Senate Bill 1253 (as reported without amendment)
Sponsor: Senator Goeff Hansen
Committee: Transportation

CONTENT

The bill would amend the Michigan Vehicle Code to specify that Chapter 6 (Obedience to and Effect of Traffic Laws) would not prevent a local authority from designating particular highways as two-way highways.

The Code provides that Chapter 6 does not prevent a local authority from regulating various activities with respect to streets or highways under the local authority's jurisdiction and within reasonable exercise of the police power. These activities include designating particular highways as one-way highways and requiring that all vehicles on those highways be moved in one specific direction. The bill also would allow a local authority to designate particular highways as two-way highways.
