(2) Notwithstanding the existence of common management, the authority shall be treated and accounted for as a separate legal entity with its separate corporate purposes as set forth in this act. The assets, liabilities, and funds of the authority shall not be consolidated or commingled with those of this state.

Sec. 4. The authority shall exercise its duties independently of the department. The staffing, budgeting, procurement, and related administrative functions of the authority may be performed under the direction and supervision of the director of the department.

Sec. 5. (1) The authority shall exercise its duties through its board of directors.

(2) The board shall be made up of 9 members as follows:

(a) Subject to subsection (7), the director of the department.

(b) Three members with professional knowledge, skill, or experience in long-term care, health care licensure or finance, or medicine who represent the interests of 1 or more congressionally chartered veterans' organizations appointed by the governor with the advice and consent of the senate.

(c) Three members with professional knowledge, skill, or experience in long-term care, health care licensure or finance, or medicine appointed by the governor with the advice and consent of the senate. (7) One year after the second facility operated by the authority is open and housing veterans, the director of the department shall then serve as a nonvoting member of the board. A new member who is a veteran who has professional knowledge, skill, or experience in long-term care, health care licensure or finance, or medicine shall be appointed by the governor with the advice and consent of the senate.

(11) A member of the board or officer, employee, or agent of the authority shall discharge the duties of his or her position in a nonpartisan manner, with good faith, and with that degree of diligence, care, and skill that an ordinarily prudent person would exercise under similar circumstances in a like position. In discharging the duties, a member of the board or an officer, employee, or agent, when acting in good faith, may rely upon the opinion of counsel for the authority, upon the report of an independent appraiser selected with reasonable care by the board, or upon financial statements of the authority represented to the member of the board or officer, employee, or agent of the authority to be correct by the president or the officer of the authority having charge of its books or account, or stated in a written report by a certified public accountant or firm of certified public accountants fairly to reflect the financial condition of the authority.

(12) The board shall organize and make its own policies and procedures.  - (f) To employ and contract with individuals necessary for the operation of the authority and 1 or more veterans' facilities.
 - (g) To make and execute contracts including without limitation sale agreements, trust agreements, trust indentures, bond purchase agreements, tax regulatory agreements, continuing disclosure agreements, ancillary facilities, and all other instruments necessary or convenient for the exercise of its powers and functions, and commence any action to protect or enforce any right conferred upon it by any law, contract or other agreement.
 - (h) To engage the services of financial advisors and experts, legal counsel, placement agents, underwriters, appraisers and other advisors, consultants and fiduciaries as may be necessary to effectuate the purposes of this act.

Sec. 7. (1) It is determined that the creation of the authority and the carrying out of its authorized duties is in all respects a public and governmental purpose for the benefit of the people of this state and for the improvement of their health, safety, welfare, comfort, and security, and that these purposes are public purposes and that the authority will be performing an essential governmental function in the exercise of the powers conferred upon it by this act.

(2) The property of the authority and its income and operations shall be exempt from taxation by this state and any political subdivision of this state.

(3) In the case of any bonds, the interest on which is intended to be exempt from federal income tax, the authority shall prescribe restrictions on the use of the proceeds of those bonds and related matters as are necessary to assure the exemption, and the recipients of proceeds of those bonds shall be bound thereby to the extent the restrictions shall be made applicable to them. Any recipient of the proceeds of bonds bearing interest that is intended to be exempt from federal income tax, including without limitation this state or any political subdivision of this state, is authorized to execute a tax regulatory agreement with the authority and, as to any political subdivision that is a recipient of the proceeds of bonds bearing interest that is intended to be exempt from federal income, this state. The execution of a tax regulatory agreement may be treated as a condition to receiving any proceeds of a bond issued under this act.

Sec. 8. (1) The authority shall have power and is hereby authorized from time to time to issue bonds in the principal amount or amounts and with the maturities as the authority shall determine to be necessary to provide sufficient funds for achieving its authorized purposes. The department of treasury shall provide technical expertise as necessary for the authority to issue bonds under this act.

(2) The board of the authority shall authorize the issuance of bonds by resolution. Except as otherwise provided in this subsection, the authority may issue bonds, including refunding bonds, without obtaining the consent of any department, division, commission, board, bureau, or agency of this state and without any other proceedings or the

occurrence of any other conditions other than those proceedings, conditions, or things that are specifically required by this act. Every issue of bonds shall be special revenue obligations payable from and secured by a pledge of revenues and other assets, including without limitation the proceeds of the bonds deposited in a reserve fund for the benefit of the owners of the bonds, earnings on funds of the authority and other funds as may become available, upon the terms and conditions as specified by the authority in the authority resolution under which the bonds are issued or in a related trust agreement or trust indenture. The authority shall provide notice to the speaker of the house and majority leader of the senate of their intent to issue bonds under this section. The notice shall include estimated principal amount or amounts and authorized purpose of issuing the bond or bonds.

