections. The department shall not expend appropriations from
23 part 1 to satisfy charges from the department of energy, labor, and
24 economic growth for administrative hearings officers in excess of
25 the amount expressly appropriated by this bill for the
26 administrative hearings officers unless funding is transferred into
27 this line under section 393(2) of the management and budget act,

1 1984 PA 431, MCL 18.1393.

2 Sec. 505. The department shall train all custody staff in
3 effective and safe ways of handling prisoners with mental illness
4 and referring prisoners to mental health treatment programs. Mental
5 health awareness training shall be incorporated into the training
6 of new custody staff.

7 **FIELD OPERATIONS ADMINISTRATION**

8 Sec. 601. From the funds appropriated in part 1, the
9 department shall conduct a statewide caseload audit of field
10 agents. The audit shall address public protection issues and assess
11 the ability of the field agents to complete their professional
12 duties. The results of the audit shall be submitted to the senate
13 and house appropriations subcommittees on corrections and the
14 senate and house fiscal agencies, and the state budget office by
15 May 31, 2011.

16 Sec. 602. (1) Of the amount appropriated in part 1 for field
17 operations, a sufficient amount shall be allocated for the
18 community service work program and shall be used for salaries and
19 wages and fringe benefit costs of community service coordinators
20 employed by the department to supervise offenders participating in
21 work crew assignments. Funds shall also be used to cover motor
22 transport division rates on state vehicles used to transport
23 offenders to community service work project sites.

24 (2) The community service work program shall provide offenders
25 with community service work of tangible benefit to a community
26 while fulfilling court-ordered community service work sanctions and
27 other postconviction obligations.

1 (3) As used in this section, "community service work" means
2 work performed by an offender in an unpaid position with a
3 nonprofit or tax-supported or government agency for a specified
4 number of hours of work or service within a given time period.

5 Sec. 603. (1) All prisoners, probationers, and parolees
6 involved with the electronic tether program shall reimburse the
7 department for costs associated with their participation in the
8 program where possible.

9 (2) Program participant contributions and local community

11 appropriated in part 1 are related to program expenditures and may
12 be used to offset expenditures for this purpose.

13 (3) Included in the appropriation in part 1 is adequate
14 funding to implement the community tether program to be
15 administered by the department. The community tether program is
16 intended to provide sentencing judges and county sheriffs in
17 coordination with local community corrections advisory boards
18 access to the state's electronic tether program to reduce prison
19 admissions and improve local jail utilization. The department shall
20 determine the appropriate distribution of the tether units
21 throughout the state based upon locally developed comprehensive
22 corrections plans under the community corrections act, 1988 PA 511,
23 MCL 791.401 to 791.414.

24 (4) For a fee determined by the department, the department
25 shall provide counties with the tether equipment, replacement
26 parts, administrative oversight of the equipment's operation,
27 notification of violators, and periodic reports regarding county

1 program participants. Counties are responsible for tether equipment
2 installation and service. For an additional fee as determined by
3 the department, the department shall provide staff to install and
4 service the equipment. Counties are responsible for the
5 coordination and apprehension of program violators.

6 (5) Any county with tether charges outstanding over 60 days
7 shall be considered in violation of the community tether program

9 Sec. 608. By March 1, 2011, the department shall report to the
10 senate and house appropriations subcommittees on corrections, the
11 senate and house fiscal agencies, and the state budget director on
12 the use of electronic monitoring. At a minimum, the report shall
13 include all of the following:

14 (a) Details on the failure rate of parolees for whom GPS
15 tether is utilized, including the number and rate of parolee
16 technical violations, including specifying failures due to
17 committing a new crime that is uncharged but leads to parole
18 termination, and the number and rate of parolee violators with new
19 sentences.

20 (b) Information on the factors considered in determining
21 whether an offender is placed on active GPS tether, passive GPS
22 tether, radio frequency tether, or some combination of these or
23 other types of electronic monitoring.

24 (c) Monthly data on the number of offenders on active GPS
25 tether, passive GPS tether, radio frequency tether, and any other
26 type of tether.

27 Sec. 611. The department shall prepare by March 1, 2011

1 individual reports for the community reentry program, the
2 electronic tether program, and the special alternative to
3 incarceration program. The reports shall be submitted to the house
4 and senate appropriations subcommittees on corrections, the house
5 and senate fiscal agencies, and the state budget director. Each
6 program's report shall include information on all of the following:

7 (a) Monthly new participants by type of offender. Community
8 re-entry program participants shall be categorized by reason for
9 placement. For technical rule violators, the report shall sort
10 offenders by length of time since release from prison, by the most
11 recent violation, and by the number of violations occurring since

20 capacity, and staffing.

21 (h) Sentencing guideline scores and actual sentence statistics
22 for participants, if applicable.

23 (i) Comparison with prior year statistics.

24 (j) Analysis of the impact on prison admissions and jail
25 utilization and the cost effectiveness of the program.

