24 work plan, provided the amendment does not change the amount of any
25 obligation under the plan, the scope of the project or projects
26 described in the plan, or the time needed to repay any obligation.

27 (iii) The tax increment financing plan identifies a particular

4 not preclude a change in the site owner or occupant, provided that
5 change in the site owner or occupant did not result from a
6 financial difficulty encountered during the construction and
7 installation of the project and provided change in the site owner
8 or occupant will not result in any change in the project.

18 increment financing plan comprises not less than 20% of the true
19 cash value of the improvements to be made as part of the specific
20 project identified in the tax increment financing plan. The
21 requirement under this subparagraph does not apply to the addition
22 of personal property as a result of the expiration of an exemption
23 under section 7k, 7ff, or 9f of the general property tax act, 1893
24 PA 206, MCL 211.7k, 211.7ff, and 211.9f.

25 (vi) Before December 31, 2012, the specific project identified
26 in the tax increment financing plan had obtained all necessary
27 local zoning approvals, including any necessary rezoning, special

1 land use, and site plan approvals for that project.

3 significant investments made in the personal property that is

12 211.9m and 211.9n, were not in effect as a result of the expiration
13 of an exemption under section 7k, 7ff, or 9f of the general
14 property tax act, 1893 PA 206, MCL 211.7k, 211.7ff, and 211.9f,

17 211.7k, was not extended under section 11a of 1974 PA 198, MCL
18 207.561a, and an exemption under section 9f of the general property
19 tax act, 1893 PA 206, MCL 211.9f, was not extended under section

23 regular meetings and adopt a regular meeting date, place, and time.
24 A special meeting of the council may be called by the chairperson
25 of the council or as provided in bylaws adopted by the council.
26 Notice of a special meeting shall be given in the manner required
27 by the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

1 (8) The council shall keep a written or printed record of each
2 meeting, which record and any other document or record prepared,
3 owned, used, in the possession of, or retained by the authority in
4 the performance of an official function shall be made available to
5 the public in compliance with the freedom of information act, 1976
6 PA 442, MCL 15.231 to 15.246.

7 (9) The council shall provide for a system of accounts for the
8 authority to conform to a uniform system required by law and for
9 the auditing of the accounts of the authority. The council shall
10 obtain an annual audit of the authority by an independent certified
11 public accountant and report on the audit and auditing procedures
12 in the manner provided by sections 6 to 13 of the uniform budgeting
13 and accounting act, 1968 PA 2, MCL 141.426 to 141.433. The audit
14 also shall be in accordance with generally accepted government
15 auditing standards.

16 (10) Before the beginning of each fiscal year, the council
17 shall prepare a budget for the authority containing an itemized
18 statement of the estimated expenses and revenue of the authority
19 from all sources for the next fiscal year. Before final adoption of
20 the budget, the council shall hold a public hearing as required by
21 1963 (2nd Ex Sess) PA 43, MCL 141.411 to 141.415, and the open
22 meetings act, 1976 PA 267, MCL 15.261 to 15.275. The council shall
23 adopt a budget for the fiscal year in compliance with the uniform
24 budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.

25 (11) The council shall adopt a procurement policy consistent
26 with the requirements of state law relating to procurement. The
27 procurement policy shall address all of the following:

1 (a) The purchase of, the contracting for, and the providing of
2 supplies, materials, services, insurance, utilities, third-party
3 financing, equipment, printing, and all other items as needed by
4 the authority to efficiently and effectively meet the needs of the
5 authority using competitive procurement methods to secure the best
6 value for the authority.

7 (b) That the council shall make all discretionary decisions
8 concerning the solicitation, award, amendment, cancellation, and
9 appeal of authority contracts.

14 applicable law.

15 (12) Members of the council are public servants subject to
16 1968 PA 317, MCL 15.321 to 15.330, and are subject to any other
17 applicable law with respect to conflicts of interest. The council
18 shall establish policies and procedures requiring periodic
19 disclosure of relationships which may give rise to conflicts of
20 interest. The council shall require that a member of the council
21 with a direct interest in any matter before the authority disclose
22 the member's interest before the council takes any action with
23 respect to the matter. The council shall establish an ethics manual
24 for the authority governing authority business and the conduct of
25 authority officers and employees. The authority shall establish
26 policies that are no less stringent than those provided for public
27 officers and employees by 1973 PA 196, MCL 15.341 to 15.348, and

1 coordinate efforts for the authority to preclude the opportunity
2 for and the occurrence of transactions by the authority that would
3 create a conflict of interest involving officers or employees of
4 the authority. At a minimum, the policies shall include compliance
5 by each officer or employee who regularly exercises significant
6 discretion over the award and management of authority procurements
7 with policies governing all of the following:

8 (a) Immediate disclosure of the existence and nature of any
9 financial interest that could reasonably be expected to create a
10 conflict of interest.

