STATE OF MICHIGAN
96TH LEGISLATURE
REGULAR SESSION OF 2012

Introduced by Rep. Wayne Schmidt

ENROLLED HOUSE BILL No. 5246

AN ACT to amend 1986 PA 281, entitled "An act to encourage local development to prevent conditions of unemployment and promote economic growth; to provide for the establishment of local development finance authorities and to prescribe their powers and duties; to provide for the creation of a board to govern an authority and to prescribe its powers and duties; to provide for the creation and implementation of development plans; to authorize the acquisition and disposal of interests in real and personal property; to permit the issuance of bonds and other evidences of indebtedness by an authority; to prescribe powers and duties of certain public entities and state officers and agencies; to reimburse authorities for certain losses of tax increment revenues; and to authorize and permit the use of tax increment financing," by amending sections 2, 3, 4, 11b, 12, 12a, 12c, and 12c (MCL 125.2152, 125.2153, 125.2154, 125.2161b, 125.2162, 125.2162a, 125.2162c, and 125.2162c[1]), section 2 as amended by 2010 PA 376, sections 3, 4, and 12 as amended and section 12c as added by 2010 PA 276, section 11b as amended by 2010 PA 127, and section 12a as amended and section 12c as added by 2009 PA 162.

The People of the State of Michigan enact:

Sec. 2. As used in this act:

(a) "Advance" means a transfer of funds made by a municipality to an authority or to another person on behalf of the authority in anticipation of repayment by the authority. Evidence of the intent to repay an advance may include, but is not limited to, an executed agreement to repay, provisions contained in a tax increment financing plan approved prior to the advance, or a resolution of the authority or the municipality.

(b) "Alternative energy technology" means equipment, component parts, materials, electronic devices, testing equipment, and related systems that are specifically designed, specifically fabricated, and used primarily for 1 or more of the following:

(*i*) The storage, generation, reformation, or distribution of clean fuels integrated within an alternative energy system or alternative energy vehicle, not including an anaerobic digester energy system or a hydroelectric energy system, for use within the alternative energy system or alternative energy vehicle.

(*ii*) The process of generating and putting into a usable form the energy generated by an alternative energy system. Alternative energy technology does not include those component parts of an alternative energy system that are required regardless of the energy source.

(*iii*) Research and development of an alternative energy vehicle.

(*iv*) Research, development, and manufacturing of an alternative energy system.

(*v*) Research, development, and manufacturing of an anaerobic digester energy system.

(*vi*) Research, development, and manufacturing of a hydroelectric energy system.

(c) "Alternative energy technology business" means a business engaged in the research, development, or manufacturing of alternative energy technology or a business located in an authority district that includes a military installation that was operated by the United States department of defense and closed after 1980.

(d) "Assessed value" means 1 of the following:

(*i*) For valuations made before January 1, 1995, the state equalized valuation as determined under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155.

(*ii*) For valuations made after December 31, 1994, the taxable value as determined under section 27a of the general property tax act, 1893 PA 206, MCL 211.27a.

(e) "Authority" means a local development finance authority created pursuant to this act.

(f) "Authority district" means an area or areas within which an authority exercises its powers.

(g) "Board" means the governing body of an authority.

(h) "Business development area" means an area designated as a certified industrial park under this act prior to June 29, 2000, or an area designated in the tax increment financing plan that meets all of the following requirements:

(*i*) The area is zoned to allow its use for eligible property.

(*ii*) The area has a site plan or plat approved by the city, village, or township in which the area is located.

(i) "Business incubator" means real and personal property that meets all of the following requirements:

(*i*) Is located in a certified technology park or a certified alternative energy park.

(*ii*) Is subject to an agreement under section 12a or 12c.

(*iii*) Is developed for the primary purpose of attracting 1 or more owners or tenants who will engage in activities that would each separately qualify the property as eligible property under subdivision (s)(*iii*).

(j) "Captured assessed value" means the amount in any 1 year by which the current assessed value of the eligible property identified in the tax increment financing plan or, for a certified technology park, a certified alternative energy park, or a next Michigan development area, the real and personal property included in the tax increment financing plan, including the current assessed value of property for which specific local taxes are paid in lieu of property taxes as determined pursuant to subdivision (hh), exceeds the initial assessed value. The state tax commission shall prescribe the method for calculating captured assessed value. Except as otherwise provided in this act, tax abated property in a renaissance zone as defined under section 3 of the Michigan renaissance zone act, 1996 PA 376, MCL 125.2683, shall be excluded from the calculation of captured assessed value to the extent that the property is exempt from ad valorem property taxes or specific local taxes.

(k) "Certified alternative energy park" means that portion of an authority district designated by a written agreement entered into pursuant to section 12c between the authority, the municipality or municipalities, and the Michigan economic development corporation.

(*l*) "Certified business park" means a business development area that has been designated by the Michigan economic development corporation as meeting criteria established by the Michigan economic development corporation. The criteria shall establish standards for business development areas including, but not limited to, use, types of building materials, landscaping, setbacks, parking, storage areas, and management.

(m) "Certified technology park" means that portion of the authority district designated by a written agreement entered into pursuant to section 12a between the authority, the municipality, and the Michigan economic development corporation.

(n) "Chief executive officer" means the mayor or city manager of a city, the president of a village, or, for other local units of government or school districts, the person charged by law with the supervision of the functions of the local unit of government or school district.

(o) "Development plan" means that information and those requirements for a development set forth in section 15.

(p) "Development program" means the implementation of a development plan.

(q) "Eligible advance" means an advance made before August 19, 1993.

(r) "Eligible obligation" means an obligation issued or incurred by an authority or by a municipality on behalf of an authority before August 19, 1993 and its subsequent refunding by a qualified refunding obligation. Eligible obligation includes an authority's written agreement entered into before August 19, 1993 to pay an obligation issued after August 18, 1993 and before December 31, 1996 by another entity on behalf of the authority.

(s) "Eligible property" means land improvements, buildings, structures, and other real property, and machinery, equipment, furniture, and fixtures, or any part or accessory thereof whether completed or in the process of construction comprising an integrated whole, located within an authority district, of which the primary purpose and use is or will be 1 of the following:

(*i*) The manufacture of goods or materials or the processing of goods or materials by physical or chemical change.

(*ii*) Agricultural processing.

(*iii*) A high technology activity.

(*iv*) The production of energy by the processing of goods or materials by physical or chemical change by a small power production facility as defined by the federal energy regulatory commission pursuant to the public utility regulatory policies act of 1978, Public Law 95-617, which facility is fueled primarily by biomass or wood waste. This act does not affect a person's rights or liabilities under law with respect to groundwater contamination described in this subparagraph. This subparagraph applies only if all of the following requirements are met:

(A) Tax increment revenues captured from the eligible property will be used to finance, or will be pledged for debt service on tax increment bonds used to finance, a public facility in or near the authority district designed to reduce, eliminate, or prevent the spread of identified soil and groundwater contamination, pursuant to law.

(B) The board of the authority exercising powers within the authority district where the eligible property is located adopted an initial tax increment financing plan between January 1, 1991 and May 1, 1991.

(C) The municipality that created the authority establishes a special assessment district whereby not less than 50% of the operating expenses of the public facility described in this subparagraph will be paid for by special assessments. Not less than 50% of the amount specially assessed against all parcels in the special assessment district shall be assessed against parcels owned by parties potentially responsible for the identified groundwater contamination pursuant to law.

(*v*) A business incubator.

(*vi*) An alternative energy technology business.

(*vii*) A transit-oriented facility.

(*viii*) A transit-oriented development.

