The People of the State of Michigan enact:

CHAPTER X

Sec. 24. (1) Except as otherwise provided in this section, if a person desires to adopt a child or an adult and to bestow upon the adoptee his or her family name, or to adopt a child or an adult without a name change, with the intent to make the adoptee his or her heir, that person, together with his or her spouse, if married, shall file a petition with the court of the county in which the petitioner resides, where the adoptee is found or, where the parent's parental rights were terminated or are pending termination. If both parents' parental rights were terminated at different times and in different courts, a petition filed under this section shall be filed in the court of the county where parental rights were first terminated. If there has been a temporary placement of the child, the petition for adoption shall be filed with the court that received the report described in section 23d(2) of this chapter.

(2) Notwithstanding any other provision in this section, the court may allow either of the following to occur:

(a) A married individual to adopt an adult without his or her spouse joining in the petition if all of the interested parties consent.

(b) A married individual to adopt without his or her spouse joining in the petition if the failure of the other spouse to join in the petition or to consent to the adoption is excused by the court for good cause shown or in the best interest of the child.

(3) In an adoption proceeding in which there is more than 1 applicant, the petition for adoption shall be filed with the court of the county where the parent's parental rights were terminated or are pending termination. If both parents' parental rights were terminated at different times and in different courts, a petition filed under this section shall be filed in the court of the county where parental rights were first terminated.

(4) The petition for adoption shall be verified by each petitioner and shall contain the following information:

(a) The name, date and place of birth, and place of residence of each petitioner, including the maiden name of the adopting mother.

(b) Except as otherwise provided in subsection (7), the name, date and place of birth, and place of residence if known of the adoptee.

(c) The relationship, if any, of the adoptee to the petitioner.

(d) The full name by which the adoptee shall be known after adoption.

(e) The full description of the property, if any, of the adoptee.

(f) Unless the rights of the parents have been terminated by a court of competent jurisdiction or except as otherwise provided in subsection (7), the names of the parents of the adoptee and the place of residence of each living parent if known.

(g) Except as otherwise provided in subsection (7), the name and place of residence of the guardian of the person or estate of the adoptee, if any has been appointed.

(5) In a direct placement, the petitioner shall attach to the petition a verified statement certifying that the petitioner has been informed of the availability of counseling services and whether the petitioner has received counseling.

(6) Except as otherwise provided in this subsection, in a direct placement, the petitioner shall attach a copy of a preplacement assessment of the petitioner completed or updated within 1 year before the petition is filed with a finding that the petitioner is suitable to be a parent of an adoptee, copies of all other preplacement assessments of the petitioner, if any others have been completed, and a verified statement stating that no preplacement assessments of the petitioner have been completed other than those attached to the petition and explaining any preplacement assessments of the petitioner that have been initiated but not completed. If the petitioner is seeking review of a preplacement assessment under section 23f(8) of this chapter, the petitioner may comply with this subsection by attaching a copy of that preplacement assessment and a copy of the application for review, together with copies of all other preplacement assessments and the verified statement required by this section.

(7) In a direct placement in which the parties have elected not to exchange identifying information, the information required by subsection (4)(f) and (g) and the surname and place of residence of the adoptee required under subsection (4)(b) may be omitted. The attorney or child placing agency assisting in the adoption shall file a verified statement containing the omitted information.

Sec. 36. (1) If a child is claimed to be born out of wedlock and the mother executes or proposes to execute a release or consent relinquishing her rights to the child or joins in a petition for adoption filed by her spouse, and the release or consent of the natural father cannot be obtained, the judge shall hold a hearing as soon as practical to determine whether the child was born out of wedlock, to determine the identity of the father, and to determine or terminate the rights of the father as provided in this section and sections 37 and 39 of this chapter.

(2) Proof of service of a notice of intent to release or consent or the putative father's verified acknowledgment of notice of intent to release or consent shall be filed with the court, if the notice was given to the putative father. The court shall request the vital records division of the department to send to the court a copy of any notice of intent to claim paternity of the particular child that the division has received.

(3) Notice of the hearing shall be served upon the following:

(a) A putative father who has timely filed a notice of intent to claim paternity as provided in section 33 or 34 of this chapter.

(b) A putative father who was not served a notice of intent to release or consent at least 30 days before the expected date of confinement specified in the notice of intent to release or consent.

(c) Any other male who was not served according to section 34(1) of this chapter with a notice of intent to release or consent and who the court has reason to believe may be the father of the child.

(4) The notice of hearing shall inform the putative father that his failure to appear at the hearing constitutes a denial of his interest in custody of the child, which denial shall result in the court's termination of his rights to the child.