11 (b) Withdrawal by an officer or employee from participation in
12 or discussion or evaluation of any recommendation or decision
13 involving an authority procurement that would reasonably be
14 expected to create a conflict of interest for that officer or
15 employee.

16 (13) The governor may remove a member of the council from
17 office for gross neglect of duty, corrupt conduct in office, or any
18 other misfeasance or malfeasance in office.

19 Sec. 11. (1) The authority may exercise all of the following
20 powers, duties, functions, and responsibilities:

21 (a) Powers, duties, functions, and responsibilities vested in
22 the authority under the use tax act, 1937 PA 94, MCL 205.91 to
23 205.111.

24 (b) Exercise the powers, duties, functions, and
25 responsibilities vested in the authority or the metropolitan
26 extension telecommunications rights-of-way oversight authority
27 under this act or the metropolitan extension telecommunications

1 rights-of-way oversight act, 2002 PA 48, MCL 484.3101 to 484.3120,
2 and other laws of this state. The authority may exercise the
3 powers, duties, functions, and responsibilities under this
4 subdivision through a director hired by the authority.

5 (2) When exercising the powers, duties, functions, and
6 responsibilities vested in the authority under subsection (1), the
7 authority may do 1 or more of the following:

8 (a) Establish and maintain an office.

9 (b) Adopt, amend, and repeal bylaws for the regulation of its
10 affairs and the conduct of its business.

11 (c) Sue and be sued in its own name and plead and be
12 impleaded.

13 (d) Solicit, receive, and accept gifts or grants from any

20 (g) Acquire, hold, and dispose of interests in property.

21 (h) Incur indebtedness, but only in the manner and to the
22 extent authorized by law.

23 (3) The powers, duties, functions, and responsibilities of the
24 authority may be exercised throughout this state, including all the
25 metropolitan areas of this state. The authority possesses the
26 jurisdiction to exercise its functions on a statewide basis and may
27 do other things and take other action necessary or convenient to

1 the exercise of the powers, duties, functions, and responsibilities
2 of the authority under this section if they relate to the purposes
3 and jurisdiction of the authority.

4 Sec. 12. (1) The authority has the exclusive power to levy the
5 local community stabilization share under the use tax act, 1937 PA
6 94, MCL 205.91 to 205.111. The authority is authorized to levy the
7 local community stabilization share under the use tax act, 1937 PA
8 94, MCL 205.91 to 205.111, and shall levy the local community
9 stabilization share at the rate provide under section 3 of the use
10 tax act, 1937 PA 94, MCL 205.93, but is not authorized to increase
11 the rate of the local community stabilization share. The authority
12 is not authorized to increase any other tax.

13 (2) The department shall administer under the use tax act,
14 1937 PA 94, MCL 205.91 to 205.111, the receipt and collection of
15 the local community stabilization share on behalf of the authority
16 as an agent of the authority. The authority may enter into an
17 agreement with the department relating to the receipt and
18 collection of the local community stabilization share and the
19 payment of the authority revenue generated by the local community
20 stabilization share to the authority.

21 (3) Money generated by the local community stabilization share
22 is money of the authority, not state funds, and shall not be
23 credited to the state treasury as state funds.

24 Sec. 13. (1) Not later than June 5, 2014, the assessor for
25 each city and township shall report to the county equalization
26 director all of the following:

27 (a) The 2013 taxable value of commercial personal property and

1 industrial personal property for each municipality in the city or
2 township.

3 (b) The 2014 taxable value of commercial personal property and
4 industrial personal property for each municipality in the city or
5 township.

6 (c) The small taxpayer exemption loss for each municipality in
7 the city or township.