(*ix*) An eligible next Michigan business, as that term is defined in section 3 of the Michigan economic growth authority act, 1995 PA 24, MCL 207.803, and other businesses within a next Michigan development area, but only to the extent designated as eligible property within a development plan approved by a next Michigan development corporation.

(t) "Fiscal year" means the fiscal year of the authority.

(u) "Governing body" means, except as otherwise provided in this subdivision, the elected body having legislative powers of a municipality creating an authority under this act. For a next Michigan development corporation, governing body means the executive committee of the next Michigan development corporation, unless otherwise provided in the interlocal agreement or articles of incorporation creating the next Michigan development corporation or the governing body of an eligible urban entity or its designee as provided in the next Michigan development act, 2010 PA 275, MCL 125.2951 to 125.2959.

(v) "High-technology activity" means that term as defined in section 3 of the Michigan economic growth authority act, 1995 PA 24, MCL 207.803.

(w) "Initial assessed value" means the assessed value of the eligible property identified in the tax increment financing plan or, for a certified technology park, a certified alternative energy park, or a next Michigan development area, the assessed value of any real and personal property included in the tax increment financing plan, at the time the resolution establishing the tax increment financing plan is approved as shown by the most recent assessment roll for which equalization has been completed at the time the resolution is adopted or, for property that becomes eligible property in other than a certified technology park or a certified alternative energy park after the date the plan is approved, at the time the property becomes eligible property. Property exempt from taxation at the time of the determination of the initial assessed value shall be included as zero. Property for which a specific local tax is paid in lieu of property tax shall not be considered exempt from taxation. The initial assessed value of property for which a specific local tax was paid in lieu of property tax shall be determined as provided in subdivision (hh).

(x) "Michigan economic development corporation" means the public body corporate created under section 28 of article VII of the state constitution of 1963 and the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512, by a contractual interlocal agreement effective April 5, 1999 between local participating economic development corporations formed under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, and the Michigan strategic fund. If the Michigan economic development corporation is unable for any reason to perform its duties under this act, those duties may be exercised by the Michigan strategic fund.

(y) "Michigan strategic fund" means the Michigan strategic fund as described in the Michigan strategic fund act, 1984 PA 270, MCL 125.2001 to 125.2094.

(z) "Municipality" means a city, village, or urban township. However, for purposes of creating and operating a certified alternative energy park or a certified technology park, municipality includes townships that are not urban townships.

(aa) "Next Michigan development area" means a portion of an authority district designated by a next Michigan development corporation under section 12e to which a development plan is applicable.

(bb) "Next Michigan development corporation" means that term as defined in section 3 of the next Michigan development act, 2010 PA 275, MCL 125.2953.

(cc) "Obligation" means a written promise to pay, whether evidenced by a contract, agreement, lease, sublease, bond, or note, or a requirement to pay imposed by law. An obligation does not include a payment required solely because of default upon an obligation, employee salaries, or consideration paid for the use of municipal offices. An obligation does not include those bonds that have been economically defeased by refunding bonds issued under this act. Obligation includes, but is not limited to, the following:

(*i*) A requirement to pay proceeds derived from ad valorem property taxes or taxes levied in lieu of ad valorem property taxes.

(*ii*) A management contract or a contract for professional services.

(*iii*) A payment required on a contract, agreement, bond, or note if the requirement to make or assume the payment arose before August 19, 1993.

(*iv*) A requirement to pay or reimburse a person for the cost of insurance for, or to maintain, property subject to a lease, land contract, purchase agreement, or other agreement.

(*v*) A letter of credit, paying agent, transfer agent, bond registrar, or trustee fee associated with a contract, agreement, bond, or note.

(dd) "On behalf of an authority", in relation to an eligible advance made by a municipality or an eligible obligation or other protected obligation issued or incurred by a municipality, means in anticipation that an authority would transfer tax increment revenues or reimburse the municipality from tax increment revenues in an amount sufficient to fully make payment required by the eligible advance made by a municipality, or eligible obligation or other protected obligation issued or incurred by the municipality, if the anticipation of the transfer or receipt of tax increment revenues from the authority is pursuant to or evidenced by 1 or more of the following:

(*i*) A reimbursement agreement between the municipality and an authority it established.

(*ii*) A requirement imposed by law that the authority transfer tax increment revenues to the municipality.

(*iii*) A resolution of the authority agreeing to make payments to the incorporating unit.

(*iv*) Provisions in a tax increment financing plan describing the project for which the obligation was incurred.

(ee) "Other protected obligation" means:

(*i*) A qualified refunding obligation issued to refund an obligation described in subparagraph (*ii*) or (*iii*), an obligation that is not a qualified refunding obligation that is issued to refund an eligible obligation, or a qualified refunding obligation issued to refund an obligation described in this subparagraph.

(*ii*) An obligation issued or incurred by an authority or by a municipality on behalf of an authority after August 19, 1993, but before December 31, 1994, to finance a project described in a tax increment finance plan approved by the municipality in accordance with this act before August 19, 1993, for which a contract for final design is entered into by the municipality or authority before March 1, 1994.

(*iii*) An obligation incurred by an authority or municipality after August 19, 1993, to reimburse a party to a development agreement entered into by a municipality or authority before August 19, 1993, for a project described in a tax increment financing plan approved in accordance with this act before August 19, 1993, and undertaken and installed by that party in accordance with the development agreement.

(*iv*) An ongoing management or professional services contract with the governing body of a county that was entered into before March 1, 1994 and that was preceded by a series of limited term management or professional services contracts with the governing body of the county, the last of which was entered into before August 19, 1993.

(ff) "Public facility" means 1 or more of the following:

(*i*) A street, road, bridge, storm water or sanitary sewer, sewage treatment facility, facility designed to reduce, eliminate, or prevent the spread of identified soil or groundwater contamination, drainage system, retention basin, pretreatment facility, waterway, waterline, water storage facility, rail line, electric, gas, telephone or other communications, or any other type of utility line or pipeline, transit-oriented facility, transit-oriented development, or other similar or related structure or improvement, together with necessary easements for the structure or improvement. Except for rail lines, utility lines, or pipelines, the structures or improvements described in this subparagraph shall be either owned or used by a public agency, functionally connected to similar or supporting facilities owned or used by a public agency, or designed and dedicated to use by, for the benefit of, or for the protection of the health, welfare, or safety of the public generally, whether or not used by a single business entity. Any road, street, or bridge shall be continuously open to public access. A public facility shall be located on public property or in a public, utility, or transportation easement or right-of-way.

(*ii*) The acquisition and disposal of land that is proposed or intended to be used in the development of eligible property or an interest in that land, demolition of structures, site preparation, and relocation costs.

(*iii*) All administrative and real and personal property acquisition and disposal costs related to a public facility described in subparagraphs (*i*) and (*iv*), including, but not limited to, architect's, engineer's, legal, and accounting fees as permitted by the district's development plan.

(*iv*) An improvement to a facility used by the public or a public facility as those terms are defined in section 1 of 1966 PA 1, MCL 125.1351, which improvement is made to comply with the barrier free design requirements of the state construction code promulgated under the Stille-DeRossett-Hale single state construction code act, 1972 PA 230, MCL 125.1501 to 125.1531.

(*v*) All of the following costs approved by the Michigan economic development corporation:

(A) Operational costs and the costs related to the acquisition, improvement, preparation, demolition, disposal, construction, reconstruction, remediation, rehabilitation, restoration, preservation, maintenance, repair, furnishing, and equipping of land and other assets that are or may become eligible for depreciation under the internal revenue code of 1986 for a business incubator located in a certified technology park or certified alternative energy park.

