

Reps. Forlini, Wittenberg, Chirkun, Faris, Lucido, Maturen, Liberati, Heise, Howrylak, Sarah Roberts and Singh offered the following resolution:

House Resolution No. 23.

A resolution to declare February 28, 2015, as Rare Disease Day in the state of Michigan.

Whereas, Rare diseases are classified as those that affect fewer than 200,000 individuals; and

Whereas, February 28th has been recognized as Rare Disease Day by millions of people throughout the United States of America and the world; and

Whereas, According to the National Institutes of Health, almost 30 million Americans suffer from almost 7,000 rare diseases; and

Whereas, The National Organization for Rare Disorders (NORD), a unique federation of voluntary health organizations dedicated to helping people with rare "orphan" diseases and assisting the organizations that serve them, offers programs of education, advocacy, research, and other services; and

Whereas, Thousands of Michigan residents are affected by rare diseases as patients, friends and family, caregivers, physicians and other medical professionals, providers of social services, and researchers seeking to develop safe and effective treatments; and

Whereas, Since most rare diseases are genetic, over 50% of the people affected by rare diseases in the United States are children; and

Whereas, People with a rare disease experience challenges due to the nature of their disease including difficulty in obtaining a timely and accurate diagnosis; difficulty in finding physicians or treatment centers with the needed expertise, and treatments that are generally more expensive than those for common diseases,

Whereas, Research on rare diseases is important because it often adds significantly to the general understanding of more common diseases; now, therefore, be it
