- 1 penalties and remedies described in this section.
- 2 (8) The penalties and remedies under this section are
- 3 independent and cumulative. The imposition of a remedy or penalty
- 4 against an individual under this section does not bar the pursuit
- 5 of any lawful remedy by that individual or the pursuit of a lawful
- 6 remedy by any other person against that individual.
- 7 Sec. 23. (1) Any person may file a written complaint with the
- 8 department alleging that an individual has violated this act or a
- 9 rule promulgated or an order issued under this act.
- 10 (2) If the department receives a complaint described in
- 11 subsection (1), the department immediately shall begin and pursue
- 12 an investigation of the allegations of the complaint. The
- 13 department shall acknowledge the complaint in writing within 15
- 14 days after it receives the complaint.
- 15 (3) For purposes of its investigation under this section, the
- 16 department may administer oaths; take testimony under oath; require
- 17 the appearance and testimony of witnesses, including the production
- 18 of books, records, or other documents; or request that the attorney
- 19 general petition a court of competent jurisdiction to issue a
- 20 subpoena requiring a person to appear before the department and be
- 21 examined with reference to any matter within the scope of the
- 22 investigation and to produce books, papers, or documents pertaining
- 23 to the investigation.
- 24 (4) If the department determines after conducting an
- 25 investigation under this section that there is not sufficient
- 26 evidence that there was a violation of this act or a rule
- 27 promulgated or an order issued under this act by the respondent,

- 1 the department shall close the complaint. The department shall
- 2 provide its reasons for closing the complaint to the complainant,
- 3 who then may provide additional information to reopen the
- 4 complaint, and to the respondent.
- 5 (5) If the department determines after conducting an
- 6 investigation under this section that there is sufficient evidence
- 7 that there was a violation of this act or a rule promulgated or an
- 8 order issued under this act by the respondent, the department or
- 9 the department of attorney general shall take appropriate action
- 10 against the respondent, which may include any of the following:
- 11 (a) Issuing a formal complaint.
- 12 (b) Obtaining a cease and desist order.
- 13 (c) Issuing an order of summary suspension under section 25.
- 14 (d) Seeking injunctive relief under section 21(6).
- 15 (6) At any time during its investigation or after it issues a
- 16 formal complaint, the department may meet with the complainant and
- 17 the respondent for an informal conference. At the meeting, the
- 18 department shall attempt to resolve issues raised in the complaint
- 19 and may attempt to aid the parties in reaching a formal settlement
- 20 or stipulation.
- Sec. 25. (1) After it conducts an investigation under section
- 22 23, the department may issue an order summarily suspending a
- 23 license based on an affidavit by a person familiar with the facts
- 24 set forth in the affidavit or, if appropriate, based on an
- 25 affidavit on information and belief that an imminent threat to the
- 26 integrity of the sport of amateur mixed martial arts, the public
- 27 interest, or the welfare and safety of a contestant exists.

- 1 (2) If a promoter's license is summarily suspended under this
- 2 section, the promoter may petition the department to dissolve the
- 3 suspension order. After receiving a petition to dissolve a
- 4 suspension order, the department shall immediately schedule a
- 5 hearing to decide whether to grant or deny the requested relief.
- 6 (3) After the hearing concerning a petition to dissolve a
- 7 suspension order under subsection (2), the administrative law
- 8 hearings examiner shall dissolve the summary suspension order
- 9 unless sufficient evidence is presented that an imminent threat to
- 10 the integrity of the sport, the public interest, or the welfare and
- 11 safety of a contestant exists that requires emergency action and
- 12 continuation of the department's summary suspension order.
- 13 (4) The record created at a hearing to dissolve a summary
- 14 suspension order is considered part of the record of the complaint
- 15 at any subsequent hearing in a contested case.
- Sec. 27. (1) If the department conducts an investigation under
- 17 section 23, the department after the investigation may order a
- 18 person to cease and desist violating this act or a rule promulgated
- 19 or order issued under this act.
- 20 (2) A person ordered to cease and desist under subsection (1)
- 21 may request a hearing on that order by filing a written request for
- 22 a hearing with the department within 30 days after the effective
- 23 date of the order.
- 24 (3) If a person violates a cease and desist order issued under
- 25 this act, the department of attorney general may apply to a court
- 26 of competent jurisdiction to restrain and enjoin, temporarily or
- 27 permanently, or both, the person from further violating the cease