8 (2) Not later than June 20, 2014, the equalization director
9 for each county shall report to the department the information
10 described in subsection (1) for each municipality in the county.
11 For each municipality levying a millage in more than 1 county, the
12 county equalization director responsible for compiling the
13 municipality's taxable value under section 34d of the general
14 property tax act, 1893 PA 206, MCL 211.34d, shall compile the
15 municipality's information described in subsection (1).

16 (3) Not later than June 5, 2016, and each June 5 thereafter,
17 the assessor for each city and township shall report to the county
18 equalization director the current year taxable value of commercial
19 personal property and industrial personal property for each
20 municipality in the city or township. Not later than June 20, 2016,
21 and each June 20 thereafter, the equalization director for each
22 county shall report to the department the current year taxable
23 value of commercial personal property and industrial personal
24 property for each municipality in the county. For each municipality
25 levying a millage in more than 1 county, the county equalization
26 director responsible for compiling the municipality's taxable value
27 under section 34d of the general property tax act, 1893 PA 206, MCL

1 211.34d, shall compile the municipality's information described in
2 this subsection.

3 (4) Not later than August 15, 2014, and each August 15
4 thereafter, each municipality shall report to the department the
5 millage rate levied or to be levied that year for a millage
6 described in section 5(g) or (w) that is used to calculate an
7 appropriation under section 17(1)(a) or a distribution under
8 section 17(3)(a)(i). For 2014 and 2015, the rate of that millage
9 shall be calculated using the sum of the municipality's taxable
10 value and the municipality's small taxpayer exemption loss.
11 Beginning in 2016 and each year thereafter, the rate of that
12 millage shall be calculated using the sum of the municipality's
13 taxable value and the municipality's personal property exemption
14 loss. For 2014 and 2015, the department shall calculate each
15 municipality's debt loss or school debt loss by multiplying the
16 municipality's millage rate reported under this subsection by the
17 municipality's small taxpayer exemption loss. Beginning in 2016 and
18 each year thereafter, the department shall calculate each
19 municipality's school debt loss by multiplying the municipality's
20 millage rate reported under this subsection by the municipality's
21 personal property exemption loss.

22 (5) The department shall calculate and make available to each
23 municipality by May 1 of each year that municipality's sum of the
24 lowest rate of each individual millage levied in the period between
25 2012 and the year immediately preceding the current year. For a
26 municipality, other than a municipality described in section 14,
27 the calculation shall exclude debt millage. For an individual

1 millage rate not levied in 1 of the years, the lowest millage rate
2 is zero. A millage used to make the calculations under this act
3 must be levied against both real property and personal property.

4 (6) Not later than June 5, 2016, and each June 5 thereafter,
5 the assessor for each city and township shall report to the county
6 equalization director the increased value from expired tax
7 exemptions for each municipality that is subject to section 14(2)
8 and that levies taxes in the city or township. Not later than June
9 20, 2016, and each June 20 thereafter, the equalization director
10 for each county shall report to the department the increased value
11 from expired tax exemptions for each municipality that is subject
12 to section 14(2) and that levies taxes in the city or township. For
13 each municipality subject to section 14(2) that levies a millage in
14 more than 1 county, the county equalization director responsible
15 for compiling the municipality's taxable value under section 34d of
16 the general property tax act, 1893 PA 206, MCL 211.34d, shall
17 compile the municipality's information described in this
18 subsection.

19 Sec. 14. (1) Not later than August 15, 2016, and each August
20 15 thereafter, for each municipality that is not a local school
21 district, intermediate school district, or tax increment finance
22 authority, the department shall do all of the following:

23 (a) Calculate the municipality's personal property exemption
24 loss.

25 (b) Multiply the municipality's personal property exemption
26 loss by the millage rates calculated under section 13(5).

27 (c) Adjust the amount calculated under subdivision (b) by the

1 amount required to reflect the final order of a court or body of
2 competent jurisdiction related to any prior year calculation under
3 this subsection. An adjustment under this subdivision shall only be
4 made for municipalities for which changes in prior year taxable
5 values can be calculated from taxable values reported under section
6 151(1) of the state school aid act of 1979, 1979 PA 94, MCL
7 388.1751.

8 (d) Adjust the amount calculated under subdivision (b), as
9 adjusted by subdivision (c), by the amount calculated under section
10 16a(2) for captured taxes levied by the municipality not including
11 taxes attributable to increased captured value.