(5) Proof of service of the notice of hearing required by subsection (3) shall be filed with the court. A verified acknowledgment of service by the party to be served is proof of personal service. Notice of the hearing shall not be required if the putative father is present at the hearing. A waiver of notice of hearing by a person entitled to receive it is sufficient.

(6) The court shall receive evidence as to the identity of the father of the child. Based upon the evidence received, the court shall enter a finding identifying the father or declaring that the identity of the father cannot be determined.

(7) If the court finds that the father of the child is a person who did not receive either a timely notice of intent to release or consent pursuant to section 34(1) of this chapter or a notice required under subsection (3), and who has neither waived his right to notice of hearing nor is present at the hearing, the court shall adjourn further proceedings until that person is served with a notice of hearing.

CHAPTER XIIA

Sec. 13a. (1) As used in this section and sections 2, 6b, 13b, 17c, 17d, 18f, 19, 19a, 19b, and 19c of this chapter:

(a) “Agency” means a public or private organization, institution, or facility that is performing the functions under part D of title IV of the social security act, 42 USC 651 to 669b, or that is responsible under court order or contractual arrangement for a juvenile’s care and supervision.

(b) “Agency case file” means the current file from the agency providing direct services to the child, that can include the child protective services file if the child has not been removed from the home or the department or contract agency foster care file as provided under 1973 PA 116, MCL 722.111 to 722.128.

(c) “Attorney” means, if appointed to represent a child in a proceeding under section 2(b) or (c) of this chapter, an attorney serving as the child’s legal advocate in a traditional attorney-client relationship with the child, as governed by the Michigan rules of professional conduct. An attorney defined under this subdivision owes the same duties of undivided loyalty, confidentiality, and zealous representation of the child’s expressed wishes as the attorney would to an adult client. For the purpose of a notice required under these sections, attorney includes a child’s lawyer-guardian ad litem.

(d) “Case service plan” means the plan developed by an agency and prepared under section 18f of this chapter that includes services to be provided by and responsibilities and obligations of the agency and activities, responsibilities, and obligations of the parent. The case service plan may be referred to using different names than case service plan including, but not limited to, a parent/agency agreement or a parent/agency treatment plan and service agreement.

(e) “Foster care” means care provided to a juvenile in a foster family home, foster family group home, or child caring institution licensed or approved under 1973 PA 116, MCL 722.111 to 722.128, or care provided to a juvenile in a relative’s home under a court order.

(f) “Guardian ad litem” means an individual whom the court appoints to assist the court in determining the child’s best interests. A guardian ad litem does not need to be an attorney.

(g) “Lawyer-guardian ad litem” means an attorney appointed under section 17c of this chapter. A lawyer-guardian ad litem represents the child, and has the powers and duties, as set forth in section 17d of this chapter. The provisions of section 17d of this chapter also apply to a lawyer-guardian ad litem appointed under each of the following:

(i) Section 5213 or 5219 of the estates and protected individuals code, 1998 PA 386, MCL 700.5213 and 700.5219.

(ii) Section 4 of the child custody act of 1970, 1970 PA 91, MCL 722.24.

(iii) Section 10 of the child protection law, 1975 PA 238, MCL 722.630.

(h) “Nonparent adult” means a person who is 18 years of age or older and who, regardless of the person’s domicile, meets all of the following criteria in relation to a child over whom the court takes jurisdiction under this chapter:

(i) Has substantial and regular contact with the child.

(ii) Has a close personal relationship with the child’s parent or with a person responsible for the child’s health or welfare.

(iii) Is not the child’s parent or a person otherwise related to the child by blood or affinity to the third degree.

(i) “Permanent foster family agreement” means an agreement for a child 14 years old or older to remain with a particular foster family until the child is 18 years old under standards and requirements established by the department, which agreement is among all of the following:

(i) The child.

(ii) If the child is a temporary ward, the child’s family.

(iii) The foster family.

(iv) The child placing agency responsible for the child’s care in foster care.

(j) “Relative” means an individual who is at least 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent, aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A stepparent, ex-stepparent, or the parent who shares custody of a half-sibling shall be considered a relative for the purpose of placement. Notification to the stepparent, ex-stepparent, or the parent who shares custody of a half-sibling is required as described in section 4a of the foster care and adoption services act, 1994 PA 203, MCL 722.954a. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. A placement with the parent of a putative father under this subdivision is not a finding of paternity and does not confer legal standing on the putative father.

(k) “Sex offenders registration act” means the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(l) “Sibling” means a child who is related through birth or adoption by at least 1 common parent. Sibling includes that term as defined by the American Indian or Alaskan native child’s tribal code or custom.

