The People of the State of Michigan enact:

Sec. 3515. (1) A health maintenance organization may provide additional health maintenance services or any other related health care service or treatment not required under this chapter.

(2) A health maintenance organization may have health maintenance contracts with deductibles. A health maintenance organization may have health maintenance contracts that include copayments, stated as dollar amounts for the cost of covered services, and coinsurance, stated as percentages for the cost of covered services. Coinsurance for basic health services, excluding deductibles, shall not exceed 50% of a health maintenance organization's reimbursement to an affiliated provider for providing the service to an enrollee and shall not be based on the provider's standard charge for the service. This subsection does not limit the commissioner's authority to regulate and establish fair, sound, and reasonable copayment and coinsurance limits including out of pocket maximums.

(3) A health maintenance organization shall not require contributions be made to a deductible for preventive health care services. As used in this subsection, "preventive health care services" means services designated to maintain an individual in optimum health and to prevent unnecessary injury, illness, or disability.

(4) A health maintenance organization may accept from governmental agencies and from private persons payments covering any part of the cost of health maintenance contracts.

Enacting section 1. This amendatory act takes effect 90 days after the date it is enacted into law.

This act is ordered to take immediate effect.