12 (2) Not later than August 15, 2016, and each August 15
13 thereafter, for each municipality that is a county, township,
14 village, city, or authority that provides essential services, the
15 department shall do all of the following:

16 (a) Add to the amount calculated under subsection (1)(a) any
17 increased value from expired tax exemptions for the current year.

18 (b) Subtract from the amount calculated under subdivision (a)
19 the amount calculated under section 16a(2)(b) for the municipality,
20 not including any amount attributable to increased captured value.

21 (c) Multiply the result of the calculation in subdivision (b)
22 by the millage rate calculated under section 13(5) for general
23 operating millage.

24 (d) Multiply the result of the calculation in subdivision (c)
25 by the percentage of the municipality's general operating millage
26 used to fund the cost of essential services in the municipality's
27 fiscal year ending in 2012. Each municipality's comprehensive

1 annual financial report for the municipality's fiscal year ending
2 in 2014 must include a calculation of the municipality's percentage
3 of general operating revenues used to fund essential services in
4 the municipality's fiscal year ending in 2012.

5 (e) Add to the result of the calculation in subdivision (d) an
6 amount calculated by multiplying the amount calculated under
7 subsection (2)(b) by the millage rates calculated under section
8 13(5) that are dedicated solely for the cost of essential services
9 levied on industrial personal property and commercial personal
10 property. A millage levied to fund a pension under the fire
11 fighters and police officers retirement act, 1937 PA 345, MCL
12 38.551 to 38.562, is dedicated solely for the cost of essential
13 services.

14 (3) Not later than August 15, 2016, for each municipality that
15 is a city, the department shall do all of the following:

16 (a) Calculate the municipality's small taxpayer exemption
17 loss.

18 (b) Multiply the amount calculated under subdivision (a) by
19 the millage rates calculated under section 13(5) for 2014.

20 (c) Multiply the amount calculated under subdivision (a) by
21 the millage rates calculated under section 13(5) for 2015.

22 (d) Add the amounts calculated under subdivisions (b) and (c).

23 (e) Subtract from the amount calculated under subdivision (d)
24 the sum of the municipality's debt loss for 2014 and 2015.

25 (f) Subtract from the amount calculated under subdivision (e)
26 the amount of any tax increment small taxpayer loss for captured
27 taxes levied by the municipality in 2014 and 2015.

1 (4) Not later than August 15, 2016, and each August 15
2 thereafter, for each municipality that is not a local school
3 district, intermediate school district, or tax increment finance
4 authority, the department shall do all of the following:

5 (a) Calculate the municipality's small taxpayer exemption
6 loss.

7 (b) Multiply the municipality's small taxpayer exemption loss
8 by the millage rates calculated under section 13(5).

9 (c) Adjust the amount calculated under subdivision (b) by the
10 amount required to reflect the final order of a court or body of
11 competent jurisdiction related to any prior year calculation under
12 this subsection. An adjustment under this subdivision shall only be
13 made for municipalities for which changes in prior year taxable
14 values can be calculated from taxable values reported under section
15 151(1) of the state school aid act of 1979, 1979 PA 94, MCL
16 388.1751.

17 (d) Adjust the amount calculated under subdivision (b), as
18 adjusted by subdivision (c), by the amount calculated under section
19 16a(2) for captured taxes levied by the municipality not including
20 taxes attributable to increased captured value. The adjustment
21 under this subdivision shall only be made to the extent that the
22 adjustment made under subsection (1)(d) did not fully account for
23 all captured taxes levied by the municipality not including taxes
24 attributable to increased captured value.

25 Sec. 15. Not later than August 15, 2016, and each August 15
26 thereafter, for each municipality that is a local school district,
27 the department shall do all of the following:

1 (a) Calculate the municipality's personal property exemption
2 loss.

3 (b) Multiply the result of the calculation in subdivision (a)
4 by the sum of the lowest rate of each individual millage levied
5 under section 1212 of the revised school code, 1976 PA 451, MCL
6 380.1212, and section 2 of 1917 PA 156, MCL 123.52, levied by that
7 municipality in the period between 2012 and the year immediately
8 preceding the current year. For an individual millage rate not
9 levied in 1 of the years, the lowest millage rate is zero.

10 (c) Adjust the amount calculated under subdivision (b) by the
11 amount required to reflect the final order of a court or body of
12 competent jurisdiction related to any prior year calculation under
13 this section.