(2) If a juvenile is alleged to be within the provisions of section 2(b) of this chapter, the court may authorize a petition to be filed at the conclusion of the preliminary hearing or inquiry. The court may authorize the petition upon a showing of probable cause that 1 or more of the allegations in the petition are true and fall within the provisions of section 2(b) of this chapter. If a petition is before the court because the department is required to submit the petition under section 17 of the child protection law, 1975 PA 238, MCL 722.637, the court shall hold a hearing on the petition within 24 hours or on the next business day after the petition is submitted, at which hearing the court shall consider at least the matters governed by subsections (4) and (5).

(3) Except as provided in subsections (5) and (6), if a petition under subsection (2) is authorized, the court may release the juvenile in the custody of either of the juvenile's parents or the juvenile's guardian or custodian under reasonable terms and conditions necessary for either the juvenile's physical health or mental well-being.

(4) The court may order a parent, guardian, custodian, nonparent adult, or other person residing in a child's home to leave the home and, except as the court orders, not to subsequently return to the home if all of the following take place:

(a) A petition alleging abuse of the child by the parent, guardian, custodian, nonparent adult, or other person is authorized under subsection (2).

(b) The court after a hearing finds probable cause to believe the parent, guardian, custodian, nonparent adult, or other person committed the abuse.

(c) The court finds on the record that the presence in the home of the person alleged to have committed the abuse presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(5) If a petition alleges abuse by a person described in subsection (4), regardless of whether the court orders the alleged abuser to leave the child's home under subsection (4), the court shall not leave the child in or return the child to the child's home or place the child with a person not licensed under 1973 PA 116, MCL 722.111 to 722.128, unless the court finds that the conditions of custody at the placement and with the individual with whom the child is placed are adequate to safeguard the child from the risk of harm to the child's life, physical health, or mental well-being.

(6) If a court finds a parent is required by court order to register under the sex offenders registration act, the department may, but is not required to, make reasonable efforts to reunify the child with the parent. The court may order reasonable efforts to be made by the department.

(7) In determining whether to enter an order under subsection (4), the court may consider whether the parent who is to remain in the juvenile's home is married to the person to be removed or has a legal right to retain possession of the home.

(8) An order entered under subsection (4) may also contain 1 or more of the following terms or conditions:

(a) The court may require the alleged abusive parent to pay appropriate support to maintain a suitable home environment for the juvenile during the duration of the order.

(b) The court may order the alleged abusive person, according to terms the court may set, to surrender to a local law enforcement agency any firearms or other potentially dangerous weapons the alleged abusive person owns, possesses, or uses.

(c) The court may include any reasonable term or condition necessary for the juvenile's physical or mental well-being or necessary to protect the juvenile.

(9) The court may order placement of the child in foster care if the court finds all of the following conditions:

(a) Custody of the child with the parent presents a substantial risk of harm to the child's life, physical health, or mental well-being.

(b) No provision of service or other arrangement except removal of the child is reasonably available to adequately safeguard the child from risk as described in subdivision (a).

(c) Continuing the child's residence in the home is contrary to the child's welfare.

(d) Consistent with the circumstances, reasonable efforts were made to prevent or eliminate the need for removal of the child.

(e) Conditions of child custody away from the parent are adequate to safeguard the child's health and welfare.

(10) If the court orders placement of the juvenile outside the juvenile's home, the court shall inform the parties of the following:

(a) That the agency has the responsibility to prepare an initial services plan within 30 days of the juvenile's placement.

(b) The general elements of an initial services plan as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128.

(c) That participation in the initial services plan is voluntary without a court order.

(11) Before or within 7 days after a child is placed in a relative's home, the department shall perform a criminal record check and central registry clearance. If the child is placed in the home of a relative, the court shall order a home study to be performed and a copy of the home study to be submitted to the court not more than 30 days after the placement.

(12) In determining placement of a juvenile pending trial, the court shall order the juvenile placed in the most family-like setting available consistent with the juvenile's needs.

(13) If a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(14) Reasonable efforts shall be made to do the following:

(a) Place siblings removed from their home in the same foster care, kinship guardianship, or adoptive placement, unless the supervising agency documents that a joint placement would be contrary to the safety or well-being of any of the siblings.

(b) In the case of siblings removed from their home who are not jointly placed, provide for visitation, at least monthly, or other ongoing interaction between the siblings, unless the supervising agency documents that visitation, at least monthly, or other ongoing interaction would be contrary to the safety or well-being of any of the siblings.

