ENROLLED SENATE BILL No. 685

AN ACT to amend 1994 PA 451, entitled "An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, assessments, and donations; to provide certain appropriations; to prescribe penalties and provide remedies; and to repeal acts and parts of acts," by amending section 40114 (MCL 324.40114), as amended by 2010 PA 87.

The People of the State of Michigan enact:

Sec. 40114. (1) The department may issue a permit to an individual who is unable to walk because the individual is a paraplegic or an amputee or because of a disease or injury that has rendered the individual permanently disabled. A permit issued under this subsection authorizes the individual to take game during the open season for that game, including deer of either sex, from or upon a standing vehicle if that individual holds a license to take that game issued under part 435 and complies with all other laws and rules for the taking of game.

(2) The department may issue a permit to an individual who is permanently disabled, who has full use of only 1 arm, and who upon investigation is unable to hold, aim, and shoot a bow. A permit issued under this subsection authorizes the individual to take game during the open season for that game with a bow that has been modified so that the bow may be held, aimed, and shot with 1 arm, if that individual holds a license to take that game issued under part 435 and complies with all other laws and rules for the taking of game.

(3) The commission may issue an order under section 40113a regulating the taking of game with a modified bow that may be shot with 1 arm. Subsection (2) does not apply on or after the effective date of such an order.

(4) In addition, the department may issue permits authorizing 1 or more of the following:

(a) The taking or possession of animals for the purpose of rehabilitating animals.

(b) The taking of animals to prevent or control damage and nuisance caused by the animals subject to the following:

(i) Except during an open season for deer, deer may be taken under this subdivision if the department determines that deer have caused damage to emerging, standing, or harvested crops or to feed properly stored in accordance with normal agricultural practices. If the department receives a request for a permit issued under this subdivision, the department shall, within 5 business days after receiving the request, determine whether a permit should be issued. If the department determines that a permit should not be issued under this subdivision, the department shall deny the request in writing within 10 business days after receiving the request. In denying the request for a permit, the department shall advise the applicant on other techniques for controlling or preventing damage caused by deer.

(ii) A permittee under a deer damage shooting permit may designate not more than 15 authorized shooters to implement the provisions of the permit unless the department authorizes otherwise.

- (c) The collection, transportation, possession, or disposition of animals and parts of animals for scientific purposes.
- (d) The public exhibition of animals.
- (e) Taxidermy.
- (f) The disposition of accidentally or unlawfully taken or injured animals or animals that are unlawfully possessed.
- (g) The taking of game with a crossbow by an individual who is permanently or temporarily disabled.
- (h) The taking or possession of raptors for the purposes of falconry.

(5) A permit issued under this section may be suspended, revoked, annulled, withdrawn, recalled, canceled, or amended pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. If the holder of a permit is convicted of violating the permit or this section, his or her permit or license may be revoked and any animal and the parts of any animal in his or her possession shall be disposed of in a manner approved by the department.

(6) Fees received for permits and licenses issued under this section shall be forwarded by the department to the state treasurer to be credited to the game and fish protection account of the Michigan conservation and recreation legacy fund provided for in section 2010.

This act is ordered to take immediate effect.
