- 9 in the manner provided by sections 6 to 13 of the uniform budgeting
- 10 and accounting act, 1968 PA 2, MCL 141.426 to 141.433. The audit

- 26 Sec. 17. (1) On or before March 15 after the creation of the

- 4 following:
- 5 (a) The number and placement of streetlights in the local
- 6 government composing the authority.
- 7 (b) A budget that includes, but is not limited to, the
- 8 following:

- 10 maintenance of the authority and the lighting system.
- 11 (ii) Any reserve to be established for the administration,
- 12 operation, and maintenance of the authority and the lighting
- 13 system.
- 14 (iii) A statement showing the amounts necessary to retire all
- 15 principal and interest on any bonds of the authority maturing
- 16 during the applicable fiscal years.
- 17 (iv) A plan to implement best value practices.
- 18 (v) Any other item specified in the articles of incorporation
- 19 of the authority.
- (c) The budget prepared by the authority shall provide that
- 21 any money derived from the collection of rates and charges shall be
- 22 applied and used by the authority in the following manner and in
- 23 the following priority:
- 24 (i) To provide for the payment during each fiscal year of all
- 25 current expenses of administration, operation, and maintenance as
- 26 may be necessary to preserve the lighting system in good repair and
- 27 working order, including payments required under bonded

- 1 indebtedness incurred in accordance with the authorization
- 2 contained in this act.
- 3 (ii) In the discretion of the board, there may be set aside
- 4 during each fiscal year money to provide a reserve fund for
- 5 replacements or major repairs and improvements not anticipated or
- 6 considered to be a part of current expenses of administration,
- 7 operation, or maintenance of the lighting system.
- 8 (2) The governing body of the local government composing the
- 9 authority may vote to accept or reject the plan. The governing body
- 10 of the local government does not have the power to amend the plan
- 11 in any respect. Unless the governing body of the local government
- 12 votes to reject the plan within 45 days of its submittal, the plan
- is considered approved.
- 14 (3) If the governing body of the local government rejects the
- 15 plan as provided in subsection (2), the authority shall revise the
- 16 plan and shall submit the revised plan to the governing body of the
- 17 local government within 30 days of the vote that rejected the plan.
- 18 (4) The governing body of the local government may vote to
- 19 accept or reject the revised plan within 30 days of its submittal.
- 20 Unless the governing body of the local government votes to reject
- 21 the revised plan, the revised plan is considered approved.
- 22 (5) If the governing body of the local government votes to
- 23 reject the revised plan, the governing body of the local government
- 24 must contemporaneously adopt, by a vote of at least 2/3 of the
- 25 members of the governing body of the local government elected and
- 26 serving, a resolution that includes a list of items that, if
- 27 altered, would result in a vote to adopt the plan. Failure to adopt

- 1 a resolution in compliance with this subsection is considered
- 2 acceptance of the revised plan by the governing body of the local
- 3 government.
- 4 (6) If the governing body of the local government votes to
- 5 reject the revised plan and submits the required resolution as
- 6 provided in subsection (5), the authority shall prepare a final
- 7 proposed plan not more than 20 days following the vote to reject
- 8 the revised plan. The final proposed plan shall be sent to the
- 9 chief executive officer of the local government, and the chief
- 10 executive officer shall make the final proposed plan available on
- 11 the local government's internet website as soon as is practicable.
- 12 The final proposed plan shall also be made available at a public
- 13 hearing to be held not more than 10 days after the final proposed
- 14 plan is complete. Public comment shall be taken at the public
- 15 hearing concerning the final proposed plan. On or after the tenth
- 16 day after the public hearing, the authority shall vote on the final
- 17 proposed plan.
- 18 (7) Except as otherwise provided in this subsection, if 2/3 of
- 19 the board members of the authority vote to adopt the final proposed
- 20 plan, it is adopted. If the final proposed plan incorporates a
- 21 majority of the items identified in the appropriate resolution or
- 22 resolutions adopted by the governing body of the local government,
- 23 then the final proposed plan is adopted if approved by a majority
- 24 vote of the board of directors of the authority.
- 25 (8) If a plan is not adopted on or before July 1 of the year
- 26 in which a plan is required to be prepared under subsection (1),
- 27 then the adopted plan shall be the final proposed plan, except that