(15) If the supervising agency documents that visitation or other contact is contrary to the safety or well-being of any of the siblings and temporarily suspends visitation or contact, the supervising agency shall report its determination to the court for consideration at the next review hearing.

(16) If the supervising agency temporarily suspends visitation or contact, the court shall review the decision and determine whether sibling visitation or contact will be beneficial to the siblings. If so, the court shall order sibling visitation or contact to the extent reasonable.

(17) Upon the motion of any party, the court shall review custody and placement orders and initial services plans pending trial and may modify those orders and plans as the court considers under this section are in the juvenile's best interests.

(18) The court shall include in an order placing a child in foster care an order directing the release of information concerning the child in accordance with this subsection. If a child is placed in foster care, within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with copies of all initial, updated, and revised case service plans and court orders relating to the child and all of the child's medical, mental health, and education reports, including reports compiled before the child was placed with that person.

(19) In an order placing a child in foster care, the court shall include both of the following:

(a) An order that the child's parent, guardian, or custodian provide the supervising agency with the name and address of each of the child's medical providers.

(b) An order that each of the child's medical providers release the child's medical records. The order may specify providers by profession or type of institution.

(20) As used in this section, "abuse" means 1 or more of the following:

(a) Harm or threatened harm by a person to a juvenile's health or welfare that occurs through nonaccidental physical or mental injury.

(b) Engaging in sexual contact or sexual penetration as defined in section 520a of the Michigan penal code, 1931 PA 328, MCL 750.520a, with a juvenile.

(c) Sexual exploitation of a juvenile, which includes, but is not limited to, allowing, permitting, or encouraging a juvenile to engage in prostitution or allowing, permitting, encouraging, or engaging in photographing, filming, or depicting a juvenile engaged in a listed sexual act as defined in section 145c of the Michigan penal code, 1931 PA 328, MCL 750.145c.

(d) Maltreatment of a juvenile.

Sec. 18. (1) If the court finds that a juvenile concerning whom a petition is filed is not within this chapter, the court shall enter an order dismissing the petition. Except as otherwise provided in subsection (10), if the court finds that a juvenile is within this chapter, the court may enter any of the following orders of disposition that are appropriate for the welfare of the juvenile and society in view of the facts proven and ascertained:

(a) Warn the juvenile or the juvenile's parents, guardian, or custodian and, except as provided in subsection (7), dismiss the petition.

(b) Place the juvenile on probation, or under supervision in the juvenile's own home or in the home of an adult who is related to the juvenile. As used in this subdivision, "related" means an individual who is not less than 18 years of age and related to the child by blood, marriage, or adoption, as grandparent, great-grandparent, great-great-grandparent,

aunt or uncle, great-aunt or great-uncle, great-great-aunt or great-great-uncle, sibling, stepsibling, nephew or niece, first cousin or first cousin once removed, and the spouse of any of the above, even after the marriage has ended by death or divorce. A child may be placed with the parent of a man whom the court has found probable cause to believe is the putative father if there is no man with legally established rights to the child. This placement of the child with the parent of a man whom the court has found probable cause to believe is the putative father is for the purposes of placement only and is not to be construed as a finding of paternity or to confer legal standing. The court shall order the terms and conditions of probation or supervision, including reasonable rules for the conduct of the parents, guardian, or custodian, if any, as the court determines necessary for the physical, mental, or moral well-being and behavior of the juvenile. The court may order that the juvenile participate in a juvenile drug treatment court under chapter 10A of the revised judicature act of 1961, 1961 PA 236, MCL 600.1060 to 600.1084. The court also shall order, as a condition of probation or supervision, that the juvenile shall pay the minimum state cost prescribed by section 18m of this chapter.

(c) If a juvenile is within the court's jurisdiction under section 2(a) of this chapter, or under section 2(h) of this chapter for a supplemental petition, place the juvenile in a suitable foster care home subject to the court's supervision. If a juvenile is within the court's jurisdiction under section 2(b) of this chapter, the court shall not place a juvenile in a foster care home subject to the court's supervision.

(d) Except as otherwise provided in this subdivision, place the juvenile in or commit the juvenile to a private institution or agency approved or licensed by the department's division of child welfare licensing for the care of juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or agency as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates.