(B) Costs related to the acquisition, improvement, preparation, demolition, disposal, construction, reconstruction, remediation, rehabilitation, restoration, preservation, maintenance, repair, furnishing, and equipping of land and other assets that, if privately owned, would be eligible for depreciation under the internal revenue code of 1986 for laboratory facilities, research and development facilities, conference facilities, teleconference facilities, testing, training facilities, and quality control facilities that are or that support eligible property under subdivision (s)(*iii*), that are owned by a public entity, and that are located within a certified technology park.

(C) Costs related to the acquisition, improvement, preparation, demolition, disposal, construction, reconstruction, remediation, rehabilitation, restoration, preservation, maintenance, repair, furnishing, and equipping of land and other assets that, if privately owned, would be eligible for depreciation under the internal revenue code of 1986 for facilities that are or that will support eligible property under subdivision (s)(*vi*), that have been or will be owned by a public entity at the time such costs are incurred, that are located within a certified alternative energy park, and that have been or will be conveyed, by gift or sale, by such public entity to an alternative energy technology business.

(*vi*) Operating and planning costs included in a plan pursuant to section 12(1)(f), including costs of marketing property within the district and attracting development of eligible property within the district.

(gg) "Qualified refunding obligation" means an obligation issued or incurred by an authority or by a municipality on behalf of an authority to refund an obligation if the refunding obligation meets both of the following:

(*i*) The net present value of the principal and interest to be paid on the refunding obligation, including the cost of issuance, will be less than the net present value of the principal and interest to be paid on the obligation being refunded, as calculated using a method approved by the department of treasury.

(*ii*) The net present value of the sum of the tax increment revenues described in subdivision (jj)(*ii*) and the distributions under section 11a to repay the refunding obligation will not be greater than the net present value of the sum of the tax increment revenues described in subdivision (jj)(*ii*) and the distributions under section 11a to repay the obligation being refunded, as calculated using a method approved by the department of treasury.

(hh) "Specific local taxes" means a tax levied under 1974 PA 198, MCL 207.551 to 207.572, the obsolete property rehabilitation act, 2000 PA 146, MCL 125.2781 to 125.2797, the commercial redevelopment act, 1978 PA 255, MCL 207.651 to 207.668, the enterprise zone act, 1985 PA 224, MCL 125.2101 to 125.2123, 1953 PA 189, MCL 211.181 to 211.182, and the technology park development act, 1984 PA 385, MCL 207.701 to 207.718. The initial assessed value or current assessed value of property subject to a specific local tax is the quotient of the specific local tax paid divided by the ad valorem millage rate. However, after 1993, the state tax commission shall prescribe the method for calculating the initial assessed value and current assessed value of property for which a specific local tax was paid in lieu of a property tax.

(ii) "State fiscal year" means the annual period commencing October 1 of each year.

(jj) "Tax increment revenues" means the amount of ad valorem property taxes and specific local taxes attributable to the application of the levy of all taxing jurisdictions upon the captured assessed value of eligible property within the district or, for purposes of a certified technology park, a next Michigan development area, or a certified alternative energy park, real or personal property that is located within the certified technology park, a next Michigan development area, or a certified alternative energy park and included within the tax increment financing plan, subject to the following requirements:

(*i*) Tax increment revenues include ad valorem property taxes and specific local taxes attributable to the application of the levy of all taxing jurisdictions, other than the state pursuant to the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, and local or intermediate school districts, upon the captured assessed value of real and personal property in the development area for any purpose authorized by this act.

(*ii*) Tax increment revenues include ad valorem property taxes and specific local taxes attributable to the application of the levy of the state pursuant to the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, and local or intermediate school districts upon the captured assessed value of real and personal property in the development area in an amount equal to the amount necessary, without regard to subparagraph (*i*), for the following purposes:

(A) To repay eligible advances, eligible obligations, and other protected obligations.

(B) To fund or to repay an advance or obligation issued by or on behalf of an authority to fund the cost of public facilities related to or for the benefit of eligible property located within a certified technology park or a certified alternative energy park to the extent the public facilities have been included in an agreement under section 12a(3), 12b,

or 12c(3), not to exceed 50%, as determined by the state treasurer, of the amounts levied by the state pursuant to the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, and local and intermediate school districts for a period, except as otherwise provided in this sub-subparagraph, not to exceed 15 years, as determined by the state treasurer, if the state treasurer determines that the capture under this sub-subparagraph is necessary to reduce unemployment, promote economic growth, and increase capital investment in the municipality. However, upon approval of the state treasurer and the president of the Michigan economic development corporation, a certified technology park may capture under this sub-subparagraph for an additional period of 5 years if the authority agrees to additional reporting requirements and modifies its tax increment financing plan to include regional collaboration as determined by the state treasurer and the president of the Michigan economic development corporation. In addition, upon approval of the state treasurer and the president of the Michigan economic development corporation, if a municipality that has created a certified technology park that has entered into an agreement with another authority that does not contain a certified technology park to designate a distinct geographic area under section 12b, that authority that has created the certified technology park and the associated distinct geographic area may both capture under this sub-subparagraph for an additional period of 15 years as determined by the state treasurer and the president of the Michigan economic development corporation.

(C) To fund the cost of public facilities related to or for the benefit of eligible property located within a next Michigan development area to the extent that the public facilities have been included in a development plan, not to exceed 50%, as determined by the state treasurer, of the amounts levied by the state pursuant to the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, and local and intermediate school districts for a period not to exceed 15 years, as determined by the state treasurer, if the state treasurer determines that the capture under this sub-subparagraph is necessary to reduce unemployment, promote economic growth, and increase capital investment in the authority district.

(*iii*) Tax increment revenues do not include any of the following:

(A) Ad valorem property taxes or specific local taxes that are excluded from and not made part of the tax increment financing plan. Ad valorem personal property taxes or specific local taxes associated with personal property may be excluded from and may not be part of the tax increment financing plan.

(B) Ad valorem property taxes and specific local taxes attributable to ad valorem property taxes excluded by the tax increment financing plan of the authority from the determination of the amount of tax increment revenues to be transmitted to the authority.

(C) Ad valorem property taxes exempted from capture under section 4(3) or specific local taxes attributable to such ad valorem property taxes.

(D) Ad valorem property taxes specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit or specific local taxes attributable to such ad valorem property taxes.

(E) The amount of ad valorem property taxes or specific taxes captured by a downtown development authority under 1975 PA 197, MCL 125.1651 to 125.1681, tax increment financing authority under the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, or brownfield redevelopment authority under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672, if those taxes were captured by these other authorities on the date that the initial assessed value of a parcel of property was established under this act.

(*iv*) The amount of tax increment revenues authorized to be included under subparagraph (*ii*), and required to be transmitted to the authority under section 13(1), from ad valorem property taxes and specific local taxes attributable to the application of the levy of the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, or a local school district or an intermediate school district upon the captured assessed value of real and personal property in a development area shall be determined separately for the levy by the state, each school district, and each intermediate school district as the product of sub-subparagraphs (A) and (B):

(A) The percentage that the total ad valorem taxes and specific local taxes available for distribution by law to the state, local school district, or intermediate school district, respectively, bears to the aggregate amount of ad valorem millage taxes and specific taxes available for distribution by law to the state, each local school district, and each intermediate school district.

(B) The maximum amount of ad valorem property taxes and specific local taxes considered tax increment revenues under subparagraph (*ii*).

(kk) "Transit-oriented development" means infrastructure improvements that are located within 1/2 mile of a transit station or transit-oriented facility that promotes transit ridership or passenger rail use as determined by the board and approved by the municipality in which it is located.

(*ll*) "Transit-oriented facility" means a facility that houses a transit station in a manner that promotes transit ridership or passenger rail use.

