**Senate Bill 817 would enact the "Michigan World War II Legacy Memorial Fund Act" to do the following:**

- **Require money raised from the proposed tax return check-off to be credited to the Fund.**

The bills are tie-barred.

**Senate Bill 816**

Section 435 of the Income Tax Act allows an individual to designate on his or her annual State income tax return that contributions of \$5, \$10, or more of his or her refund be credited to any of the funds listed in that section (check-offs). If an individual's refund is not sufficient to make a contribution, he or she may designate a contribution amount to be added to his or her tax liability for that tax year.

The Department of Treasury is required to prepare a contributions schedule that includes the authorized funds. The schedule may not include more than 10 separate check-offs in a single year, and the Department must discontinue a check-off that fails to raise \$50,000 in a tax year for two consecutive years.

The 2017 Michigan Voluntary Contributions Schedule includes the following check-offs: the American Red Cross Michigan Fund; the Animal Welfare Fund; the Children's Trust Fund; the Michigan Junior Achievement Fund; the Military Family Relief Fund; and the United Way Fund.

The bill would add the Michigan World War II Legacy Memorial Fund to the list of check-offs, beginning in 2018.

## **Senate Bill 817**

The bill would create the Michigan World War II Legacy Memorial Fund within the Department of Treasury for the purpose of providing funds for donation to the Michigan World War II Legacy Memorial organization to assist in honoring Michigan residents who served in the armed forces and on the home front during World War II and building Michigan's official tribute to them.

The Fund would consist of the money credited to it under Section 435 of the Income Tax Act, any interest and earnings accruing from the saving and investment of that money, and money from any other source. The State Treasurer would have to credit to the Fund all amounts appropriated for that purpose under Section 435 and money from any other source for deposit into the Fund.

The bill would require the money, interest, and earnings of the Fund to be spent solely for donation to the Michigan World War II Legacy Memorial organization. The money in the Fund that was available for distribution would have to be appropriated each year. Money granted or received as a gift or donation to the Fund would be available for distribution after appropriation.

The Department of Treasury would be the administrator of the Fund for auditing purposes, and the State Treasurer would have to direct its investment. Money in the Fund at the close of the year would remain in the Fund and would not lapse to the General Fund.

### **FISCAL IMPACT**

The bills would have a minimal fiscal impact on the Department of Treasury and no impact on local units of government. The Department would incur minimal administrative costs to add one new fund. The cost of modifying the Michigan income tax form would be part of annual modifications and within current appropriations.

The Veteran Tuition Grant Fund, Special Olympics, ALS of Michigan, and Alzheimer's Association Funds have generated less than \$50,000 in the previous two tax years, which means that they must be removed from the income tax check-off list according to statute. Senate Bill 816 would reflect the removal of these funds.
