*The People of the State of Michigan enact:*

Sec. 43509. (1) A person 17 years of age or older shall not take aquatic species, except aquatic insects, in or upon any waters over which this state has jurisdiction or in or upon any lands within the state, or possess aquatic species, except aquatic insects, without having in his or her possession a valid license as provided in this part.

(2) A person shall not take or possess a wild animal without having in his or her possession a valid license as provided in this part.

Sec. 43532. (1) A person 17 years of age or older shall not take or possess an aquatic species, except aquatic insects, in the waters over which this state has jurisdiction without a license. The fee for a resident restricted fishing license is \$15.00. The fee for a nonresident restricted fishing license is \$34.00.

(2) A restricted fishing license entitles the licensee to take and possess aquatic species as prescribed by law, other than trout, salmon, lake sturgeon, lake herring, amphibians, reptiles, or crustaceans.

(3) A person under 17 years of age may take aquatic species in the waters over which this state has jurisdiction without a license. However, a person under 17 years of age may obtain an all-species fishing license. The fee for a resident or nonresident who is under 17 years of age for an all-species fishing license is \$2.00. The department shall not sell or vendor the list of licensees under this subsection.

(4) The fee for a resident all-species fishing license is \$28.00. The fee for a nonresident all-species fishing license is \$42.00.

(5) An all-species fishing license entitles the licensee to take and possess all aquatic species as prescribed by law.

(6) A person to whom a valid restricted fishing license has been issued may return the restricted license to the department or its authorized agent and receive an all-species fishing license by paying a fee equal to the difference in cost between the all-species fishing license and the restricted fishing license for which that person is eligible.

Sec. 43533. (1) A resident or nonresident may purchase a 24-hour or 72-hour fishing license entitling that person to take, for a designated 24-hour or 72-hour period, respectively, and possess all aquatic species as prescribed by law. Except as provided in this section, the fee for a 24-hour fishing license is \$7.00 per designated consecutive 24-hour period.