(mm) "Urban township" means a township that meets 1 or more of the following:

(*i*) Meets all of the following requirements:

(A) Has a population of 20,000 or more, or has a population of 10,000 or more but is located in a county with a population of 400,000 or more.

(B) Adopted a master zoning plan before February 1, 1987.

(C) Provides sewer, water, and other public services to all or a part of the township.

(*ii*) Meets all of the following requirements:

(A) Has a population of less than 20,000.

(B) Is located in a county with a population of 250,000 or more but less than 400,000, and that county is located in a metropolitan statistical area.

(C) Has within its boundaries a parcel of property under common ownership that is 800 acres or larger and is capable of being served by a railroad, and located within 3 miles of a limited access highway.

(D) Establishes an authority before December 31, 1998.

(*iii*) Meets all of the following requirements:

(A) Has a population of less than 20,000.

(B) Has a state equalized valuation for all real and personal property located in the township of more than $200,000,000.00.

(C) Adopted a master zoning plan before February 1, 1987.

(D) Is a charter township under the charter township act, 1947 PA 359, MCL 42.1 to 42.34.

(E) Has within its boundaries a combination of parcels under common ownership that is 800 acres or larger, is immediately adjacent to a limited access highway, is capable of being served by a railroad, and is immediately adjacent to an existing sewer line.

(F) Establishes an authority before March 1, 1999.

(*iv*) Meets all of the following requirements:

(A) Has a population of 13,000 or more.

(B) Is located in a county with a population of 150,000 or more.

(C) Adopted a master zoning plan before February 1, 1987.

(*v*) Meets all of the following requirements:

(A) Is located in a county with a population of 1,000,000 or more.

(B) Has a written agreement with an adjoining township to develop 1 or more public facilities on contiguous property located in both townships.

(C) Has a master plan in effect.

(*vi*) Meets all of the following requirements:

(A) Has a population of less than 10,000.

(B) Has a state equalized valuation for all real and personal property located in the township of more than $280,000,000.00.

(C) Adopted a master zoning plan before February 1, 1987.

(E) Has rail service.

(F) Establishes an authority before May 7, 2009.

(*vii*) Has joined an authority under section 3(2) which is seeking or has entered into an agreement for a certified technology park.

(*viii*) Has established an authority which is seeking or has entered into an agreement for a certified alternative energy park.

Sec. 3. (1) Except as otherwise provided by subsection (2), a municipality may establish not more than 1 authority under the provisions of this act. An authority established under this subsection shall exercise its powers in all authority districts.

(2) In addition to an authority established under subsection (1), a municipality may join with 1 or more other municipalities located within the same county to establish an authority under this act. An authority created under this subsection may only exercise its powers in a certified technology park designated in an agreement made under section 12a or 12b or in a certified alternative energy park designated in an agreement under section 12c. A municipality shall not establish more than 1 authority under this subsection.

(3) A next Michigan development corporation may establish not more than 1 authority under the provisions of this act. An authority established under this subsection shall exercise its powers within its authority district and in all next Michigan development areas. The authority district in which the authority may exercise its powers shall include all or

part of the territory of a next Michigan development corporation, as determined by the governing body of the next Michigan development corporation.

(4) The authority shall be a public body corporate which may sue and be sued in any court of this state. The authority possesses all the powers necessary to carry out the purpose of its incorporation. The enumeration of a power in this act shall not be construed as a limitation upon the general powers of the authority. The powers granted in this act to an authority may be exercised notwithstanding that bonds are not issued by the authority.

Sec. 4. (1) The governing body of a municipality may declare by resolution adopted by a majority of its members elected and serving its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body proposing to create the authority shall set a date for holding a public hearing on the adoption of a proposed resolution creating the authority and designating the boundaries of the authority district or districts. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 nor more than 40 days before the date of the hearing. Except as otherwise provided in subsection (8), not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in a proposed authority district and, for a public hearing to be held after February 15, 1994, to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice shall not invalidate these proceedings. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed authority district or districts. At that hearing, a resident, taxpayer, or property owner from a taxing jurisdiction in which the proposed district is located or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of that proposed authority district. The governing body of the municipality in which a proposed district is to be located shall not incorporate land into an authority district not included in the description contained in the notice of public hearing, but it may eliminate lands described in the notice of public hearing from an authority district in the final determination of the boundaries.

(3) Except as otherwise provided in subsection (8), not more than 60 days after a public hearing held after February 15, 1994, the governing body of a taxing jurisdiction with millage that would otherwise be subject to capture may exempt its taxes from capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality proposing to create the authority. However, a resolution by a governing body of a taxing jurisdiction to exempt its taxes from capture is not effective for the capture of taxes that are used for a certified technology park or a certified alternative energy park. The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

(4) Except as otherwise provided in subsection (8), not less than 60 days after the public hearing or a shorter period as determined by the governing body for a certified technology park or a certified alternative energy park, if the governing body creating the authority intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members elected and serving, a resolution establishing the authority and designating the boundaries of the authority district or districts within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions with respect to the approval or disapproval of resolutions by the chief executive officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(5) The governing body may alter or amend the boundaries of an authority district to include or exclude lands from that authority district or create new authority districts pursuant to the same requirements prescribed for adopting the resolution creating the authority.

(6) The validity of the proceedings establishing an authority shall be conclusive unless contested in a court of competent jurisdiction within 60 days after the last of the following takes place:

(a) Publication of the resolution creating the authority as adopted.

(b) Filing of the resolution creating the authority with the secretary of state.

(7) Except as otherwise provided by this subsection, if 2 or more municipalities desire to establish an authority under section 3(2), each municipality in which the authority district will be located shall comply with the procedures prescribed by this act. The notice required by subsection (2) may be published jointly by the municipalities establishing the authority. The resolutions establishing the authority shall include, or shall approve an agreement including, provisions governing the number of members on the board, the method of appointment, the members to be represented by governmental units or agencies, the terms of initial and subsequent appointments to the board, the manner in which a member of the board may be removed for cause before the expiration of his or her term, the manner in which the

authority may be dissolved, and the disposition of assets upon dissolution. An authority described in this subsection shall not be considered established unless all of the following conditions are satisfied:

(a) A resolution is approved and filed with the secretary of state by each municipality in which the authority district will be located.

(b) The same boundaries have been approved for the authority district by the governing body of each municipality in which the authority district will be located.

(c) The governing body of the county in which a majority of the authority district will be located has approved by resolution the creation of the authority.