14 (d) Subtract from the result of the calculation in subdivision
15 (b), as adjusted by subdivision (c), the amount calculated under
16 section 16a(2) for captured taxes levied by the municipality under
17 section 1212 of the revised school code, 1976 PA 451, MCL 380.1212,
18 and section 2 of 1917 PA 156, MCL 123.52, not including taxes
19 attributable to increased captured value.

20 Sec. 16. Not later than August 15, 2016, and each August 15
21 thereafter, for each municipality that is an intermediate school
22 district, the department shall do all of the following:

23 (a) Calculate the municipality's personal property exemption
24 loss.

25 (b) Multiply the result of the calculation in subdivision (a)
26 by the millage rates calculated under section 13(5).

27 (c) Adjust the amount calculated under subdivision (b) by the

1 amount required to reflect the final order of a court or body of
2 competent jurisdiction related to any prior year calculation under
3 this section.

4 (d) Subtract from the result of the calculation in subdivision
5 (b), as adjusted by subdivision (c), the amount calculated under
6 section 16a(2) for captured taxes levied by that municipality not
7 including taxes attributable to increased captured value.

8 Sec. 16a. (1) Not later than June 15, 2014 and June 15, 2015,
9 each municipality that is a tax increment finance authority shall
10 calculate and report to the department the municipality's tax
11 increment small taxpayer loss for the current calendar year.

12 (2) Not later than June 15, 2016, and each June 15 thereafter,
13 each municipality that is a tax increment finance authority shall
14 do all of the following for each of its tax increment financing
15 plans:

16 (a) Calculate the total captured value of all industrial
17 personal property and commercial personal property in the
18 municipality that is a tax increment finance authority in 2013 and
19 add any increased captured value for the current year.

20 (b) From the amount calculated in subdivision (a), subtract
21 the total captured value of all industrial personal property and
22 commercial personal property in the municipality that is a tax
23 increment finance authority in the current year. If the resulting
24 amount, when added to the taxable value of all property within the
25 tax increment finance authority in the current year, would result
26 in a captured value for all property within the tax increment
27 finance authority that is less than the resulting amount, then this

1 captured value shall be used instead of the resulting amount.

2 (c) Multiply the result of the calculation in subdivision (b)
3 by the sum of the lowest rate of each individual millage levied in
4 the period between 2012 and the year immediately preceding the
5 current year, to the extent the millage is subject to capture by
6 that tax increment finance authority. For an individual millage
7 rate not levied in 1 of the years, the lowest millage rate is zero.
8 A millage used to make the calculation under this subdivision must
9 be eligible to be levied against both real property and personal
10 property.

11 (d) Adjust the amount calculated under subdivision (c) by the
12 amount required to reflect the final order of a court or body of
13 competent jurisdiction related to any prior year calculation under
14 this section.

15 (e) For an obligation refinanced after 2012, estimate for the
16 term of the obligation:

17 (i) The cumulative school district operating tax and state
18 education tax that would have been captured to repay the obligation
19 had the obligation not been refinanced.

20 (ii) The cumulative amount calculated under subdivision (c), as
21 adjusted by subdivision (d), for school district operating tax and
22 state education tax for the obligation had it not been refinanced.

23 (f) Once the amount included in subdivision (c), as adjusted
24 by subdivision (d), for the current and prior years for school
25 operating tax and state education tax for the refinanced obligation
26 equals the amount estimated in subdivision (e)(ii), subtract from
27 the amount calculated under subdivision (c), as adjusted by

1 subdivision (d), the amount calculated under subdivision (c), as
2 adjusted by subdivision (d), for school district operating tax and
3 state education tax for the refinanced obligation.

4 (g) Once the amount of school district operating tax and state
5 education tax captured for the current and prior years to pay the
6 refinanced obligation equals the amount estimated under subdivision
7 (e)(i), subtract from the amount calculated in subdivision (c), as
8 adjusted by subdivision (d), the amount of school operating tax and
9 state education tax captured to repay the refinanced obligation.

10 (3) Not later than June 15, 2016, and each June 15 thereafter,
11 each municipality that is a tax increment finance authority shall
12 report to the department the results of the calculations under
13 subsection (2) for each tax increment financing plan.