- 1 all changes identified in the resolution of the governing body
- 2 submitted under this act are considered amendments to the final
- 3 proposed plan so that the plan as adopted contains all changes
- 4 listed in the resolution from the governing body.
- 5 (9) A plan adopted by the board may be amended by a vote of 4
- 6 of the 5 members on the board.
- 7 Sec. 19. Unless the board, by resolution, establishes a
- 8 different fiscal year, the fiscal year of the authority shall
- 9 commence on July 1 of each year and end on the following June 30.
- 10 Sec. 20. (1) The local government has the responsibility,
- 11 authority, and right to manage and direct on behalf of the public
- 12 the services performed or exercised as provided in the articles of
- 13 incorporation to the extent the articles of incorporation are
- 14 consistent with, and not otherwise limited by, this act.
- 15 (2) The contents or language of the articles of incorporation
- 16 under this act shall be a permissive subject of collective
- 17 bargaining between the local government and a bargaining
- 18 representative of its employees. If the local government and a
- 19 bargaining representative of its employees engage in collective
- 20 bargaining before the articles of incorporation are approved and
- 21 the local government and that bargaining representative reach an
- 22 agreement on issues that would obligate an entity that will
- 23 function as an employer in the authority, the articles of
- 24 incorporation shall include those obligations.
- 25 (3) Nothing in this act creates an employment relationship
- 26 between the existing employees of the local government and the
- 27 proposed authority.

- 1 (4) An authority is effective through its articles of
- 2 incorporation at least 180 days before the actual transfer of
- 3 personnel and equipment. Before the authority's effective date, the
- 4 local government shall affirm in writing to the authority those
- 5 employees, if any, who will be transferred to the authority.
- **6** (5) If any employees who are transferred to the authority are
- 7 represented by a labor organization, those employees are subject to
- 8 their previous terms and conditions of employment until those terms
- 9 and conditions of employment are modified in accordance with 1947
- 10 PA 336, MCL 423.201 to 423.217, or for 6 months after the transfer
- 11 to the authority, whichever is earlier. Negotiations on a
- 12 collective bargaining agreement with an authority shall begin no
- 13 later than 180 days before the date the employees, if any, transfer
- 14 to the authority.
- 15 (6) Subject to subsection (7), a representative of the
- 16 employees or group of employees who previously represented or was
- 17 entitled to represent the employees or group of employees under
- 18 1947 PA 336, MCL 423.201 to 423.217, shall continue to represent
- 19 the employees or group of employees if those employees or group of
- 20 employees are transferred to the authority.
- 21 (7) This section does not limit the rights of employees, under
- 22 applicable law, to assert that a bargaining representative
- 23 protected by subsection (6) is no longer their representative. The
- 24 employees of the authority are eligible as of the day the authority
- 25 becomes effective through its articles of incorporation to choose
- 26 their representative under 1947 PA 336, MCL 423.201 to 423.217.
- 27 This subsection does not extend the time limits as provided in

- 1 subsection (4).
- 2 (8) If multiple labor organizations assert the right to
- 3 represent all or part of the authority's workforce or where a
- 4 substantial portion of the transferred employees were not
- 5 previously represented, in the absence of a voluntary mutual
- 6 agreement, at the request of any party or on the initiative of the

- 7 Michigan employment relations commission, the Michigan employment
- 8 relations commission shall conduct a representation election.
- 9 (9) In the absence of a voluntary mutual agreement, the
- 10 authority's workforce shall be merged by using a single seniority
- 11 list for each of the same or similar classifications. The single
- 12 seniority list shall be composed of all employees from the local
- 13 government employed or having recall rights on the date of transfer
- 14 and shall be used for purposes that include, but are not limited
- 15 to, initial assignments, layoffs, recalls, and job bidding.
- 16 Disputes concerning the single seniority list or use of the single
- 17 seniority list shall be heard by a single arbitrator appointed by
- 18 the Michigan employment relations commission.
- 19 (10) Nothing in this section requires a local government or an
- 20 authority to assume a collective bargaining agreement between
- 21 another local government and its employees.
- 22 (11) An employee who left the employ of the local government
- 23 to enter the military service of the United States shall have the
- 24 same employment rights as to the local government or the authority
- 25 as he or she would have had under 1951 PA 263, MCL 35.351 to
- **26** 35.356.
- Sec. 21. (1) For the purpose of constructing, acquiring,