(8) For an authority created under section 3(3), except as otherwise provided by this subsection, the next Michigan development corporation shall comply with the procedures prescribed for a municipality by subsections (1) and (2) and this subsection. The provisions of subsections (3) and (4) shall not apply to an authority exercising its powers under section 3(3). The notice required by subsection (2) may be published by the next Michigan development corporation in a newspaper or newspapers of general circulation within the municipalities which are constituent members of the next Michigan development corporation, and notice shall not be required to be mailed to the property taxpayers of record in the proposed authority district. The governing body of the next Michigan development corporation shall be the governing body of the authority. A taxing jurisdiction levying ad valorem taxes within the authority district that would otherwise be subject to capture which is not a party to the intergovernmental agreement may exempt its taxes from capture by adopting a resolution to that effect and filing a copy not more than 60 days after the public hearing with the recording officer of the next Michigan development corporation. The next Michigan development corporation shall mail notice of the public hearing to the governing body of each taxing jurisdiction which is not a party to the intergovernmental agreement not less than 20 days before the hearing. Following the public hearing, the governing body of the next Michigan development corporation shall adopt a resolution designating the boundaries of the authority district within which the authority shall exercise its powers, which may include any certified technology park within the proposed authority district in accordance with this subsection and may include property adjacent to or within 1,500 feet of a road classified as an arterial or collector according to the federal highway administration manual "Highway Functional Classification - Concepts, Criteria and Procedures" or of another road in the discretion of the next Michigan development corporation, and property adjacent to that property within the territory of the next Michigan development corporation, as provided in the resolution. The resolution shall be effective when adopted, shall be filed with the secretary of state and the president of the Michigan strategic fund promptly after its adoption, and shall be published at least once in a newspaper of general circulation in the territory of the next Michigan development corporation. If an authority district designated under this subsection or subsequently amended includes a certified technology park which is within the authority district of another authority and which is subject to an existing development plan or tax increment financing plan, then that certified technology park may be considered to be under the jurisdiction of the authority established under section 3(3) if so provided in a resolution of the authority established under section 3(3) and if approved by resolution of the governing body of the municipality which created the other authority, and by the president of the Michigan strategic fund. If so provided and approved, then the development plan and tax increment financing plan applicable to the certified technology park, including all assets and obligations under the plans, shall be considered assigned and transferred from the other authority to the authority created under section 3(3), and the initial assessed value of the certified technology park prior to the transfer shall remain the initial assessed value of the certified technology park following the transfer. The transfer shall be effective as of the later of the effective date of the resolution of the authority established under section 3(3), the resolution approved by the governing body of the municipality which created the other authority, and the approval of the president of the Michigan strategic fund.

Sec. 11b. (1) If the amount of tax increment revenues lost as a result of the personal property tax exemptions provided by section 1211(4) of the revised school code, 1976 PA 451, MCL 380.1211, section 3 of the state education tax act, 1993 PA 331, MCL 211.903, section 14(4) of 1974 PA 198, MCL 207.564, and section 9k of the general property tax act, 1893 PA 206, MCL 211.9k, will reduce the allowable school tax capture received in a fiscal year, then, notwithstanding any other provision of this act, the authority, with approval of the department of treasury under subsection (3), may request the local tax collecting treasurer to retain and pay to the authority taxes levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, to be used for the following:

(a) To repay an eligible advance.

(b) To repay an eligible obligation.

(c) To repay an other protected obligation.

(d) To pay an advance or an obligation identified in a development plan, or an amendment to that plan for property located in a certified technology park approved by board of the authority not later than 90 days after July 19, 2010 if the plan contains all of the following and the plan for the capture of school taxes has been approved within 1 year after July 19, 2010:

(*i*) A detailed description of the project.

(*ii*) A statement of the estimated cost of the project.

(*iii*) The specific location of the project.

(*iv*) The name of any developer of the project.

(e) To pay an advance or an obligation identified in a development plan, or an amendment to that plan for property located in a certified alternative energy park approved by the board of the authority if the plan contains all of the following and the plan for the capture of school taxes has been approved not later than December 31, 2012:

(*i*) A detailed description of the project.

(*ii*) A statement of the estimated cost of the project.

(*iii*) The specific location of the project.

(*iv*) The name of any developer of the project.

(2) Not later than June 15, 2008, not later than September 30, 2009, and not later than June 1 of each subsequent year, an authority eligible under subsection (1) to have taxes levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, retained and paid to the authority under this section, shall apply for approval with the department of treasury. The application for approval shall include the following information:

(a) The property tax millage rates expected to be levied by local school districts within the jurisdictional area of the authority for school operating purposes for that fiscal year.

(b) The tax increment revenues estimated to be received by the authority for that fiscal year based upon actual property tax levies of all taxing jurisdictions within the jurisdictional area of the authority.

(c) The tax increment revenues the authority estimates it would have received for that fiscal year if the personal property tax exemptions described in subsection (1) were not in effect.

(d) A list of eligible obligations, eligible advances, other protected obligations, and advances and obligations described in subsection (1)(d) for expenditures authorized in a certified technology park or described in subsection (1)(e) for expenditures authorized in a certified alternative energy park; the payments due on each of those in that fiscal year; and the total amount of payments due on all of those in that fiscal year.

(e) The amount of money, other than tax increment revenues, estimated to be received in that fiscal year by the authority that is primarily pledged to, and to be used for, the payment of an eligible obligation, the repayment of an eligible advance, the payment of another protected obligation, the payment of obligations or advances described in subsection (1)(d) for expenditures authorized in a certified technology park, or the payment of obligations or advances described in subsection (1)(e) for expenditures authorized in a certified alternative energy park. That amount shall not include excess tax increment revenues of the authority that are permitted by law to be retained by the authority for purposes that further the development program. However, that amount shall include money to be obtained from sources authorized by law, which law is enacted on or after December 1, 1993, for use by the municipality or authority to finance a development plan.

(f) The amount of a distribution received pursuant to this act for a fiscal year in excess of or less than the distribution that would have been required if calculated upon actual tax increment revenues received for that fiscal year.

(3) Not later than August 15, 2008; for 2009 only, not later than 30 days after the effective date of the amendatory act that amended this sentence; and not later than August 15 of each subsequent year, based on the calculations under subsection (5), the department of treasury shall approve, modify, or deny the application for approval to have taxes levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, retained and paid to the authority under this section. If the application for approval contains the information required under subsection (2)(a) through (f) and appears to be in substantial compliance with the provisions of this section, then the department of treasury shall approve the application. If the application is denied by the department of treasury, then the department of treasury shall provide the opportunity for a representative of the authority to discuss the denial within 21 days after the denial occurs and shall sustain or modify its decision within 30 days after receiving information from the authority. If the application for approval is approved or modified by the department of treasury, the local tax collecting treasurer shall retain and pay to the authority the amount described in subsection (5) as approved by the department. If the department of treasury denies the authority's application for approval, the local tax collecting treasurer shall not retain or pay to the authority the taxes levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906. An approval by the department does not prohibit a subsequent audit of taxes retained in accordance with the procedures currently authorized by law.

(4) Each year, the legislature shall appropriate and distribute an amount sufficient to pay each authority the following:

(a) If the amount to be retained and paid under subsection (3) is less than the amount calculated under subsection (5), the difference between those amounts.

(b) If the application for approval is denied by the department of treasury, an amount verified by the department equal to the amount calculated under subsection (5).

(5) Subject to subsection (6), the aggregate amount under this section shall be the sum of the amounts determined under subdivisions (a) and (b) minus the amount determined under subdivision (c), as follows:

(a) The amount by which the tax increment revenues the authority would have received and retained for the fiscal year, excluding taxes exempt under section 7ff of the general property tax act, 1893 PA 206, MCL 211.7ff, if the personal property tax exemptions described in subsection (1) were not in effect, exceed the tax increment revenues the authority actually received for the fiscal year.

(b) A shortfall required to be reported under subsection (2)(f) that had not previously increased a distribution.

(c) An excess amount required to be reported under subsection (2)(f) that had not previously decreased a distribution.

(6) A distribution or taxes retained under this section replacing tax increment revenues pledged by an authority or a municipality are subject to any lien of the pledge described in subsection (1), whether or not there has been physical delivery of the distribution.

(7) Obligations for which distributions are made under this section are not a debt or liability of this state; do not create or constitute an indebtedness, liability, or obligation of this state; and are not and do not constitute a pledge of the faith and credit of this state.

(8) Not later than September 15 of each year, the authority shall provide a copy of the application for approval approved by the department of treasury to the local tax collecting treasurer and provide the amount of the taxes retained and paid to the authority under subsection (5).

(9) Calculations of amounts retained and paid and appropriations to be distributed under this section shall be made on the basis of each development area of the authority.

(10) The state tax commission may provide that the reimbursement calculations under this section and the calculation of allowable capture of school taxes shall be made for each calendar year's tax increment revenues using a 12-month debt payment period used by the authority and approved by the state tax commission.