- 1 and desist order.
- 2 Sec. 29. (1) A summary suspension order under section 25, a
- 3 cease and desist order under section 27, or injunctive relief
- 4 issued or granted in an action under section 21(6) concerning a
- 5 license is in addition to and not in place of an informal
- 6 conference; criminal prosecution; proceeding to impose a remedy
- 7 described in section 21(2); or any other action authorized under
- 8 this act.
- 9 (2) If the department conducts an investigation and prepares
- 10 or receives a formal complaint under section 23, the department
- 11 shall serve the formal complaint on the respondent and the
- 12 complainant. At the same time, the department shall serve the
- 13 respondent with a notice describing the compliance conference and
- 14 hearing process and offering the respondent a choice of 1 of the
- 15 following options:
- 16 (a) An opportunity to meet with the department to negotiate a
- 17 settlement of the matter.
- (b) If the respondent is a licensee under this act, an
- 19 opportunity to demonstrate compliance before the department holds a
- 20 contested case hearing.
- 21 (c) An opportunity to proceed to a contested case hearing.
- 22 (3) A respondent who is served with a formal complaint under
- 23 this section may select, within 15 days after receiving the notice,
- 24 1 of the options described in subsection (2). If the respondent
- 25 does not notify the department of the selection of 1 of those
- 26 options within the time period described in this subsection, the
- 27 department shall proceed with a contested case hearing as described

- 1 in subsection (2)(c).
- 2 (4) At the discretion of the department, a member of the
- 3 commission may attend an informal conference described in
- 4 subsection (2)(a). The conference may result in a settlement,
- 5 consent order, waiver, default, or other method of settlement
- 6 agreed on by the parties and the department. A settlement may
- 7 include any remedy under section 21(2) or any other remedy
- 8 authorized under this act. The commission may reject a settlement
- 9 and require a contested case hearing.
- 10 (5) An employee of the department may represent the department
- in any contested case hearing.
- 12 (6) This section does not prevent a person against whom a
- 13 complaint is filed from showing compliance with this act or a rule
- 14 promulgated or order issued under this act.
- 15 (7) The department or the department of the attorney general
- 16 may petition a court of competent jurisdiction to issue a subpoena
- 17 to require the person subpoenaed to appear or testify or produce
- 18 relevant documentary material for examination at a proceeding.
- 19 Sec. 31. (1) At the conclusion of a contested case hearing
- 20 conducted under section 29, the administrative law hearings
- 21 examiner shall submit a hearing report that includes findings of
- 22 fact and conclusions of law to the department, the department of
- 23 attorney general, and the commission. The examiner may recommend in
- 24 the hearing report the assessment of a penalty or remedy under this
- 25 act.
- 26 (2) An administrative law hearings examiner shall submit a
- 27 copy of a hearing report prepared under subsection (1) to the

- 1 complainant and to the respondent.
- 2 (3) Within 60 days after it receives an administrative law
- 3 hearings examiner's hearing report, the commission shall meet and
- 4 determine what penalty or remedy is appropriate. The commission
- 5 shall make its determination based on the administrative law
- 6 hearings examiner's report. The examiner shall make a transcript of
- 7 a hearing or a portion of the transcript available to the
- 8 commission on request. If a transcript or a portion of the
- 9 transcript is requested, the commission shall make its
- 10 determination of the penalty or remedy to assess under this act at
- 11 a meeting held within 60 days after it receives the transcript or
- 12 portion of the transcript.
- 13 (4) If the commission does not determine which penalty or
- 14 remedy to assess within the time period described in subsection
- 15 (3), the director may determine the appropriate remedy or penalty
- 16 and issue a final order.
- 17 (5) A member of the commission who has participated in an
- 18 investigation or administrative hearing on a complaint filed with
- 19 the department or who has attended an informal conference shall not
- 20 participate in making a final determination in a proceeding on that
- 21 complaint.
- 22 Sec. 33. (1) If a licensee violates this act or a rule or
- 23 order promulgated or issued under this act, the department may
- 24 impose an administrative fine on the licensee, in an amount of not
- 25 more than \$10,000.00 per violation. The commission may impose the
- 26 administrative fine in addition to, or in lieu of, any other
- 27 penalty or remedy under this act, including, but not limited to,

- 1 the penalties and remedies described in section 21, based on proofs
- 2 submitted to and findings made by the hearings examiner after a
- 3 contested case.
- 4 (2) If the department imposes an administrative fine under
- 5 this section, the department may also recover the costs of the
- 6 proceeding, including investigative costs, court costs, and
- 7 reasonable attorney fees. The department or the attorney general
- 8 may bring an action in a court of competent jurisdiction to recover
- 9 any administrative fines, investigative and other allowable costs,
- 10 court costs, and reasonable attorney fees. The filing of an action
- 11 to recover administrative fines and costs does not bar the
- 12 imposition of other penalty or remedy under this act.
- 13 Enacting section 1. This act takes effect 90 days after the
- 14 date it is enacted into law.
