AN ACT to amend 1967 PA 281, entitled “An act to meet deficiencies in state funds by providing for the imposition, levy, computation, collection, assessment, and enforcement by lien and otherwise of taxes on or measured by net income; to prescribe the manner and time of making reports and paying the taxes, and the functions of public officers and others as to the taxes; to permit the inspection of the records of taxpayers; to provide for interest and penalties on unpaid taxes; to provide exemptions, credits and refunds of the taxes; to prescribe penalties for the violation of this act; to provide an appropriation; and to repeal certain acts and parts of acts,” by amending section 603 (MCL 206.603), as added by 2011 PA 38.

The People of the State of Michigan enact:

Sec. 603. (1) “Business activity” means a transfer of legal or equitable title to or rental of property, whether real, personal, or mixed, tangible or intangible, or the performance of services, or a combination thereof, made or engaged in, or caused to be made or engaged in, whether in intrastate, interstate, or foreign commerce, with the object of gain, benefit, or advantage, whether direct or indirect, to the taxpayer or to others, but does not include the services rendered by an employee to his or her employer or services as a director of a corporation. Although an activity of a taxpayer may be incidental to another or to others of his or her business activities, each activity shall be considered to be business engaged in within the meaning of this part.

(2) “Business income” means federal taxable income. For a tax-exempt taxpayer, business income means only that part of federal taxable income derived from unrelated business activity.