(11) It is the intent of the legislature that, to the extent that the total amount of taxes levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, that are allowed to be retained under this section and section 15a of the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2665a, section 12b of the tax increment financing act, 1980 PA 450, MCL 125.1812b, and section 13c of 1975 PA 197, MCL 125.1663c, exceeds the difference of the total school aid fund revenue for the tax year minus the estimated amount of revenue the school aid fund would have received for the tax year had the tax exemptions described in subsection (1) and the earmark created by section 515 of the Michigan business tax act, 2007 PA 36, MCL 208.1515, not taken effect, the general fund shall reimburse the school aid fund the difference.

Sec. 12. (1) If the board determines that it is necessary for the achievement of the purposes of this act, the board shall prepare and submit a tax increment financing plan to the governing body. The plan shall be in compliance with section 13 and shall include a development plan as provided in section 15. The plan shall also contain the following:

(a) A statement of the reasons that the plan will result in the development of captured assessed value that could not otherwise be expected. The reasons may include, but are not limited to, activities of the municipality, authority, or others undertaken before formulation or adoption of the plan in reasonable anticipation that the objectives of the plan would be achieved by some means.

(b) An estimate of the captured assessed value for each year of the plan. The plan may provide for the use of part or all of the captured assessed value or, subject to subsection (3), of the tax increment revenues attributable to the levy of any taxing jurisdiction, but the portion intended to be used shall be clearly stated in the plan. The board or the municipality creating the authority may exclude from captured assessed value a percentage of captured assessed value as specified in the plan or growth in property value resulting solely from inflation. If excluded, the plan shall set forth the method for excluding growth in property value resulting solely from inflation.

(c) The estimated tax increment revenues for each year of the plan.

(d) A detailed explanation of the tax increment procedure.

(e) The maximum amount of note or bonded indebtedness to be incurred, if any.

(f) The amount of operating and planning expenditures of the authority and municipality, the amount of advances extended by or indebtedness incurred by the municipality, and the amount of advances by others to be repaid from tax increment revenues.

(g) The costs of the plan anticipated to be paid from tax increment revenues as received.

(h) The duration of the development plan and the tax increment plan.

(i) An estimate of the impact of tax increment financing on the revenues of all taxing jurisdictions in which the eligible property is or is anticipated to be located.

(j) A legal description of the eligible property to which the tax increment financing plan applies or shall apply upon qualification as eligible property.

(k) An estimate of the number of jobs to be created as a result of implementation of the tax increment financing plan.

(*l*) The proposed boundaries of a certified technology park to be created under an agreement proposed to be entered into pursuant to section 12a, or of a certified alternative energy park to be created under an agreement proposed to be entered into pursuant to section 12c, or of a next Michigan development area designated under section 12e, an identification of the real property within the certified technology park, the certified alternative energy park, or the next Michigan development area to be included in the tax increment financing plan for purposes of determining tax increment revenues, and whether personal property located in the certified technology park, the certified alternative energy park, or the next Michigan development area is exempt from determining tax increment revenues.

(2) Except as provided in subsection (7), a tax increment financing plan shall provide for the use of tax increment revenues for public facilities for eligible property whose captured assessed value produces the tax increment revenues or, to the extent the eligible property is located within a business development area or a next Michigan development area, for other eligible property located in the business development area or the next Michigan development area. Public facilities for eligible property include the development or improvement of access to and around, or within the eligible property, of road facilities reasonably required by traffic flow to be generated by the eligible property, and the development or improvement of public facilities that are necessary to service the eligible property, whether or not located on that eligible property. If the eligible property identified in the tax increment financing plan is property to which section 2(p)(*iv*) applies, the tax increment financing plan shall not provide for the use of tax increment revenues for public facilities other than those described in the development plan as of April 1, 1991. Whether or not provided in the tax increment financing plan, if the eligible property identified in the tax increment financing plan is property to which section 2(s)(*iv*) applies, then to the extent that captured tax increment revenues are utilized for the costs of cleanup of identified soil and groundwater contamination, the captured tax increment revenues shall be first credited against the shares of responsibility for the total costs of cleanup of uncollectible parties who are responsible for the identified soil and groundwater contamination pursuant to law, and then shall be credited on a pro rata basis against the shares of responsibility for the total costs of cleanup of other parties who are responsible for the identified soil and groundwater contamination pursuant to law.

(3) The percentage of taxes levied for school operating purposes that is captured and used by the tax increment financing plan and the tax increment financing plans under 1975 PA 197, MCL 125.1651 to 125.1681, the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, and the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672, shall not be greater than the percentage capture and use of taxes levied by a municipality or county for operating purposes under the tax increment financing plan and tax increment financing plans under 1975 PA 197, MCL 125.1651 to 125.1681, the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, and the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672. For purposes of the previous sentence, taxes levied by a county for operating purposes include only millage allocated for county or charter county purposes under the property tax limitation act, 1933 PA 62, MCL 211.201 to 211.217a.

(4) Except as otherwise provided by this subsection, approval of the tax increment financing plan shall be in accordance with the notice, hearing, disclosure, and approval provisions of sections 16 and 17. If the development plan is part of the tax increment financing plan, only 1 hearing and approval procedure is required for the 2 plans together. For a plan submitted by an authority established by 2 or more municipalities under sections 3(2) and 4(7) or by an authority established by a next Michigan development corporation under sections 3(3) and 4(8), the notice required by section 16 may be published jointly by the municipalities in which the authority district is located or by the next Michigan development corporation. For a plan submitted by an authority exercising its powers under sections 3(2) and 4(7), the plan shall not be considered approved unless each governing body in which the authority district is located makes the determinations required by section 17 and approves the same plan, including the same modifications, if any, made to the plan by any other governing body. A plan submitted by an authority exercising its powers under sections 3(3) and 4(8) shall be approved if the governing body of the next Michigan development corporation makes the determinations required by section 17.

(5) Before the public hearing on the tax increment financing plan, the governing body shall provide a reasonable opportunity to the taxing jurisdictions levying taxes subject to capture to express their views and recommendations regarding the tax increment financing plan. The authority shall fully inform the taxing jurisdictions about the fiscal and economic implications of the proposed tax increment financing plan. The taxing jurisdictions may present their recommendations at the public hearing on the tax increment financing plan. The authority may enter into agreements with the taxing jurisdictions and the governing body of the municipality in which the authority district is located to share a portion of the captured assessed value of the district or to distribute tax increment revenues among taxing jurisdictions. Upon adoption of the plan, the collection and transmission of the amount of tax increment revenues, as specified in this act, shall be binding on all taxing units levying ad valorem property taxes or specific local taxes against property located in the authority district.

(6) Property qualified as a public facility under section 2(ff)(*ii*) that is acquired by an authority may be sold, conveyed, or otherwise disposed to any person, public or private, for fair market value or reasonable monetary consideration established by the authority with the concurrence of the Michigan economic development corporation and the municipality in which the eligible property is located based on a fair market value appraisal from a fee appraiser

only if the property is sold for fair market value. Unless the property acquired by an authority was located within a certified business park, a certified technology park, a certified alternative energy park, or a next Michigan development area at the time of disposition, an authority shall remit all monetary proceeds received from the sale or disposition of property that qualified as a public facility under section 2(ff)(*ii*) and was purchased with tax increment revenues to the taxing jurisdictions. Proceeds distributed to taxing jurisdictions shall be remitted in proportion to the amount of tax increment revenues attributable to each taxing jurisdiction in the year the property was acquired. If the property was acquired in part with funds other than tax increment revenues, only that portion of the monetary proceeds received upon disposition that represent the proportion of the cost of acquisition paid with tax increment revenues is required to be remitted to taxing jurisdictions. If the property is located within a certified business park, a certified technology park, or a certified alternative energy park, or a next Michigan development area at the time of disposition, the monetary proceeds received from the sale or disposition of that property may be retained by the authority for any purpose necessary to further the development program for the certified business park, certified technology park, certified alternative energy park, or next Michigan development area in accordance with the tax increment financing plan.

