Senate Bill 800 (as enacted)
Sponsor: Senator Dave Hildenbrand
House Committee: Appropriations
Senate Committee: Appropriations

PUBLIC ACT 340 of 2016

Date Completed: 12-28-16

CONTENT

The bill would provide supplemental appropriations for fiscal year (FY) 2015-16 and FY 2016-17. The bill includes \$9.0 million of Gross appropriations and \$8.0 million of General Fund/General Purpose (GF/GP) appropriations for FY 2015-16. There are also appropriations of \$157.9 million Gross and \$123.7 million GF/GP for FY 2016-17. Table 1 summarizes the appropriations in the bill.

FISCAL IMPACT

The bill would increase FY 2015-16 Adjusted Gross appropriations by \$9.0 million and State GF/GP appropriations by \$8.0 million. Adjusted Gross appropriations for FY 2016-17 would be increased by \$232.9 million and State GF/GP appropriations by \$198.7 million. The bill includes appropriations for 13 State budget areas, as well as capital outlay, and the boilerplate language for the Department of Technology, Management, and Budget includes a \$75.0

million appropriation to the Budget Stabilization Fund. When anticipated GF/GP lapses are taken into account, and if the appropriations in this bill are enacted, there is an estimated \$15.0 million GF/GP ending balance for FY 2016-17. Table 2 outlines the FY 2015-16 supplemental appropriations by budget area and program; Table 3 lists the supplemental appropriations for FY 2016-17.

FY 2015-16 Boilerplate Language Sections

Sec. 201. General. Records amount of total State spending and payments to local units of government.

Sec. 202. General. Subjects appropriations and expenditures in the bill to the provisions of the Management and Budget Act.

Sec. 301. Environmental Quality. Establishes the \$817,000 appropriation for the drinking water declaration of emergency as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 302. Environmental Quality. Reappropriates the \$6.0 million Muskegon Zephyr Oil Refinery cleanup site funds as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 303. Environmental Quality. Revises the dates for the completion of Flint lead pipe replacement, and the final audit, from September 30, 2017, and January 1, 2018, respectively, to September 30, 2019, and January 1, 2020; replaces existing language.

Sec. 401. Health and Human Services. Requires reimbursement of all outstanding FY 2015-16 Child Care Fund claims by January 15, 2017.

Sec. 402. Health and Human Services. Requires the Department to work with the Department of Environmental Quality to provide those affected by the groundwater contamination in Iosco County with water filters, water quality monitoring, and a long-term alternative public water supply; replaces existing language.

Sec. 501. Talent and Economic Development - MSHDA. Reappropriates \$3,575,700 of mortgage foreclosure settlement funds for blight elimination, establishes it as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 601. Treasury. Reappropriates \$3,715,400 of mortgage foreclosure settlement funds for scam victim restitution, establishes it as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 602. Treasury. Revises existing language regarding Flint water bill credit reimbursements to extend the credit date from December 31, 2016, to March 31, 2017, and changes date for funds to lapse from December 31, 2016, to May 31, 2017.

FY 2016-17 Boilerplate Language Sections

Sec. 1201. General. Records amount of total State spending and payments to local units of government.

Sec. 1202. General. Subjects appropriations and expenditures in the bill to the provisions of the Management and Budget Act.

Sec. 1301. Agriculture and Rural Development. Establishes parameters for county fairs, shows, and exhibitions; replaces existing language.

Sec. 1401. Capital Outlay. States that the State Building Authority-financed facilities are for a public purpose, and that it is the intent of the Legislature to appropriate sufficient amounts to pay rent obligations.

Sec. 1402. Capital Outlay. Authorizes the State Budget Director to adjust financing shares for the Detroit and Grand Rapids veterans home construction to provide for maximum Federal support for the project, without exceeding the total cost or the State share.

Sec. 1501. Corrections. Expands eligibility for the Goodwill Flip the Script Program by increasing maximum age of participants from 29 to 39; replaces existing language.

Sec. 1601. Environmental Quality. Establishes the \$1.8 million appropriation for the drinking water declaration of emergency as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 1701. Health and Human Services. Requires that a \$250,000 appropriation in the original FY 2016-17 Department budget be allocated to Hope Network to provide job training; also allocates \$500,000 to Hope Network to operate the Michigan Education Corps.

Sec. 1702. Health and Human Services. Directs that the Department make payments to counties and tribes to supplement Child Care Fund payments in FY 2015-16; also allocates \$4.0 million to specific counties that had certain previously eligible reimbursements denied, with specific amounts for those counties.

Sec. 1703. Health and Human Services. Allocates \$1.4 million in GF/GP support and associated Federal match to Authority Health to operate a graduate medical education primary care residency training program.

Sec. 1704. Health and Human Services. Reinstates the "Heat and Eat" program, which allows those not currently eligible for the standard utility allowance to receive expanded food assistance benefits.

Sec. 1801. Technology, Management, and Budget. Appropriates \$75.0 million to the State's Budget Stabilization Fund; replaces existing language.

Sec. 1802. Technology, Management, and Budget. Establishes the \$500,000 appropriation for public safety officer survivor benefits as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 1803. Technology, Management, and Budget. Authorizes the prepayment of the remaining Venture Michigan Fund I obligations at a level of \$72.0 million, with an additional \$1.5 million allowed as a contingency appropriation.

Sec. 1804. Technology, Management, and Budget. Establishes the \$10.0 million appropriation for the drinking water declaration of emergency reserve fund as a work project, allows carry forward of any unencumbered or unallotted funds, and requires a legislative transfer or a supplemental appropriation in order to spend the funds.

Sec. 1901. Talent and Economic Development. Establishes the \$1.0 million appropriation for the sustainable employment pilot program as a work project, and allows carry forward of any unencumbered or unallotted funds.

Sec. 2001. Transportation. Requires that the appropriation for erosion mitigation grants be available for grants to county road commissions and local units for roads, parks, or other public land at risk due to erosion.

Sec. 2101. Treasury. Requires the \$50,000 appropriated for school district millage renewal election reimbursements be allocated to school districts that must renew their mills earlier than otherwise necessary in order to levy local school operating mills for dissolved districts.

Sec. 2201. Repealers. Repeals the following sections of Public Act 268 of 2016:

(a) Section 805 of Article I (FY 2016-17 Department of Agriculture and Rural Development annual appropriations), and replaces it with Sec. 1301 in this bill, which revises grant parameters for county fairs and exhibitions.

(b) Section 437 of Article V (FY 2016-17 Department of Corrections annual appropriations), and replaces it with Sec. 1501 in this bill, which increases the maximum age for participation in the Goodwill Flip the Script Program.

(c) Section 211 of Article VIII (FY 2016-17 General Government annual appropriations), and replaces it with Sec. 1801 in this bill, which appropriates \$75.0 million to the Budget Stabilization Fund.

(d) Section 305 of Article XX (FY 2015-16 supplemental appropriations), and replaces it with Sec. 402 in this bill, which requires the Department of Health and Human Services to work with the Department of Environmental Quality to provide services for those affected by the Iosco County groundwater contamination.

(e) Section 503 of Article XXI (FY 2015-16 Flint water emergency supplemental appropriations), and replaces it with Sec. 303 in this bill, which revises dates for lead pipe replacement completion and the final audit.

(f) Section 1001 of Article XXI (FY 2015-16 Flint water emergency supplemental appropriations), and replaces it with Sec. 602 in this bill, which extends the dates for water bill credit reimbursements and the lapse of funds.
