Sales price includes the following subparagraphs (*i*) through (*vii*) and excludes subparagraphs (*viii*) through ~~(*x*)~~ **(*xi*)**:

(*i*) Seller's cost of the property sold.

(*ii*) Cost of materials used, labor or service cost, interest, losses, costs of transportation to the seller, taxes imposed on the seller other than taxes imposed by this act, and any other expense of the seller.

(*iii*) Charges by the seller for any services necessary to complete the sale, other than the following:

(A) An amount received or billed by the taxpayer for remittance to the employee as a gratuity or tip, if the gratuity or tip is separately identified and itemized on the guest check or billed to the customer.

(B) Labor or service charges involved in maintenance and repair work on tangible personal property of others if separately itemized.

(*vi*) Credit for any trade-in.

(*vii*) Except as otherwise provided in subparagraph (*x*), consideration received by the seller from third parties if all of the following conditions are met:

(B) The seller has an obligation to pass the price reduction or discount through to the purchaser.

(C) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser.

(D) One of the following criteria is met:

(I) The purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount where the coupon, certificate, or documentation is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented.

(II) The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount. A preferred customer card that is available to any patron does not constitute membership in a group or organization.

(III) The price reduction or discount is identified as a third party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser.

(*viii*) Interest, financing, or carrying charges from credit extended on the sale of personal property or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser.

(*ix*) Any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser.

Textiles also include materials used to repair or construct textiles, or other goods used in the rental, sale, or cleaning of textiles.

(2) If the department determines that it is necessary for the efficient administration of this act to regard an unlicensed person, including a salesperson, representative, peddler, or canvasser as the agent of the dealer, distributor, supervisor, or employer under whom the unlicensed person operates or from whom the unlicensed person obtains the tangible personal property sold by the unlicensed person, irrespective of whether the unlicensed person is making sales on the unlicensed person's own behalf or on behalf of the dealer, distributor, supervisor, or employer, the department may so regard the unlicensed person and may regard the dealer, distributor, supervisor, or employer as making sales at retail at the retail price for the purposes of this act.