(7) The tax increment financing plan may provide for the use of tax increment revenues from a certified technology park for public facilities for any eligible property located in the certified technology park. The tax increment financing plan may provide for the use of tax increment revenues from a certified alternative energy park for public facilities for any eligible property located in the certified alternative energy park. The tax increment financing plan may provide for the use of tax increment revenues within or without the development area from which the tax increment revenues are derived, provided that the tax increment revenues shall be used for public facilities within a next Michigan development area within the municipality whose levy has contributed to the tax increment revenues except as otherwise provided in the interlocal agreement creating the next Michigan development corporation that established the authority.

(8) If title to property qualified as a public facility under section 2(ff)(*ii*) and acquired by an authority with tax increment revenues is sold, conveyed, or otherwise disposed of pursuant to subsection (6) for less than fair market value, the authority shall enter into an agreement relating to the use of the property with the person to whom the property is sold, conveyed, or disposed of, which agreement shall include a penalty provision addressing repayment to the authority if any interest in the property is sold, conveyed, or otherwise disposed of by the person within 12 years after the person received title to the property from the authority. This subsection shall not require enforcement of a penalty provision for a conveyance incident to a merger, acquisition, reorganization, sale-lease back transaction, employee stock ownership plan, or other change in corporate or business form or structure.

(9) The penalty provision described in subsection (8) shall not be less than an amount equal to the difference between the fair market value of the property when originally sold, conveyed, or otherwise disposed of and the actual consideration paid by the person to whom the property was originally sold, conveyed, or otherwise disposed of.

Sec. 12a. (1) A municipality that has created an authority may apply to the Michigan economic development corporation for designation of all or a portion of the authority district as a certified technology park and to enter into an agreement governing the terms and conditions of the designation. The form of the application shall be in a form specified by the Michigan economic development corporation and shall include information the Michigan economic development corporation determines necessary to make the determinations required under this section.

(2) After receipt of an application, the Michigan economic development corporation may designate, pursuant to an agreement entered into under subsection (3), a certified technology park that is determined by the Michigan economic development corporation to satisfy 1 or more of the following criteria based on the application:

(a) A demonstration of significant support from an institution of higher education, a private research-based institute, or a large, private corporate research and development center located within the proximity of the proposed certified technology park, as evidenced by, but not limited to, the following types of support:

(*i*) Grants of preferences for access to and commercialization of intellectual property.

(*ii*) Access to laboratory and other facilities owned by or under control of the institution of higher education or private research-based institute.

(*iii*) Donations of services.

(*iv*) Access to telecommunication facilities and other infrastructure.

(*v*) Financial commitments.

(*vi*) Access to faculty, staff, and students.

(*vii*) Opportunities for adjunct faculty and other types of staff arrangements or affiliations.

(b) A demonstration of a significant commitment on behalf of the institution of higher education, private research-based institute, or a large, private corporate research and development center to the commercialization of research produced at the certified technology park, as evidenced by the intellectual property and, if applicable, tenure policies that reward faculty and staff for commercialization and collaboration with private businesses.

(c) A demonstration that the proposed certified technology park will be developed to take advantage of the unique characteristics and specialties offered by the public and private resources available in the area in which the proposed certified technology park will be located.

(d) The existence of or proposed development of a business incubator within the proposed certified technology park that exhibits the following types of resources and organization:

(*i*) Significant financial and other types of support from the public or private resources in the area in which the proposed certified technology park will be located.

(*ii*) A business plan exhibiting the economic utilization and availability of resources and a likelihood of successful development of technologies and research into viable business enterprises.

(*iii*) A commitment to the employment of a qualified full-time manager to supervise the development and operation of the business incubator.

(e) The existence of a business plan for the proposed certified technology park that identifies its objectives in a clearly focused and measurable fashion and that addresses the following matters:

(*i*) A commitment to new business formation.

(*ii*) The clustering of businesses, technology, and research.

(*iii*) The opportunity for and costs of development of properties under common ownership or control.

(*iv*) The availability of and method proposed for development of infrastructure and other improvements, including telecommunications technology, necessary for the development of the proposed certified technology park.

(*v*) Assumptions of costs and revenues related to the development of the proposed certified technology park.

(f) A demonstrable and satisfactory assurance that the proposed certified technology park can be developed to principally contain eligible property as defined by section 2(s)(*iii*) and (*v*).

(3) An authority and a municipality that incorporated the authority may enter into an agreement with the Michigan economic development corporation establishing the terms and conditions governing the certified technology park. Upon designation of the certified technology park pursuant to the terms of the agreement, the subsequent failure of any party to comply with the terms of the agreement shall not result in the termination or rescission of the designation of the area as a certified technology park. The agreement shall include, but is not limited to, the following provisions:

(a) A description of the area to be included within the certified technology park.

(b) Covenants and restrictions, if any, upon all or a portion of the properties contained within the certified technology park and terms of enforcement of any covenants or restrictions.

(c) The financial commitments of any party to the agreement and of any owner or developer of property within the certified technology park.

(d) The terms of any commitment required from an institution of higher education or private research-based institute for support of the operations and activities at eligible properties within the certified technology park.

(e) The terms of enforcement of the agreement, which may include the definition of events of default, cure periods, legal and equitable remedies and rights, and penalties and damages, actual or liquidated, upon the occurrence of an event of default.

(f) The public facilities to be developed for the certified technology park.

(g) The costs approved for public facilities under section 2(dd).

(4) If the Michigan economic development corporation has determined that a sale price or rental value at below market rate will assist in increasing employment or private investment in the certified technology park, the authority and municipality have authority to determine the sale price or rental value for public facilities owned or developed by the authority and municipality in the certified technology park at below market rate.

(5) If public facilities developed pursuant to an agreement entered into under this section are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure the public facilities are used as eligible property. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

(6) Except as otherwise provided in this section, an agreement designating a certified technology park may not be made after December 31, 2002, but any agreement made on or before December 31, 2002 may be amended after that date. However, the Michigan economic development corporation may enter into an agreement with a municipality after December 31, 2002 and on or before December 31, 2005 if that municipality has adopted a resolution of interest to create a certified technology park before December 31, 2002.

(7) The Michigan economic development corporation shall market the certified technology parks and the certified business parks. The Michigan economic development corporation and an authority may contract with each other or any third party for these marketing services.

(8) Except as otherwise provided in subsections (9), (10), and (11), the Michigan economic development corporation shall not designate more than 10 certified technology parks. For purposes of this subsection only, 2 certified technology parks located in a county that contains a city with a population of more than 750,000, shall be counted as 1 certified technology park. Not more than 7 of the certified technology parks designated under this section may not include a firm commitment from at least 1 business engaged in a high technology activity creating a significant number of jobs.

(9) The Michigan economic development corporation may designate an additional 5 certified technology parks after November 1, 2002 and before December 31, 2007. The Michigan economic development corporation shall not accept applications for the additional certified technology parks under this subsection until after November 1, 2002.

(10) The Michigan economic development corporation may designate an additional 3 certified technology parks after February 1, 2008 and before December 31, 2008. The Michigan economic development corporation shall not accept applications for the additional certified technology parks under this subsection until after February 1, 2008.