(e) Except as otherwise provided in this subdivision, commit the juvenile to a public institution, county facility, institution operated as an agency of the court or county, or agency authorized by law to receive juveniles of similar age, sex, and characteristics. If the juvenile is not a ward of the court, the court shall commit the juvenile to the department or, if the county is a county juvenile agency, to that county juvenile agency for placement in or commitment to an institution or facility as the department or county juvenile agency determines is most appropriate, subject to any initial level of placement the court designates. If a child is not less than 17 years of age and is in violation of a personal protection order, the court may commit the child to a county jail within the adult prisoner population. In a placement under subdivision (d) or a commitment under this subdivision, except to a state institution or a county juvenile agency institution, the juvenile's religious affiliation shall be protected by placement or commitment to a private child-placing or child-caring agency or institution, if available. Except for commitment to the department or a county juvenile agency, an order of commitment under this subdivision to a state institution or agency described in the youth rehabilitation services act, 1974 PA 150, MCL 803.301 to 803.309, or in 1935 PA 220, MCL 400.201 to 400.214, the court shall name the superintendent of the institution to which the juvenile is committed as a special guardian to receive benefits due the juvenile from the government of the United States. An order of commitment under this subdivision to the department or a county juvenile agency shall name that agency as a special guardian to receive those benefits. The benefits received by the special guardian shall be used to the extent necessary to pay for the portions of the cost of care in the institution or facility that the parent or parents are found unable to pay.

(f) Provide the juvenile with medical, dental, surgical, or other health care, in a local hospital if available, or elsewhere, maintaining as much as possible a local physician-patient relationship, and with clothing and other incidental items the court determines are necessary.

(g) Order the parents, guardian, custodian, or any other person to refrain from continuing conduct that the court determines has caused or tended to cause the juvenile to come within or to remain under this chapter or that obstructs placement or commitment of the juvenile by an order under this section.

(h) Appoint a guardian under section 5204 of the estates and protected individuals code, 1998 PA 386, MCL 700.5204, in response to a petition filed with the court by a person interested in the juvenile's welfare. If the court appoints a guardian as authorized by this subdivision, it may dismiss the petition under this chapter.

(i) Order the juvenile to engage in community service.

(j) If the court finds that a juvenile has violated a municipal ordinance or a state or federal law, order the juvenile to pay a civil fine in the amount of the civil or penal fine provided by the ordinance or law. Money collected from fines levied under this subsection shall be distributed as provided in section 29 of this chapter.

(k) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, order the juvenile's parent or guardian to personally participate in treatment reasonably available in the parent's or guardian's location.

(l) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, place the juvenile in and order the juvenile to complete satisfactorily a program of training in a juvenile boot camp established by the department under the juvenile boot camp act, 1996 PA 263, MCL 400.1301 to 400.1309, as provided in that act. If the county is a county juvenile agency, the court shall commit the juvenile to that county juvenile agency for placement in the program under that act. Upon receiving a report of satisfactory completion of the program from the department, the court shall authorize the juvenile's release from placement in the juvenile boot camp. Following satisfactory completion of the

juvenile boot camp program, the juvenile shall complete an additional period of not less than 120 days or more than 180 days of intensive supervised community reintegration in the juvenile's local community. To place or commit a juvenile under this subdivision, the court shall determine all of the following:

- (i) Placement in a juvenile boot camp will benefit the juvenile.
- (ii) The juvenile is physically able to participate in the program.
- (iii) The juvenile does not appear to have any mental handicap that would prevent participation in the program.
- (iv) The juvenile will not be a danger to other juveniles in the boot camp.
- (v) There is an opening in a juvenile boot camp program.

(vi) If the court must commit the juvenile to a county juvenile agency, the county juvenile agency is able to place the juvenile in a juvenile boot camp program.

(m) If the court entered a judgment of conviction under section 2d of this chapter, enter any disposition under this section or, if the court determines that the best interests of the public would be served, impose any sentence upon the juvenile that could be imposed upon an adult convicted of the offense for which the juvenile was convicted. If the juvenile is convicted of a violation or conspiracy to commit a violation of section 7403(2)(a)(i) of the public health code, 1978 PA 368, MCL 333.7403, the court may impose the alternative sentence permitted under that section if the court determines that the best interests of the public would be served. The court may delay imposing a sentence of imprisonment under this subdivision for a period not longer than the period during which the court has jurisdiction over the juvenile under this chapter by entering an order of disposition delaying imposition of sentence and placing the juvenile on probation upon the terms and conditions it considers appropriate, including any disposition under this section. If the court delays imposing sentence under this section, section 18i of this chapter applies. If the court imposes sentence, it shall enter a judgment of sentence. If the court imposes a sentence of imprisonment, the juvenile shall receive credit against the sentence for time served before sentencing. In determining whether to enter an order of disposition or impose a sentence under this subdivision, the court shall consider all of the following factors, giving greater weight to the seriousness of the offense and the juvenile's prior record:

(i) The seriousness of the offense in terms of community protection, including, but not limited to, the existence of any aggravating factors recognized by the sentencing guidelines, the use of a firearm or other dangerous weapon, and the impact on any victim.