(3) The authority may issue bonds to refund any bonds by the issuance of new bonds, whenever it considers the refunding expedient, whether the bonds to be refunded have or have not matured, and to issue bonds partly to refund bonds then outstanding and partly for restructuring or any of its other authorized purposes.

(4) For each issue of bonds, the authority shall determine all of the following:

(a) The date of issuance.

(b) Whether the bonds shall bear no interest, appreciate as to principal amount, bear interest at fixed or variable rates, or any combination of these.

(c) Whether the bonds shall be payable at or prior to maturity.

(d) When the bonds shall mature.

(e) Whether the authority may redeem the bonds prior to maturity, at what price, and under what conditions.

(f) The method of payment of principal of and interest on the bonds.

(g) The form, denominations, and places of payment of principal of and interest on the bonds.

(h) If any officer whose signature or the facsimile of whose signature appears on any bond shall cease to be that officer before the delivery of the bond, that signature or facsimile shall nevertheless be valid and sufficient for all purposes as if he or she had remained in office until delivery of the bond.

(i) Any other terms and conditions necessary to issue the bonds in fully marketable form.

(5) The authority may sell the bonds in the manner determined by the authority board, at public or private sale, and on either a competitive or negotiated basis.

(6) This act shall govern the creation, perfection, priority, and enforcement of any pledge of revenues or other security made by the authority. Each pledge made by the authority shall be valid and binding at the time the pledge is made. The encumbered revenues, reserves, or earnings pledged or earnings on the investment of the encumbered revenues, reserves, or earnings pledged shall immediately be subject to the lien of the pledge without any physical delivery or further act and the lien on that pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether the parties have notice of the lien or pledge, and without filing or recording the pledge. The resolution or other instrument by which a pledge is created does not have to be recorded.

(7) This act shall also govern the negotiability of bonds issued under this act. Any bonds issued under this act shall be fully negotiable within the meaning and for all purposes of the uniform commercial code. By accepting the bond or obligation, each owner of a bond or other obligation of the authority shall be conclusively considered to have agreed that the bond is and shall be fully negotiable within the meaning and for all purposes of the uniform commercial code.

(8) In the discretion of the authority, any bonds may be secured by a trust agreement or trust indenture by and between the authority and a trustee, which may be any trust company or bank having the powers of a trust company, whether located within or without this state. A trust agreement or trust indenture authorized under this subsection, or an authority resolution providing for the issuance of bonds may provide for the creation and maintenance of reserves as the authority shall determine to be proper and may include covenants setting forth the duties of the authority in relation to the bonds, the income to the authority, and the sale agreement. A trust agreement or trust indenture authorized under this subsection or an authority resolution may contain provisions respecting the custody, safeguarding, and application of all money and bonds and may contain provisions for protecting and enforcing the rights and remedies under the sale agreement of the owners of the bonds and benefited parties as may be reasonable and proper and not in violation of law. It shall be lawful for any bank or trust company incorporated under the laws of this state that may act as depository of the proceeds of bonds or of any other funds or obligations received on behalf of the authority to furnish indemnifying bonds or to pledge obligations as may be required by the authority. Any trust agreement or trust indenture authorized under this subsection or an authority resolution may contain other provisions as the authority may consider reasonable and proper for priorities and subordination among the owners of bonds and benefited parties.

(9) A member of the board or an officer, appointee, or employee of the authority shall not be subject to personal liability when acting in good faith within the scope of his or her authority or on account of liability of the authority. The board may defend and indemnify a member of the board or an officer, appointee, or employee of the authority against liability arising out of the discharge of his or her official duties. The authority may indemnify and procure insurance indemnifying members of the board and other officers and employees of the authority from personal loss or accountability

for liability asserted by a person with regard to bonds or other obligations of the authority, or from any personal liability or accountability by reason of the issuance of the bonds or other obligations or by reason of any other action taken or the failure to act by the authority. The authority may also purchase and maintain insurance on behalf of any person against the liability asserted against the person and incurred by the person in any capacity or arising out of the status of the person as a member of the board or an officer or employee of the authority, whether or not the authority would have the power to indemnify the person against that liability under this subsection.

(10) A member, officer, employee or agent of the authority shall not have an interest, either directly or indirectly, in any business organization engaged in any business, contract or transaction with the authority or in any contract of any other person engaged in any business with the authority, or in the purchase, sale, lease or transfer of any property to or from the authority.

