11 (r) When the secretary of state computes a tax under this
12 act, a computation that does not result in a whole dollar figure
13 shall be rounded to the next lower whole dollar when the
14 computation results in a figure ending in 50 cents or less and
15 shall be rounded to the next higher whole dollar when the
16 computation results in a figure ending in 51 cents or more,
17 unless specific taxes are specified, and the secretary of state
18 may accept the manufacturer's shipping weight of the vehicle
19 fully equipped for the use for which the registration application
20 is made. If the weight is not correctly stated or is not
21 satisfactory, the secretary of state shall determine the actual
22 weight. Each application for registration of a vehicle under
23 subdivisions (j) and (m) shall have attached to the application a
24 scale weight receipt of the vehicle fully equipped as of the time
25 the application is made. The scale weight receipt is not
26 necessary if there is presented with the application a
27 registration receipt of the previous year that shows on its face

1 the weight of the motor vehicle as registered with the secretary
2 of state and that is accompanied by a statement of the applicant
3 that there has not been a structural change in the motor vehicle
4 that has increased the weight and that the previous registered
5 weight is the true weight.

6 (2) A manufacturer is not exempted under this act from
7 paying ad valorem taxes on vehicles in stock or bond, except on
8 the specified number of motor vehicles registered. A dealer is
9 exempt from paying ad valorem taxes on vehicles in stock or bond.

21 tax required to be paid under this section is not received by the
22 secretary of state on or before the expiration date of the
23 registration plate, the secretary of state shall collect a late
24 fee of \$10.00 for each registration renewed after the expiration
25 date. An application for a renewal of a registration using the
26 regular mail and postmarked before the expiration date of that
27 registration shall not be assessed a late fee. The late fee

1 collected under this subsection shall be deposited into the
2 general fund. The secretary of state shall waive the late fee
3 collected under this subsection if all of the following are
4 satisfied:

5 (a) The registrant presents proof of storage insurance for
6 the vehicle for which the late fee is assessed that is valid for
7 the period of time between the expiration date of the most recent
8 registration and the date of application for the renewal.

9 (b) The registrant requests in person at a department of
10 state branch office that the late fee be waived at the time of
11 application for the renewal.

12 (5) In addition to the registration taxes under this
13 section, the secretary of state shall collect taxes charged under
14 section 801j and credit revenues to a regional transit authority
