12 prescription filled here and may use this price information to
13 shop around at other pharmacies. You may request price
14 information in person or by telephone.

15 Every pharmacy has the current selling prices of both
16 generic and brand name drugs dispensed by the pharmacy.

17 Ask your pharmacist if a lower-cost generic drug is
18 available to fill your prescription. A generic drug contains the
19 same medicine as a brand name drug and is a suitable substitute
20 in most instances.

21 A generic drug may not be dispensed by your pharmacist if
22 your doctor has written "dispense as written" or the initials

9 (j) The price for which the drug was sold to the purchaser.

10 (7) ~~Subsection~~ **THE ITEMS REQUIRED UNDER SUBSECTION** (6) (a),

12 if the omission is expressly required by the prescriber. The
13 pharmacist shall retain a copy of each receipt **FURNISHED UNDER**
14 **SUBSECTION (6)** for 90 days. The inclusion of **THE ITEMS REQUIRED**
15 **UNDER** subsection (6) on the prescription container label is a
16 valid receipt to the purchaser. Including **THE ITEMS REQUIRED**
17 **UNDER** subsection (6) on the written prescription form and
18 retaining the form constitutes retention of a copy of the
19 receipt.

20 (8) The board may promulgate rules to implement this
21 section.