(ii) The juvenile's culpability in committing the offense, including, but not limited to, the level of the juvenile's participation in planning and carrying out the offense and the existence of any aggravating or mitigating factors recognized by the sentencing guidelines.

(iii) The juvenile's prior record of delinquency including, but not limited to, any record of detention, any police record, any school record, or any other evidence indicating prior delinquent behavior.

(iv) The juvenile's programming history, including, but not limited to, the juvenile's past willingness to participate meaningfully in available programming.

(v) The adequacy of the punishment or programming available in the juvenile justice system.

(vi) The dispositional options available for the juvenile.

(n) In a proceeding under section 2(b) or (c) of this chapter, if a juvenile is removed from the parent's custody at any time, the court shall permit the juvenile's parent to have regular and frequent parenting time with the juvenile. Parenting time between the juvenile and his or her parent shall not be less than 1 time every 7 days unless the court determines either that exigent circumstances require less frequent parenting time or that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being. If the court determines that parenting time, even if supervised, may be harmful to the juvenile's life, physical health, or mental well-being, the court may suspend parenting time until the risk of harm no longer exists. The court may order the juvenile to have a psychological evaluation or counseling, or both, to determine the appropriateness and the conditions of parenting time.

(2) An order of disposition placing a juvenile in or committing a juvenile to care outside of the juvenile's own home and under state, county juvenile agency, or court supervision shall contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of care or service. The order shall be reasonable, taking into account both the income and resources of the juvenile, parent, guardian, or custodian. The amount may be based upon the guidelines and model schedule created under subsection (6). If the juvenile is receiving an adoption support subsidy under sections 115f to 115m of the social welfare act, 1939 PA 280, MCL 400.115f to 400.115m, the amount shall not exceed the amount of the support subsidy. The reimbursement provision applies during the entire period the juvenile remains in care outside of the juvenile's own home and under state, county juvenile agency, or court supervision, unless the juvenile is in the permanent custody of the court. The court shall provide for the collection of all amounts ordered to be reimbursed and the money collected shall be accounted for and reported to the county board of commissioners. Collections to cover delinquent accounts or to pay the balance due on reimbursement orders may be made after a juvenile is released or discharged from care outside the juvenile's own home and under state, county juvenile agency, or court supervision. Twenty-five percent of all amounts collected under an order entered under this

subsection shall be credited to the appropriate fund of the county to offset the administrative cost of collections. The balance of all amounts collected under an order entered under this subsection shall be divided in the same ratio in which the county, state, and federal government participate in the cost of care outside the juvenile's own home and under state, county juvenile agency, or court supervision. The court may also collect from the government of the United States benefits paid for the cost of care of a court ward. Money collected for juveniles placed by the court with or committed to the department or a county juvenile agency shall be accounted for and reported on an individual juvenile basis. In cases of delinquent accounts, the court may also enter an order to intercept state or federal tax refunds of a juvenile, parent, guardian, or custodian and initiate the necessary offset proceedings in order to recover the cost of care or service. The court shall send to the person who is the subject of the intercept order advance written notice of the proposed offset. The notice shall include notice of the opportunity to contest the offset on the grounds that the intercept is not proper because of a mistake of fact concerning the amount of the delinquency or the identity of the person subject to the order. The court shall provide for the prompt reimbursement of an amount withheld in error or an amount found to exceed the delinquent amount.

(3) An order of disposition placing a juvenile in the juvenile's own home under subsection (1)(b) may contain a provision for reimbursement by the juvenile, parent, guardian, or custodian to the court for the cost of service. If an order is entered under this subsection, an amount due shall be determined and treated in the same manner provided for an order entered under subsection (2).

(4) An order directed to a parent or a person other than the juvenile is not effective and binding on the parent or other person unless opportunity for hearing is given by issuance of summons or notice as provided in sections 12 and 13 of this chapter and until a copy of the order, bearing the seal of the court, is served on the parent or other person as provided in section 13 of this chapter.

(5) If the court appoints an attorney to represent a juvenile, parent, guardian, or custodian, the court may require in an order entered under this section that the juvenile, parent, guardian, or custodian reimburse the court for attorney fees.

(6) The office of the state court administrator, under the supervision and direction of the supreme court, shall create guidelines that the court may use in determining the ability of the juvenile, parent, guardian, or custodian to pay for care and any costs of service ordered under subsection (2) or (3). The guidelines shall take into account both the income and resources of the juvenile, parent, guardian, or custodian.

