*The People of the State of Michigan enact:*

Sec. 305. (1) Within 30 days after the effective date of this chapter, the school district election coordinating committee for each school district shall hold an initial meeting. Within 14 days after convening the initial meeting, the school district election coordinating committee shall file a report with the secretary of state that sets forth the arrangements that are agreed upon for the conduct of the school district's elections. Each school district election coordinating committee member shall sign the report and retain a copy.

(2) After filing its initial report under subsection (1) and until December 31, 2012, a school district election coordinating committee shall meet at 2-year intervals to review and, if necessary, alter the election arrangements set forth in its previous report. Beginning January 1, 2013, a school district election coordinating committee shall meet at 4-year intervals or earlier if determined necessary by the chairperson of the school district election coordinating committee to review and, if necessary, alter the election arrangements set forth in its previous report. After each review, a school district election coordinating committee shall either notify the secretary of state in writing that its previous report is not being altered or file with the secretary of state a report with the alterations. Until December 31, 2012, election arrangements made by the clerks of the jurisdictions participating in the school district election coordinating committee meeting are binding on the participating jurisdictions for at least 2 years after the report is filed, and each jurisdiction continues to be bound until an altered report is filed. Beginning January 1, 2013, election arrangements made by the clerks of the jurisdictions participating in the school district election coordinating committee meeting are binding on the participating jurisdictions until an altered report is filed.

(3) The arrangements agreed upon by a school district election coordinating committee for the conduct of the school district's elections shall accomplish at least both of the following:

(a) If a school district election is held on the same day as an election of a jurisdiction that overlaps with the school district, an elector wishing to vote in both elections shall not be required to vote at 2 different locations.

(b) If, before the filing of an initial report or of the notice or altered report after its review, a city or township clerk notifies the school district election coordinating committee that the city or township clerk, in consultation with the city council or township board, as applicable, has decided to participate in the conduct of the school district's elections, the school district election coordinating committee shall include that city or township clerk in its initial or an altered report as the person conducting the school district's elections in the clerk's city or township.

(4) Notwithstanding the other provisions of this chapter, if a city or township is holding an election for elective office or on a ballot question at the same time that a school district located in whole or part in the city or township is holding an election, the city or township clerk shall also conduct the school district election within his or her jurisdiction. If a city or township clerk is conducting a school election under this subsection, the clerk shall use the same precincts that are used for state and federal elections as the precincts for the school district election. If these precincts change the polling place location for school district electors, the clerk shall notify those school district electors of the location of the different polling place. A city or township clerk with the consent of the school district election coordinator may use the school election precincts and polling places. A city or township clerk conducting an election under this subsection may consolidate election precincts in the manner provided in section 659.

This act is ordered to take immediate effect.