(11) The Michigan economic development corporation may designate an additional 3 certified technology parks before March 31, 2013. It is the intent of the legislature that after the additional 3 certified technology parks are designated under this subsection, no additional certified technology parks shall be designated under this section.

(12) The Michigan economic development corporation shall give priority to applications that include new business activity.

(13) For an authority established by 2 or more municipalities under sections 3(2) and 4(7), each municipality in which the authority district is located by a majority vote of the members of its governing body may make a limited tax pledge to support the authority's tax increment bonds issued under section 14 or, if authorized by the voters of the municipality, may pledge its full faith and credit for the payment of the principal of and interest on the bonds. The municipalities that have made a pledge to support the authority's tax increment bonds may approve by resolution an agreement among themselves establishing obligations each may have to the other party or parties to the agreement for reimbursement of all or any portion of a payment made by a municipality related to its pledge to support the authority's tax increment bonds.

(14) Not including certified technology parks designated under subsection (8), but for certified technology parks designated under subsections (9), (10), and (11) only, this state shall do all of the following:

(a) Reimburse intermediate school districts each year for all tax revenue lost that was captured by an authority for a certified technology park designated by the Michigan economic development corporation after October 3, 2002.

(b) Reimburse local school districts each year for all tax revenue lost that was captured by an authority for a certified technology park designated by the Michigan economic development corporation after October 3, 2002.

(c) Reimburse the school aid fund from funds other than those appropriated in section 11 of the state school aid act of 1979, 1979 PA 94, MCL 388.1611, for an amount equal to the reimbursement calculations under subdivisions (a) and (b) and for all revenue lost that was captured by an authority for a certified technology park designated by the Michigan economic development corporation after October 3, 2002. Foundation allowances calculated under section 20 of the state school aid act of 1979, 1979 PA 94, MCL 388.1620, shall not be reduced as a result of tax revenue lost that was captured by an authority for a certified technology park designated by the Michigan economic development corporation under subsection (9), (10), or (11) after October 3, 2002.

Sec. 12c. (1) A municipality that has created an authority may apply to the Michigan economic development corporation for designation of all or a portion of the authority district as a certified alternative energy park and to enter into an agreement governing the terms and conditions of the designation. The form of the application shall be in a form specified by the Michigan economic development corporation and shall include information the Michigan economic development corporation determines necessary to make the determinations required under this section.

(2) After receipt of an application, the Michigan economic development corporation may designate, pursuant to an agreement entered into under subsection (3), a certified alternative energy park that is determined by the Michigan economic development corporation to satisfy 1 or more of the following criteria based on the application:

(a) A demonstration that the proposed alternative energy park will be developed to take advantage of the unique characteristics and specialties offered by public and private resources available in the area in which the proposed certified alternative energy park will be located.

(b) The existence of or strong likelihood of attracting alternative energy technology businesses to the proposed alternative energy park by exhibiting the following types of resources and organization:

(*i*) Significant financial and other types of support from the public or private resources in the area.

(*ii*) Proposed or actual ownership of land in sufficient quantity as to attract 1 or more major alternative energy technology businesses.

(c) The existence of a business plan for the proposed certified alternative energy park that identifies its objectives in a clearly focused and measurable fashion and that addresses the following matters:

(*i*) A commitment to new business formation or major business attraction.

(*ii*) The clustering of businesses, technology, and research within the region.

(*iii*) The opportunity for and costs of development of properties under common ownership or control.

(*iv*) The availability of and method proposed for development and sale or conveyance of shovel-ready sites to include infrastructure and other improvements, including telecommunications technology, necessary for the successful development of the proposed certified alternative energy park.

(*v*) Assumptions of costs and revenues related to the development of the proposed certified alternative energy park.

(d) A demonstrable and satisfactory assurance that the proposed certified alternative energy park can be developed to principally contain eligible property as defined by section 2(s)(*v*) and (*vi*).

(e) The proposed certified alternative energy park includes a military installation that was operated by the United States department of defense and closed after 1980.

(3) An authority and a municipality that incorporated the authority may enter into an agreement with the Michigan economic development corporation establishing the terms and conditions governing the certified alternative energy park. Upon designation of the certified alternative energy park pursuant to the terms of the agreement, the subsequent failure of any party to comply with the terms of the agreement shall not result in the termination or rescission of the designation of the area as a certified alternative energy park. The agreement shall include, but is not limited to, the following provisions:

(a) A description of the area to be included within the certified alternative energy park.

(b) Covenants and restrictions, if any, upon all or a portion of the properties contained within the certified alternative energy park and terms of enforcement of any covenants or restrictions.

(c) The financial commitments of any party to the agreement and of any owner or developer of property, including sale or transfer of ownership or options thereto upon designation of a certified alternative energy park for property within the certified alternative energy park.

(d) The terms of enforcement of the agreement, which may include the definition of events of default, cure periods, legal and equitable remedies and rights, and penalties and damages, actual or liquidated, upon the occurrence of an event of default.

(e) Proposed method of ownership of the land within the certified alternative energy park.

(f) The costs approved for public facilities under section 2(dd).

(g) Proposed method of operating the certified alternative energy park.

(4) If the Michigan economic development corporation has determined that a sale price or rental value at below market rate will assist in increasing employment or private investment in the certified alternative energy park, the authority and municipality have authority to determine the sale price or rental value for public facilities owned or developed by the authority and municipality in the certified alternative energy park at below market rate.

(5) If public facilities developed pursuant to an agreement entered into under this section are conveyed or leased at less than fair market value or at below market rates, the terms of the conveyance or lease shall include legal and equitable remedies and rights to assure that the public facilities are used as eligible property. Legal and equitable remedies and rights may include penalties and actual or liquidated damages.

(6) Except as otherwise provided in this section, an agreement designating a certified alternative energy park may not be made after December 31, 2012, but any agreement made on or before December 31, 2012 may be amended after that date.

(7) The Michigan economic development corporation shall not designate more than 10 certified alternative energy parks. For purposes of this subsection only, certified alternative energy parks located in the same county shall be counted as 1 certified alternative energy park.

(8) For an authority established by 2 or more municipalities under sections 3(2) and 4(7), each municipality in which the authority district is located by a majority vote of the members of its governing body may make a limited tax pledge to support the authority's tax increment bonds issued under section 14 or, if authorized by the voters of the municipality, may pledge its full faith and credit for the payment of the principal of and interest on the bonds. The municipalities that have made a pledge to support the authority's tax increment bonds may approve by resolution an agreement among themselves establishing obligations each may have to the other party or parties to the agreement for reimbursement of all or any portion of a payment made by a municipality related to its pledge to support the authority's tax increment bonds.

(9) Upon approval of the Michigan economic development corporation, the certified alternative energy park may be owned and operated by an economic development corporation created under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, or other public body agreeable to all members.

Sec. 12e. (1) A next Michigan development corporation establishing an authority under section 3(3) shall notify the Michigan economic development corporation of the designation of a next Michigan development area.

(2) The Michigan economic development corporation shall market the authority district including next Michigan development areas.

(3) For an authority exercising its powers under section 3(3), each municipality and county which is a party to the interlocal agreement establishing the next Michigan development corporation, or any 1 of them, by a majority vote of the members of its governing body, may make a limited tax pledge to support the authority's tax increment bonds issued under section 14 or, if authorized by the voters of the municipality or county, may pledge its full faith and credit for the payment of the principal of and interest on the bonds. The municipalities or counties that have made a pledge to support the authority's tax increment bonds may approve by resolution an agreement among themselves establishing obligations each may have to the other party or parties to the agreement for reimbursement of all or any portion of a payment made by a municipality or county related to its pledge to support the authority's tax increment bonds.

This act is ordered to take immediate effect.
