# **ENROLLED SENATE BILL No. 1074**

AN ACT to amend 1994 PA 451, entitled "An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to protect the people's right to hunt and fish; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, assessments, and donations; to provide certain appropriations; to prescribe penalties and provide remedies; and to repeal acts and parts of acts," by amending section 43525b (MCL 324.43525b), as added by 2013 PA 108.

*The People of the State of Michigan enact:*

Sec. 43525b. (1) Except as otherwise provided in this part, an individual 16 years of age or older shall not hunt waterfowl without a current waterfowl hunting license issued by this state. The annual license requirement is in addition to the requirements for a base license and federal migratory bird hunting stamp. The fee for the waterfowl hunting license is \$12.00.

(2) If issued as a stamp, a waterfowl hunting license shall be affixed to the base license of the individual and signed across the face of the stamp by the individual to whom it is issued.

(3) A collector may purchase a waterfowl hunting license, if it is issued as a stamp, without being required to place it on a base license, sign across its face, or provide proof of competency under section 43520(2). However, a license described in this subsection is not valid for hunting waterfowl.

(4) From the fee collected for each waterfowl hunting license, the department shall use the following amounts:

(a) \$9.00 shall be used to acquire, restore, or enhance wetlands and other lands to be managed for the benefit of waterfowl. Except as otherwise provided in this subdivision, not more than 0.25% of the money under this subdivision shall be used to acquire lands. However, if all of the money appropriated from the natural resources trust fund for eco-region acquisition carried over from previous fiscal years is spent, then the 0.25% limitation under this subdivision does not apply. The department shall not acquire land under this subdivision until that acquisition is approved by the joint capital outlay subcommittee.

(b) \$1.93 shall be used to operate, maintain, and develop managed waterfowl areas in this state.

(c) The remaining amount shall be retained under section 43541 or used for administration of this part.

(5) Not later than March 1, 2018, the department shall develop an electronic license that allows an individual to display an electronic copy of his or her Michigan waterfowl hunting license using an electronic device.

Enacting section 1. This amendatory act does not take effect unless Senate Bill No. 1073 of the 98th Legislature is enacted into law.
