PART 2

PROVISIONS CONCERNING APPROPRIATIONS

GENERAL SECTIONS

Sec. 201. In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending from state resources in this appropriation act for the fiscal year ending September 30, 2010 is \$(1,385,850.00) and state appropriations paid to local units of government are \$0.

Sec. 202. The appropriations made and expenditures authorized under this act and the departments, commissions, boards, offices, and programs for which appropriations are made under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. The departments described in this act shall fulfill reporting requirements of this act by use of the Internet. Reports identified for each reporting requirement shall be placed on the Internet.

DEPARTMENT OF AGRICULTURE

Sec. 210. If the agriculture equine industry development fund revenue exceeds appropriations for the year ending September 30, 2010, up to \$308,688.00 shall be allocated to standardbred purses and supplements, up to \$202,302.00 shall be allocated to standardbred breeders' awards, up to \$40,896.00 shall be allocated to licensed tracks – light horse racing, and up to \$190,844.00 shall be allocated to thoroughbred programs for the year ending September 30, 2011 because standardbred purses and supplements, standardbred breeders' awards, licensed tracks – light horse racing, and thoroughbred programs are receiving larger cuts in the current fiscal year than other appropriations to ensure the continuation of races. Contingency fund transfers shall be used as necessary to allow for spending of any additional revenue.

DEPARTMENT OF TREASURY

Sec. 250. The appropriations in part 1 to the racing commissioner are intended to ensure that 217 total racing dates occur at Michigan's 5 licensed horse racetracks for the fiscal year ending September 30, 2010. The appropriations in part 1, in combination with 2009 PA 119, 2009 PA 140, Executive Order No. 2009-45, and Executive Order No. 2009-54, are necessary to allow 62 race dates at Hazel Park, 11 race dates at Mount Pleasant Meadows, 32 race dates at Northville Downs, 35 race dates at Northville Racing Corp, 43 race dates at Pinnacle Race Course, and 34 race dates at Pinnacle Race Course, the Michigan thoroughbred owners and breeders association and the horsemen's benevolent and protection association shall enter into an agreement to fund the Michigan bred programs and the Michigan gaming control board's regulatory expenses. From the amount appropriated in part 1 to the racing commissioner, the Michigan gaming control board shall provide all regulatory functions necessary for the conduct of horse racing under the horse racing law of 1995, 1995 PA 279, MCL 431.301 to 431.336.

Sec. 251. The Michigan gaming control board, with the assistance of the Michigan department of agriculture and each certified horsemen's organization, shall report to the legislature on the status and ongoing efforts to transfer the function of the office of racing commissioner to the Michigan gaming control board pursuant to Executive Order Nos. 2009-45 and 2009-54. The report shall be submitted on or before September 1, 2010 to the house and senate appropriations subcommittees on agriculture and general government and the house and senate fiscal agencies. The report shall include, at a minimum, the following:

- (a) Efforts to utilize the most efficient and effective methods of regulating and promoting the horse racing industry.
- (b) Efforts to promote and support the horse racing industry with the goal of increasing employment and expanded economic activity associated with the horse racing industry.
- (c) A comparison of Michigan with other states regarding both regulation and promotion of the horse racing industry.

Sec. 252. The Michigan gaming control board shall use actual expenditure data in determining the actual regulatory costs of conducting racing dates and shall provide that data to the house and senate appropriations subcommittees on agriculture and general government and the house and senate fiscal agencies. The Michigan gaming control board shall not be reimbursed for more than the actual regulatory cost of conducting race dates. If a certified horsemen's organization funds more than the actual regulatory cost, the balance shall remain in the agriculture equine industry development fund to be used to fund subsequent race dates conducted by race meeting licensees with which the certified horsemen's organization has contracts. If a certified horsemen's organization funds less than the actual regulatory costs of the additional horse racing dates, the Michigan gaming control board shall reduce the number of future race dates conducted by race meeting licensees with which the certified horsemen's organization has contracts. Prior to the reduction in the number of authorized race dates due to budget deficits, the executive director of the Michigan gaming control board shall provide notice to the certified horsemen's organizations with an opportunity to respond with alternatives. In determining actual costs, the Michigan gaming control board shall take into account that each specific breed may require different regulatory mechanisms.