(7) If the court finds that a juvenile comes under section 30 of this chapter, the court shall order the juvenile or the juvenile's parent to pay restitution as provided in sections 30 and 31 of this chapter and in sections 44 and 45 of the crime victim's rights act, 1985 PA 87, MCL 780.794 and 780.795.

(8) If the court imposes restitution as a condition of probation, the court shall require the juvenile to do either of the following as an additional condition of probation:

(a) Engage in community service or, with the victim's consent, perform services for the victim.

(b) Seek and maintain paid employment and pay restitution to the victim from the earnings of that employment.

(9) If the court finds that the juvenile is in intentional default of the payment of restitution, a court may, as provided in section 31 of this chapter, revoke or alter the terms and conditions of probation for nonpayment of restitution. If a juvenile who is ordered to engage in community service intentionally refuses to perform the required community service, the court may revoke or alter the terms and conditions of probation.

(10) The court shall not enter an order of disposition for a juvenile offense as defined in section 1a of 1925 PA 289, MCL 28.241a, or a judgment of sentence for a conviction until the court has examined the court file and has determined that the juvenile's fingerprints have been taken and forwarded as required by section 3 of 1925 PA 289, MCL 28.243, and as required by the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736. If a juvenile has not had his or her fingerprints taken, the court shall do either of the following:

(a) Order the juvenile to submit himself or herself to the police agency that arrested or obtained the warrant for the juvenile's arrest so the juvenile's fingerprints can be taken and forwarded.

(b) Order the juvenile committed to the sheriff's custody for taking and forwarding the juvenile's fingerprints.

(11) Upon final disposition, conviction, acquittal, or dismissal of an offense within the court's jurisdiction under section 2(a)(1) of this chapter, using forms approved by the state court administrator, the clerk of the court entering the final disposition, conviction, acquittal, or dismissal shall immediately advise the department of state police of that final disposition, conviction, acquittal, or dismissal as required by section 3 of 1925 PA 289, MCL 28.243. The report to the department of state police shall include information as to the finding of the judge or jury and a summary of the disposition or sentence imposed.

(12) If the court enters an order of disposition based on an act that is a juvenile offense as defined in section 1 of 1989 PA 196, MCL 780.901, the court shall order the juvenile to pay the assessment as provided in that act. If the court enters a judgment of conviction under section 2d of this chapter for an offense that is a felony, misdemeanor, or ordinance violation, the court shall order the juvenile to pay the assessment as provided in that act.

(13) If the court has entered an order of disposition or a judgment of conviction for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court, the department, or the county juvenile agency shall register the juvenile or accept the juvenile's registration as provided in the sex offenders registration act, 1994 PA 295, MCL 28.721 to 28.736.

(14) If the court enters an order of disposition placing a juvenile in a juvenile boot camp program, or committing a juvenile to a county juvenile agency for placement in a juvenile boot camp program, and the court receives from the department a report that the juvenile has failed to perform satisfactorily in the program, that the juvenile does not meet the program's requirements or is medically unable to participate in the program for more than 25 days, that there is no opening in a juvenile boot camp program, or that the county juvenile agency is unable to place the juvenile in a juvenile boot camp program, the court shall release the juvenile from placement or commitment and enter an alternative order of disposition. A juvenile shall not be placed in a juvenile boot camp under an order of disposition more than once, except that a juvenile returned to the court for a medical condition, because there was no opening in a juvenile boot camp program, or because the county juvenile agency was unable to place the juvenile in a juvenile boot camp program may be placed again in the juvenile boot camp program after the medical condition is corrected, an opening becomes available, or the county juvenile agency is able to place the juvenile.

(15) If the juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter for an offense other than a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, the court shall determine if the offense is a violation of a law of this state or a local ordinance of a municipality of this state that by its nature constitutes a sexual offense against an individual who is less than 18 years of age. If so, the order of disposition is for a listed offense as defined in section 2 of the sex offenders registration act, 1994 PA 295, MCL 28.722, and the court shall include the basis for that determination on the record and include the determination in the order of disposition.

(16) The court shall not impose a sentence of imprisonment in the county jail under subsection (1)(m) unless the present county jail facility for the juvenile's imprisonment would meet all requirements under federal law and regulations for housing juveniles. The court shall not impose the sentence until it consults with the sheriff to determine when the sentence will begin to ensure that space will be available for the juvenile.

(17) In a proceeding under section 2(h) of this chapter, this section only applies to a disposition for a violation of a personal protection order and subsequent proceedings.

(18) If a juvenile is within the court's jurisdiction under section 2(a)(1) of this chapter, the court shall order the juvenile to pay costs as provided in section 18m of this chapter.

