January 23, 2013, Introduced by Senator BRANDENBURG and referred to the Committee on Finance.

A bill to amend 1967 PA 281, entitled
"Income tax act of 1967,"
by amending section 703 (MCL 206.703), as amended by 2012 PA 217.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 703. (1) A person who disburses pension or annuity
2 payments, except as otherwise provided under this section, shall
3 withhold a tax in an amount computed by applying the rate
4 prescribed in section 51 on the taxable part of payments from an
5 employer pension, annuity, profit-sharing, stock bonus, or other
6 deferred compensation plan as well as from an individual retirement
7 arrangement, an annuity, an endowment, or a life insurance contract
8 issued by a life insurance company. Withholding shall be calculated
9 on the taxable disbursement after deducting from the taxable
10 portion the same proportion of the total amount of personal and
11 dependency exemptions of the individual allowed under this act.

1 Withholding is not required on any part of a distribution that is
2 not expected to be includable in the recipient's gross income or
3 that is deductible from adjusted gross income under section
4 30(1)(e) or (f).

5 (2) Every employer in this state required under the provisions
6 of the internal revenue code to withhold a tax on the compensation
7 of an individual, except as otherwise provided, shall deduct and
8 withhold a tax in an amount computed by applying, except as
9 provided by subsection (14), the rate prescribed in section 51 to
10 the remainder of the compensation after deducting from compensation
11 the same proportion of the total amount of personal and dependency
12 exemptions of the individual allowed under this act that the period
13 of time covered by the compensation is of 1 year. The department
14 may prescribe withholding tables that may be used by employers to
15 compute the amount of tax required to be withheld.

16 (3) Except as otherwise provided under this section, every
17 flow-through entity in this state shall withhold a tax in an amount
18 computed by applying the rate prescribed in section 51 to the
19 distributive share of taxable income reasonably expected to accrue
20 after allocation and apportionment under chapter 3 of each
21 nonresident member who is an individual after deducting from that
22 distributive income the same proportion of the total amount of
23 personal and dependency exemptions of the individual allowed under
24 this act. All of the taxes withheld under this section shall accrue
25 to the state on April 15, July 15, and October 15 of the flow-
26 through entity's tax year and January 15 of the following year,
27 except a flow-through entity that is not on a calendar year basis

1 shall substitute the appropriate due dates in the flow-through
2 entity's fiscal year that correspond to those in a calendar year.
3 Withholding for each period shall be equal to 1/4 of the total
4 withholding calculated on the distributive share that is reasonably
5 expected to accrue during the tax year of the flow-through entity.

6 (4) Except as otherwise provided under this section, every
7 flow-through entity with business activity in this state that has
8 more than \$200,000.00 of business income reasonably expected to
9 accrue in the tax year after allocation or apportionment shall
10 withhold a tax in an amount computed by applying the rate
11 prescribed in section 623 to the distributive share of the business
12 income of each member that is a corporation or that is a flow-
13 through entity. For purposes of calculating the \$200,000.00
14 withholding threshold, the business income of a flow-through entity
15 shall be apportioned to this state by multiplying the business
16 income by the sales factor of the flow-through entity. The sales
17 factor of the flow-through entity is a fraction, the numerator of
18 which is the total sales of the flow-through entity in this state
19 during the tax year and the denominator of which is the total sales
20 of the flow-through entity everywhere during the tax year. As used
21 in this subsection, "business income" means that term as defined in
22 section 603(2). For a partnership or S corporation, business income
23 includes payments and items of income and expense that are
24 attributable to business activity of the partnership or S
25 corporation and separately reported to the members. As used in this
26 subsection, "sales" means that term as defined in section 609 and
27 sales in this state is determined as provided in sections 665 and

1 669. All of the taxes withheld under this section shall accrue to
2 the state on April 15, July 15, and October 15 of the flow-through
3 entity's tax year and January 15 of the following year, except a
4 flow-through entity that is not on a calendar year basis shall
5 substitute the appropriate due dates in the flow-through entity's
6 fiscal year that correspond to those in a calendar year.

7 Withholding for each period shall be equal to 1/4 of the total
8 withholding calculated on the distributive share of business income
9 that is reasonably expected to accrue during the tax year of the
10 flow-through entity.

11 (5) If a flow-through entity is subject to the withholding
12 requirements of subsection (4), then a member of that flow-through
13 entity that is itself a flow-through entity shall withhold a tax on
14 the distributive share of business income as described in
15 subsection (4) of each of its members. The department shall apply
16 tax withheld by a flow-through entity on the distributive share of
17 business income of a member flow-through entity to the withholding
18 required of that member flow-through entity. All of the taxes
19 withheld under this section shall accrue to the state on April 15,
20 July 15, and October 15 of the flow-through entity's tax year and
21 January 15 of the following year, except a flow-through entity that
22 is not on a calendar year basis shall substitute the appropriate
23 due dates in the flow-through entity's fiscal year that correspond
24 to those in a calendar year. Withholding for each period shall be
25 equal to 1/4 of the total withholding calculated on the
26 distributive share of business income that is reasonably expected
27 to accrue during the tax year of the flow-through entity.

1 (6) Every casino licensee shall withhold a tax in an amount

6 withhold a tax in an amount computed by applying the rate
7 prescribed in section 51 to a payoff price on a winning ticket of a
8 nonresident reportable by the race meeting licensee or track
9 licensee under the internal revenue code that is the result of
10 pari-mutuel wagering at a licensed race meeting.

11 (8) Every casino licensee or race meeting licensee or track
12 licensee shall report winnings of a resident reportable by the
13 casino licensee or race meeting licensee or track licensee under
14 the internal revenue code to the department in the same manner and
15 format as required under the internal revenue code.

16 (9) Every eligible production company shall, to the extent not
17 withheld by a professional services corporation or professional
18 employer organization, deduct and withhold a tax in an amount
19 computed by applying the rate prescribed in section 51 to the
20 remainder of the payments made to the professional services
21 corporation or professional employer organization for the services
22 of a performing artist or crew member after deducting from those
23 payments the same proportion of the total amount of personal and
24 dependency exemptions of the individuals allowed under this
25 ~~part~~. **ACT.**

13 withheld under this section that are attributable to each employee
14 in a new job created pursuant to the agreement shall accrue to the
15 community college on the last day of the month in which the taxes
16 are withheld but shall be returned and paid to the community
17 college by the employer or flow-through entity within 15 days after
18 the end of any month or as provided in section 705 for as long as
19 the agreement remains in effect. For purposes of this act and 1941

9 exempted from liability for the tax imposed by this act. In each
10 tax year, the nonresident individual shall furnish to the employer,
11 on a form approved by the department, a verified statement of
12 nonresidence.

14 the fifteenth day of the following month, shall provide the
15 department with a copy of any exemption certificate on which the

19 subject to withholding under subsection (6) or (7) from withholding
20 under this section.

22 terms of a qualified charitable gift annuity is not required to
23 deduct and withhold a tax on those payments as prescribed under
24 subsection (1). As used in this subsection, "qualified charitable
25 gift annuity" means an annuity described under section 501(m)(5) of
26 the internal revenue code and issued by an organization exempt
27 under section 501(c)(3) of the internal revenue code.