(11) Bonds issued under this act are not subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(12) The issuance of bonds under this act is subject to the agency financing reporting act, 2002 PA 470, MCL 129.171 to 129.177.

(13) A resolution of the authority authorizing bonds, or the provisions of a trust agreement or trust indenture authorized by resolution of the authority, may delegate to an officer or other employee of the authority, or an agent designated by the authority, for the period of time as the authority determines, the power to cause the issue, sale, and delivery of the bonds within limits on those bonds established by the authority as to any of the following:

- (a) The form.

- (c) Mortgage credit certificates as defined in section 25 of the internal revenue code of 1986, 26 USC 25.

(15) The authority shall not issue bonds under this act for the purpose of paying operating costs or other recurring costs.

(16) The authority shall not issue bonds under this act that in total exceed \$150,000,000.00.

Sec. 9. Notwithstanding any restriction contained in any other law, rule, regulation, or order to the contrary, this state and all political subdivisions of this state, their officers, boards, commissioners, departments or other agencies, governmental pension funds, all banks, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking or investment business, and all executors, administrators, guardians, trustees and other fiduciaries, and all other persons whatsoever who now are or may hereafter be authorized to invest in bonds or other obligations of the state, may properly and legally invest any sinking funds, money or other funds, including capital, belonging to them or within their control, in any bond. Bonds issued by the authority under this act are hereby made bonds that may properly and legally be deposited with, and received by, any state municipal officers or agency of this state, for any purpose for which the deposit of bonds or other obligations of this state is now, or may be, authorized by law.

Sec. 10. The authority may be dissolved by act of the legislature on condition that the authority has no debts or obligations outstanding or that provision has been made for the payment or retirement of all debts or obligations. Upon any such dissolution of the authority, all property, funds, and assets of the authority shall be vested in this state.

Sec. 11. This act and all powers granted hereby shall be liberally construed to effectuate its intent and their purposes, without implied limitations on the powers of the authority, the state budget director, and the state treasurer. This act shall constitute full, complete, and additional authority for all things that are contemplated in this act to be done. All rights and powers granted in this act shall be cumulative with those derived from other sources and shall not, except as expressly stated in this act, be construed in limitation of those rights and powers. Insofar as the provisions of this act are inconsistent with the provisions of any other act, general or special, the provisions of this act shall be

controlling. If any clause, paragraph, section, or part of this act is adjudged by any court of competent jurisdiction to be invalid, that judgment shall not affect, impair, or invalidate the remainder of the clause, paragraph, section, or part but shall be applied in its operation to the clause, sentence, paragraph, section, or part directly involved in the controversy in which the judgment shall have been rendered.

Sec. 12. (1) The authority shall annually file a written report on its activities of the immediately preceding year with the governor, each house of the legislature, and the chairperson of the appropriations subcommittee of each house of the legislature that has jurisdiction over military and veterans' affairs. This report shall be submitted not later than 90 days following the end of the fiscal year. This report shall specify all of the following:

- (a) The status of development of each veterans' facility.
- (b) A statement whether a veterans' facility will likely be opening in the next fiscal year.

- (f) Recommendations for improvements at each veterans' facility.
- (g) Salaries and benefits costs of all staff positions within the authority and at all veterans' facilities.
- (h) Any other matters the board considers pertinent.

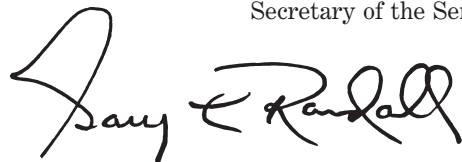

(2) If the authority indicates that a veterans' facility will likely be opening in the next fiscal year under subsection (1)(a), then the authority shall file a supplemental report on its activities every 90 days until the veterans' facility is open and operational. The supplemental report shall be filed with the governor, each house of the legislature, and the chairperson of the appropriations subcommittee of each house of the legislature that has jurisdiction over military and veterans' affairs not later than 60 days following the 90-day period covered in the supplemental report. The supplemental report shall specify all the items described in subsection (1)(a) to (g).

(3) The accounts of the authority shall be subject to annual audits by the state auditor general or a certified public accountant appointed by the auditor general. However, for the first 4 years of the authority's existence, the auditor general shall conduct a financial audit for the first year and biennially thereafter and shall conduct a performance audit for the second year and biennially thereafter. After the initial 4-year period of the authority's existence, the auditor general shall perform a performance audit if a veterans' facility receives a Centers for Medicare and Medicaid Services survey finding that indicates a substandard quality of care as defined in 42 CFR 488.301, upon request by either house of the legislature, or as otherwise determined by the auditor general. Records shall be maintained according to generally accepted auditing principles.

This act is ordered to take immediate effect.