14 Sec. 16b. (1) Each municipality that is a tax increment
15 finance authority shall report to the department the calculation
16 required under section 16a on a form and in a manner prescribed by
17 the department.

18 (2) If a municipality that is a tax increment finance
19 authority fails to make the calculation and report it to the
20 department by the date provided in section 16a, the department may
21 extend the calculation and reporting date upon good cause as
22 determined by the department.

23 (3) The department shall exclude from the calculations under
24 sections 14, 15, and 16 the taxable value of property exempt under
25 section 7ff of the general property tax act, 1893 PA 206, MCL
26 211.7ff, for millages subject to the exemption.

27 Sec. 17. (1) The legislature shall appropriate funds for all

1 of the following purposes:

2 (a) For fiscal year 2014-2015 and fiscal year 2015-2016, to
3 the authority, an amount equal to all debt loss for municipalities
4 that are not a local school district, intermediate school district,
5 or tax increment finance authority, an amount equal to all school
6 debt loss for municipalities that are a local school district or
7 intermediate school district, and an amount equal to all tax
8 increment small taxpayer loss for municipalities that are a tax
9 increment finance authority.

10 (b) Beginning in fiscal year 2014-2015 and each fiscal year
11 thereafter, an amount equal to the necessary expenses incurred by
12 the authority and the department in implementing this act.

13 (2) In fiscal year 2014-2015 and fiscal year 2015-2016, the
14 authority shall distribute to municipalities those funds
15 appropriated under subsection (1)(a). However, in fiscal year 2014-
16 2015, if the authority is not able to make the distribution under
17 this subsection, the department shall make the distribution under
18 this subsection on behalf of the authority.

19 (3) Beginning in fiscal year 2015-2016, the authority shall
20 distribute local community stabilization share revenue as follows
21 in the following order of priority:

22 (a) The authority shall distribute to each municipality an
23 amount equal to all of the following:

24 (i) 100% of that municipality's school debt loss in the current
25 year and 100% of its amount calculated under section 15.

26 (ii) 100% of that municipality's amount calculated under
27 section 16.

1 (iii) 100% of that municipality's school operating loss not
2 reimbursed by the school aid fund in the current year.

3 (iv) 100% of the amount calculated in section 14(2). However,
4 the amount distributed to a municipality under this subparagraph
5 shall not exceed the amount calculated in section 14(1)(d). All
6 distributions under this subparagraph shall be used to fund
7 essential services.

8 (v) For a municipality that is a tax increment finance
9 authority, 100% of its amount calculated under section 16a(2).

10 (vi) 100% of that municipality's amount calculated under
11 section 14(4).

12 (b) Beginning in fiscal year 2019-2020, after the
13 distributions under subdivision (a), and subject to subparagraph
14 (viii), the authority shall distribute 5% of the remaining balance of
15 the local community stabilization share fund for the current fiscal
16 year to each municipality that is not a local school district,
17 intermediate school district, or tax increment finance authority in
18 an amount determined as follows:

19 (i) Calculate the total acquisition cost of all eligible
20 personal property in the municipality.

21 (ii) Multiply the result of the calculation in subparagraph (i)
22 by the sum of the lowest rate of each individual millage levied by
23 the municipality in the period between 2012 and the year
24 immediately preceding the current year that is not used to
25 calculate a distribution under subdivision (a). For an individual
26 millage rate not levied in 1 of the years, the lowest millage rate
27 is zero. A millage used to make the calculation under this

1 subparagraph must be eligible to be levied against both real
2 property and personal property.

3 (iii) Divide the sum of the amounts calculated under
4 subparagraph (ii) for all municipalities subject to the calculation
5 by total qualified loss.

6 (iv) Multiply the result of the calculation in subparagraph (iii)
7 by the amount calculated under section 16a(2) for captured taxes
8 levied by the municipality not including taxes attributable to
9 increased captured value.

10 (v) Subtract from the amount calculated under subparagraph (ii)
11 the amount calculated under subparagraph (iv).

12 (vi) Divide the result of the calculation in subparagraph (v)
13 by the sum of the calculation under subparagraph (v) for all
14 municipalities.

15 (vii) Multiply the result of the calculation in subparagraph
16 (vi) by the amount to be distributed under this subdivision.

17 (viii) For fiscal year 2020-2021, and each fiscal year
18 thereafter, the percentage amount described in this subdivision
19 shall be increased an additional 5% each year, not to exceed 100%.

