Sponsor: Representative David Nathan  
House Committee: Regulatory Reform  
Senate Committee: Regulatory Reform

Date Completed: 5-1-14

### **CONTENT**

**The bill would amend the Michigan Liquor Control Code to delete a reference to registration requirements for auctioneers under Article 29 of the Occupational Code.**

The bill is tie-barred to House Bill 4682, which would repeal Section 28 of the State License Fee Act. (Section 28 establishes various fees for individuals registered or seeking registration as an auctioneer under Article 29 of the Occupational Code. House Bill 4682 is tie-barred to House Bill 4681, which would repeal Article 29.)

The Michigan Liquor Control Code authorizes the Liquor Control Commission to issue a wine auction license to certain people. The Code specifies that a person holding a wine auction license is not required to demonstrate compliance with the registration requirements of Article 29 of the Occupational Code. House Bill 4683 would delete that provision.