(19) A juvenile who has been ordered to pay the minimum state cost as provided in section 18m of this chapter as a condition of probation or supervision and who is not in willful default of the payment of the minimum state cost may petition the court at any time for a remission of the payment of any unpaid portion of the minimum state cost. If the court determines that payment of the amount due will impose a manifest hardship on the juvenile or his or her immediate family, the court may remit all or part of the amount of the minimum state cost due or modify the method of payment.

Sec. 18f. (1) If, in a proceeding under section 2(b) of this chapter, an agency advises the court against placing a child in the custody of the child's parent, guardian, or custodian, the agency shall report in writing to the court what efforts were made to prevent the child's removal from his or her home or the efforts made to rectify the conditions that caused the child's removal from his or her home. The report shall include all of the following:

(a) If services were provided to the child and his or her parent, guardian, or custodian, the services, including in-home services, that were provided.

(b) If services were not provided to the child and his or her parent, guardian, or custodian, the reasons why services were not provided.

(c) Likely harm to the child if the child were to be separated from his or her parent, guardian, or custodian.

(d) Likely harm to the child if the child were to be returned to his or her parent, guardian, or custodian.

(2) Before the court enters an order of disposition in a proceeding under section 2(b) of this chapter, the agency shall prepare a case service plan that shall be available to the court and all the parties to the proceeding.

(3) The case service plan shall provide for placing the child in the most family-like setting available and in as close proximity to the child's parents' home as is consistent with the child's best interests and special needs. The case service plan shall include, but is not limited to, the following:

(a) The type of home or institution in which the child is to be placed and the reasons for the selected placement.

(b) Efforts to be made by the child's parent to enable the child to return to his or her home.

(c) Efforts to be made by the agency to return the child to his or her home.

(d) Schedule of services to be provided to the parent, child, and if the child is to be placed in foster care, the foster parent, to facilitate the child's return to his or her home or to facilitate the child's permanent placement.

(e) Except as otherwise provided in this subdivision, unless parenting time, even if supervised, would be harmful to the child as determined by the court under section 13a of this chapter or otherwise, a schedule for regular and frequent parenting time between the child and his or her parent, which shall not be less than once every 7 days.

(f) Efforts to be made by the supervising agency to provide frequent in-person visitation or other ongoing interaction between siblings unless the court determines under section 13a of this chapter that sibling visitation or contact will not be beneficial to 1 or more of the siblings.

(g) Conditions that would limit or preclude placement or parenting time with a parent who is required by court order to register under the sex offenders registration act.

(4) Before the court enters an order of disposition, the court shall consider the case service plan; any written or oral information offered concerning the child from the child's parent, guardian, custodian, foster parent, child caring institution, relative with whom the child is placed, lawyer-guardian ad litem, attorney, or guardian ad litem; and any other evidence offered, including the appropriateness of parenting time, which information or evidence bears on the disposition. The order of disposition shall state whether reasonable efforts have been made to prevent the child's removal from his or her home or to rectify the conditions that caused the child's removal from his or her home. The court may order compliance with all or any part of the case service plan as the court considers necessary.

(5) If a child continues in placement outside of the child's home, the case service plan shall be updated and revised at 90-day intervals as required by the rules promulgated under 1973 PA 116, MCL 722.111 to 722.128. The agency shall consult with the foster parents when it updates and revises the case service plan, and shall attach a statement summarizing the information received from the foster parents to the updated and revised case service plan. Updated and revised case service plans shall be available to the court and all the parties to the proceeding. Within 10 days after receipt of a written request, the agency shall provide the person who is providing the foster care with the information itemized in section 13a(17) of this chapter.

(6) To ensure that the case service plan addresses the child's medical needs in relation to abuse and neglect, the department shall review a child's case with the child's attending physician of record during a hospitalization or with the child's primary care physician, but only if a physician has diagnosed the child's abuse or neglect as involving 1 or more of the following:

- (a) Failure to thrive.
- (b) Munchausen syndrome by proxy.
- (c) Shaken baby syndrome.
- (d) A bone fracture that is diagnosed as being the result of abuse or neglect.
- (e) Drug exposure.

(7) If a child is placed outside of his or her home and the department is required to review the child's case with a physician under subsection (6), then in a judicial proceeding to determine if the child is to be returned to his or her home, the court must allow the child's attending physician of record during a hospitalization or the child's primary care physician to testify regarding the case service plan. The court shall notify each physician of the hearing's time and place.

Enacting section 1. This amendatory act takes effect 90 days after the date it is enacted into law.

Enacting section 2. This amendatory act does not take effect unless House Bill No. 5521 of the 98th Legislature is enacted into law.