20 (c) After the distributions in subdivisions (a) and (b), the
21 authority shall distribute the remaining balance of that fiscal
22 year's local community stabilization share fund to each
23 municipality in an amount determined by multiplying the remaining
24 balance by a fraction, the numerator of which is that
25 municipality's qualified loss and the denominator of which is the
26 total qualified loss.

27 (4) The authority shall make the payments required by

1 subsection (3) not later than on the following dates:

2 (a) For county allocated millage, September 20 of the year the
3 millage is levied.

4 (b) For county extra-voted millage, township millage, and
5 other millages levied 100% in December of a year, February 20 of
6 the following year.

7 (c) For other millages, October 20 of the year the millage is
8 levied.

9 (5) If the authority has insufficient funds to make the
10 payments on the dates required in subsection (4), the department
11 shall advance to the authority the amount necessary for the
12 authority to make the required payments. The authority shall repay
13 the advance to the department from the local community
14 stabilization share.

15 Sec. 18. (1) Beginning in fiscal year 2015-2016, and each
16 fiscal year thereafter, the department shall determine the amount
17 of the distributions under this act.

18 (2) Each municipality shall submit to the department
19 sufficient information for the department to make its calculations
20 under this act, as determined by the department.

21 Sec. 19. (1) A local unit of government may issue bonds or
22 other obligations in anticipation of the distribution of local
23 community stabilization share revenue under section 17(3)(a)(iv).

24 (2) Bonds or other obligations issued under this section are
25 subject to the revised municipal finance act, 2001 PA 34, MCL
26 141.2101 to 141.2821.

27 (3) If authorized by a majority vote of the qualified electors

1 of the local unit of government, the local unit of
2 government may, at the time of issuance, pledge the full faith and
3 credit of the local unit of government for the payment of bonds or
4 other obligations issued under this section.

5 Sec. 20. From the amount of local community stabilization
6 share revenue distributed under section 17(3)(a)(iv), a municipality
7 shall first replace the amount of ad valorem property taxes used
8 for the payment of principal and interest of essential services
9 obligations incurred before 2013 pledging the unlimited or limited
10 taxing power of the municipality that are lost from the exemptions
11 provided by sections 9m, 9n, and 9o of the general property tax
12 act, 1893 PA 206, MCL 211.9m, 211.9n, and 211.9o. A municipality
13 shall not receive distributions under section 17(3)(a)(iv) if it has
14 increased a millage rate without voter approval in order to replace
15 lost property taxes that would otherwise be reimbursed under
16 section 17(3)(a)(iv) that were repaying essential service
17 obligations incurred before 2013 pledging the unlimited or limited
18 taxing power of the municipality and that were lost as a result of
19 the exemptions provided by sections 9m, 9n, and 9o of the general
20 property tax act, 1893 PA 206, MCL 211.9m, 211.9n, and 211.9o.

21 Sec. 21. From the amount received under section 17, a
22 municipality shall first replace debt loss or school debt loss, as
23 applicable. A municipality shall not receive a distribution under
24 this act if it has increased its millage rate without voter
25 approval to replace debt loss or school debt loss, as applicable,
26 that otherwise would be reimbursed under this act.

27 Sec. 22. This act shall be construed to effectuate the

1 legislative intent and the purposes of this act as complete and
2 independent authorization for the performance of each and every act
3 and thing authorized in the act, and all powers granted in this act
4 shall be broadly interpreted to effectuate the intent and purposes
5 of this act and not as to limitation of powers.

6 Enacting section 1. The Michigan metropolitan areas
7 metropolitan authority act, 2012 PA 407, MCL 123.1311 to 123.1330,
8 is repealed.

9 Enacting section 2. This act does not take effect unless
10 Senate Bill No. 822 of the 97th Legislature is approved by a
11 majority of the qualified electors of this state voting on the
12 question at an election to be held on the August regular election
13 date in 2014.

14 Enacting section 3. If Senate Bill No. 822 of the 97th
15 Legislature is not approved by the majority of the qualified
16 electors of this state voting on the question at an election to be
17 held on the August regular election in 2014, for fiscal year 2014-
18 2015, the legislature shall appropriate an amount sufficient to
19 make the appropriation described in section 17(1)(a) for fiscal
20 year 2014-2015.