- 1 improving, enlarging, or extending a lighting system, including the
- 2 payment of engineering, legal, and financing expenses, and after
- 3 the establishment of the initial service rates and the execution of
- 4 contracts for the provision of construction services, purchase of
- 5 power, and other related activities within the corporate limits of
- 6 the authority, the authority may borrow money and issue revenue
- 7 bonds and notes for the purposes provided in this section. The
- 8 aggregate principal amount of the bonds and notes at no time shall
- 9 exceed 5% of the total state equalized valuation of the property
- 10 assessed in the local government comprising the authority.
- 11 (2) Revenue bonds are payable upon the terms and conditions
- 12 specified by the authority in the resolution under which the
- 13 authority issues the bonds or in a related trust agreement or trust
- 14 indenture. The board of directors in the resolution authorizing the
- 15 bonds, a trust indenture, ancillary facility, or other agreement
- 16 entered into with respect to bonds of the authority may pledge any
- 17 funds received or to be received by the authority for the payment
- 18 of the bonds or other obligations of the authority under the
- 19 agreement and create a first lien in favor of the holders of the
- 20 bonds or a party subject to the agreement, including, but not
- 21 limited to, funds received pursuant to a contract entered into
- 22 under section 25. The principal of and interest on the bonds shall
- 23 be payable, except as provided in this act, solely from the
- 24 proceeds described in the resolution authorizing the bonds or trust
- 25 indenture, and the proceeds may include revenues pledged directly
- 26 to authority bonds pursuant to a contract entered into under
- 27 section 25 by the local government.

1 (3) The resolution authorizing the issuance of bonds under

- 2 this section shall include all of the following:
- 3 (a) A statement that the bonds are revenue bonds.
- 4 (b) A statement briefly describing the lighting system to be
- 5 constructed, acquired, improved, or extended and the estimated cost
- 6 of the lighting system.
- 7 (c) A statement that the contracts for services of the
- 8 authority have been entered into with the local government
- 9 comprising the authority.

- 2 (iv) Take all other steps necessary and convenient to arrange
- 3 for and ensure the orderly collection of the taxes.
- 4 (b) After the pledge and contract become effective, the local
- 5 government shall continue to do all of the following:

- 16 contract, and the trust agreement, and may not be commingled with
- 17 any other funds.

- 19 taken, sequestered, or applied toward paying the debts or
- 20 liabilities of the local government other than for payment of debt

- 22 which the contract and trust agreement apply. The pledged revenues
- 23 shall be exempt from any further taxes or special assessments of
- 24 this state or a political subdivision of this state.
- 25 (e) Although the pledged revenues are held in trust, to the
- 26 extent that the local government or authority retains any interest
- 27 in the pledged revenues, and solely to that extent, the pledged

- 1 revenues shall be subject to a lien in favor of the authority
- 2 bondholders. This lien is paramount and superior to all other liens
- 3 and interests of any kind, including any interest of the local
- 4 government or the authority, and shall be for the sole purpose of
- 5 ensuring payment of the principal, interest, and related
- 6 administrative costs of authority bonds secured by the contract and
- 7 the trust agreement. The lien created is effected and perfected
- 8 without delivery, recording, or notice.
- 9 (4) A trust agreement may provide that, should the trustee
- 10 determine that it holds funds in excess of those it reasonably
- 11 considers necessary to make bond payments obligated under the
- 12 contract and trust agreement, the trustee may release some or all
- 13 of the excess funds from the trust and distribute them to the local
- 14 government.
- 15 (5) The local government may not enter into a contract
- 16 pledging revenues pursuant to subsection (3) that would result in

- 19 year taking into account any anticipated federal credits as
- 20 determined by the authority.
- 21 (6) As used in this section:

- 1 PA 100, MCL 141.1151 to 141.1177, to the extent pledged for
- 2 repayment of authority bonds under the contract.
- 3 (c) "Public utilities" and "resale customers" mean those terms
- 4 as defined in the city utility users tax act, 1990 PA 100, MCL
- **5** 141.1151 to 141.1177.

- 8 authority.
- 9 Sec. 31. The governing body of the local government comprising
