

**SUBSTITUTE FOR
HOUSE BILL NO. 4127**

A bill to amend 1927 PA 175, entitled
"The code of criminal procedure,"
by amending section 6b (MCL 765.6b), as amended by 2008 PA 192.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6b. (1) A judge or district court magistrate may release
2 under this section a defendant subject to conditions reasonably
3 necessary for the protection of 1 or more named persons. If a judge
4 or district court magistrate releases under this section a
5 defendant subject to protective conditions, the judge or district
6 court magistrate shall make a finding of the need for protective
7 conditions and inform the defendant on the record, either orally or
8 by a writing that is personally delivered to the defendant, of the
9 specific conditions imposed and that if the defendant violates a
10 condition of release, he or she will be subject to arrest without a

1 warrant and may have his or her bail forfeited or revoked and new
2 conditions of release imposed, in addition to any other penalties
3 that may be imposed if the defendant is found in contempt of court.

4 (2) An order or amended order issued under subsection (1)
5 shall contain all of the following:

6 (a) A statement of the defendant's full name.

7 (b) A statement of the defendant's height, weight, race, sex,
8 date of birth, hair color, eye color, and any other identifying
9 information the judge or district court magistrate considers
10 appropriate.

11 (c) A statement of the date the conditions become effective.

12 (d) A statement of the date on which the order will expire.

13 (e) A statement of the conditions imposed.

14 (3) An order or amended order issued under this subsection and
15 subsection (1) may impose a condition that the defendant not
16 purchase or possess a firearm. However, if the court orders the
17 defendant to carry or wear a global positioning system device as a
18 condition of release as described in subsection (6), the court
19 shall also impose a condition that the defendant not purchase or
20 possess a firearm.

21 (4) The judge or district court magistrate shall immediately
22 direct a law enforcement agency within the jurisdiction of the
23 court, in writing, to enter an order or amended order issued under
24 subsection (1) or subsections (1) and (3) into the law enforcement
25 information network as provided by the C.J.I.S. policy council act,
26 1974 PA 163, MCL 28.211 to 28.215. If the order or amended order is
27 rescinded, the judge or district court magistrate shall immediately

1 order the law enforcement agency to remove the order or amended
2 order from the law enforcement information network.

3 (5) A law enforcement agency within the jurisdiction of the
4 court shall immediately enter an order or amended order into the
5 law enforcement information network as provided by the C.J.I.S.
6 policy council act, 1974 PA 163, MCL 28.211 to 28.215, or shall
7 remove the order or amended order from the law enforcement
8 information network upon expiration of the order or as directed by
9 the court under subsection (4).

10 (6) If a defendant who is charged with a crime involving
11 domestic violence, **OR ANY OTHER ASSAULTIVE CRIME**, is released under
12 this section, the judge or district court magistrate may order the
13 defendant to carry or wear a global positioning system device as a
14 condition of release. With the informed consent of the victim, the
15 court may also order the defendant to provide the victim of the
16 charged crime with an electronic receptor device capable of
17 receiving the global positioning system information from the device
18 carried or worn by the defendant that notifies the victim if the
19 defendant is located within a proximity to the victim as determined
20 by the judge or district court magistrate in consultation with the
21 victim. The victim shall also be furnished with a telephone contact
22 with the local law enforcement agency to request immediate
23 assistance if the defendant is located within that proximity to the
24 victim. In addition, the victim may provide the court with a list
25 of areas from which he or she would like the defendant excluded.
26 The court shall consider the victim's request and shall determine
27 which areas the defendant shall be prohibited from accessing. The

1 court shall instruct the global positioning monitoring system to
2 notify the proper authorities if the defendant violates the order.
3 In determining whether to order a defendant to participate in
4 global positioning system monitoring, the court shall consider the
5 likelihood that the defendant's participation in global positioning
6 system monitoring will deter the defendant from seeking to kill,
7 physically injure, stalk, or otherwise threaten the victim prior to
8 trial. The victim may request the court to terminate the victim's
9 participation in global positioning system monitoring of the
10 defendant at any time. The court shall not impose sanctions on the
11 victim for refusing to participate in global positioning system
12 monitoring under this subsection. A defendant described in this
13 subsection shall only be released under this section if he or she
14 agrees to pay the cost of the device and any monitoring of the
15 device as a condition of release or to perform community service
16 work in lieu of paying that cost. As used in this subsection:

26 technology but does not contain or operate any global positioning
27 system technology or radio frequency identification technology or

1 similar technology that is implanted in or otherwise invades or
2 violates the corporeal body of the individual.

3 (D) ~~(e)~~—"Informed consent" means that the victim was given
4 information concerning all of the following before consenting to
5 participate in global positioning system monitoring:

6 (i) The victim's right to refuse to participate in global
7 positioning system monitoring and the process for requesting the
8 court to terminate the victim's participation after it has been
9 ordered.

10 (ii) The manner in which the global positioning system
11 monitoring technology functions and the risks and limitations of
12 that technology, and the extent to which the system will track and
13 record the victim's location and movements.

15 positioning system monitoring.

16 (iv) Sanctions that the court may impose on the defendant for
17 violating an order issued under this subsection.

18 (v) The procedure that the victim is to follow if the
19 defendant violates an order issued under this subsection or if
20 global positioning system equipment fails.

21 (vi) Identification of support services available to assist the
22 victim to develop a safety plan to use if the court's order issued
23 under this subsection is violated or if global positioning system
24 equipment fails.

26 the victim in obtaining shelter, counseling, education, child care,

1 and effects of domestic violence.

2 (viii) The nonconfidential nature of the victim's communications
3 with the court concerning global positioning system monitoring and
4 the restrictions to be imposed upon the defendant's movements.

6 district court magistrates to impose protective or other release
7 conditions under other applicable statutes or court rules,

8 **INCLUDING ORDERING A DEFENDANT TO CARRY OR WEAR A GLOBAL**
9 **POSITIONING SYSTEM DEVICE.**
