Senate Bill 60 (Substitute S-2 as reported)
Sponsor: Senator Mike Green
Committee: Judiciary

(as enacted)

CONTENT

The bill would amend the handgun licensure law to revise the definition of "federally licensed firearms dealer", as used in a provision exempting those dealers from the requirement to obtain a license to purchase, carry, possess, use, or transport a pistol.

The licensure law defines "federally licensed firearms dealer" as an individual who holds a type 01 dealer license under 18 USC 923. Under the bill, that would be the definition before December 18, 2012. Beginning on that date, the term would mean a person licensed to sell firearms under 18 USC 923. "Person" would mean an individual, partnership, corporation, association, or other legal entity.

The bill would be retroactive and effective on December 18, 2012.