26 Sec. 612. (1) The department shall review and revise as
27 necessary policy proposals that provide alternatives to prison for

1 offenders being sentenced to prison as a result of technical
2 probation violations and technical parole violations. To the extent
3 the department has insufficient policies or resources to affect the
4 continued increase in prison commitments among these offender
5 populations, the department shall explore other policy options to
6 allow for program alternatives, including department or OCC-funded
7 programs, local level programs, and programs available through
8 private agencies that may be used as prison alternatives for these
9 offenders.

10 (2) To the extent policies or programs described in subsection
11 (1) are used, developed, or contracted for, the department may
12 request that funds appropriated in part 1 be transferred under
13 section 393(2) of the management and budget act, 1984 PA 431, MCL
14 18.1393, for their operation.

15 (3) The department shall continue to utilize parole violator
16 processing guidelines that require parole agents to utilize all
17 available appropriate community-based, nonincarcerative postrelease
18 sanctions and services when appropriate. The department shall
19 periodically evaluate such guidelines for modification, in response
20 to emerging information from the demonstration projects for
21 substance abuse treatment provided under this bill and applicable
22 provisions of prior budget acts for the department.

23 (4) The department shall provide quarterly reports to the
24 senate and house appropriations subcommittees on corrections, the
25 senate and house fiscal agencies, and the state budget director on

2 include the following information each for probationers, parolees
3 after their first parole, and parolees who have been paroled more
4 than once:

6 or sent to prison for a new crime with a comparison of original
7 versus new offenses by major offense type: assaultive,
8 nonassaultive, drug, and sex.

9 (b) The numbers of parole and probation violators returned to
10 or sent to prison for a technical violation and the type of
11 violation, including, but not limited to, zero gun tolerance and
12 substance abuse violations. For parole technical rule violators,
13 the report shall list violations by type, by length of time since
14 release from prison, by the most recent violation, and by the
15 number of violations occurring since release from prison.

16 (c) The educational history of those offenders, including how
17 many had a GED or high school diploma prior to incarceration in
18 prison, how many received a GED while in prison, and how many

4 representatives appropriations subcommittees on corrections, the
5 senate and house fiscal agencies, and the state budget director
6 with all of the following:

8 specialty that would include date of onset, diagnosis and
9 treatment. This would be done by generating a representative
10 sample from the regions.

11 (b) Regular updates on progress on requests for proposals and
12 requests for information pertaining to prisoner health care and
13 mental health care, until the applicable contract is approved.

14 Sec. 804. The department shall report quarterly to the senate

6 transfer to community residential placement, or discharge on the
7 maximum sentence. The department shall require an HIV test and a
8 hepatitis C risk factor screening for each prisoner at the health
9 screening at admissions. If hepatitis C risk factors are
10 identified, the department shall offer the prisoner a hepatitis C
11 antibody test. An explanation of results of the tests shall be
12 provided confidentially to the prisoner, and if appropriate based
13 on the test results, the prisoner shall also be provided a
14 recommendation to seek follow-up medical attention.

15 (2) By March 1, 2011, the department shall report to the
16 senate and house appropriations subcommittees on corrections, the
17 senate and house appropriations subcommittees on community health,
18 the senate and house fiscal agencies, and the state budget director
19 on the number of offenders tested and the number of offenders
20 testing positive for HIV, the hepatitis C antibody, or both at
21 prison admission and parole, transfer to community residential
22 placement, or discharge on the maximum sentence. The department
23 shall keep records of those offenders testing positive for HIV, the
24 hepatitis C antibody, or both at prison admission, parole, transfer
25 to community residential placement, and discharge. These records
26 shall clearly state the date each test was performed.

11 allow for continuity of care in the community.

12 Sec. 809. The department, in conjunction with efforts to
13 implement the MPRI, shall cooperate with the MDCH to share data and
14 information as they relate to prisoners being released who are HIV
15 positive or positive for the hepatitis C antibody. By March 1,
16 2011, the department shall report to the senate and house
17 appropriations subcommittees on corrections, the senate and house

4 human services shall enter into an interagency agreement under
5 which the department of human services provides the department of
6 corrections with monthly lists of newly committed prisoners who are
7 eligible for Medicaid benefits in order to maintain the process by
8 which Medicaid benefits are suspended rather than terminated. The
9 department shall assist prisoners who may be eligible for Medicaid
10 benefits after release from prison with the Medicaid enrollment
11 process prior to release from prison.

12 (2) The department shall provide the senate and house
13 appropriations subcommittees on corrections, the senate and house

27 department shall prohibit prisoners' access to or use of the

1 Internet or any similar system. Under adequate supervision and with
2 security precautions that ensure appropriate computer use by
3 prisoners, the department may allow a prisoner access to or use of
4 the Internet for the purposes of educational programming,
5 employment training, job searches, or other Internet-based programs
6 and services consistent with programming objectives, efficient
7 operations, and the safety and security of the institution.

8 Sec. 904. Any department employee who, in the course of his or

18 accounts created to separately identify costs for specific
19 purposes.

17 is symptomatic of serious mental illness. Under the supervision of
18 a mental health professional, a prisoner with serious mental
19 illness may be secluded in a therapeutic environment for the safety
