Senate Bill 389 (as introduced 5-23-13)
Sponsor: Senator Judy K. Emmons
Committee: Veterans, Military Affairs and Homeland Security

Date Completed: 5-31-13

CONTENT

The bill would amend Public Act 181 of 2001, which authorizes school boards to award high school diplomas to certain World War II and Korean war veterans, to permit school boards also to award high school diplomas to certain Vietnam era veterans.

The Act permits the board of a school district to award a high school diploma to a "qualified military veteran", which means a veteran who meets all of the following criteria:

- Before graduation from high school, he or she enlisted in, or was drafted into, the armed forces during World War II between December 16, 1940, and December 31, 1946, or during the Korean conflict between June 27, 1950, and January 31, 1955.
- Is at least 65 years old, if living, or had attained 65 years, if deceased.
- Did not graduate from high school.
- Served under honorable conditions during World War II or the Korean conflict.
- Was enrolled, at the time he or she was drafted or enlisted, in a high school in the district to which the application for a diploma is made.

The bill would include in the definition of "qualified military veteran" a veteran who served during the Vietnam era between February 28, 1961, and May 7, 1975. The remaining conditions that apply to a World War II or Korean war veteran also would apply to a Vietnam era veteran.
