House Bill 5800 (Substitute H-3 as reported without amendment)

Sponsor: Representative Yousef Rabhi

House Committee: Judiciary

Senate Committee: Judiciary

### **CONTENT**

The bill would amend the Revised School Code to prohibit the board of a school district or intermediate school district (ISD) or the board of directors of a public school academy (PSA) from expelling a pupil, or suspending a pupil for more than 10 school days, for an action that the pupil took arising out of an incident in which the pupil reported being sexually assaulted or an incident in which a school official or staff member witnessed a sexual assault on the pupil or received credible evidence that the pupil had been sexually assaulted. The board of a school district or ISD or the board of directors of a PSA would be encouraged to follow the recommendations or guidance of its Title IX coordinator in deciding to suspend a pupil.

The prohibition would not apply if any of the following were met concerning a reported incident:

- The pupil was convicted of, pleaded guilty to, pleaded responsible for, or was adjudicated responsible for aggravated assault, felonious assault, assault with intent to commit murder, assault with intent for great bodily harm, assault with intent to maim, attempted murder, homicide, manslaughter, or criminal sexual conduct.
- The pupil possessed a dangerous weapon in a weapon free zone, committed arson in a school building or on school grounds, or committed criminal sexual conduct in a school building or on school grounds.
- A completed Title IX investigation determined by clear and convincing evidence that the report of sexual assault was conclusively false.

"Sexual assault" would mean an act that constitutes first-, second-, third-, or fourth-degree criminal sexual conduct or assault with intent to commit second-degree criminal sexual conduct or criminal sexual conduct involving sexual penetration.

Proposed MCL 380.1310e

Legislative Analyst: Jeff Mann

### **FISCAL IMPACT**

The bill would have no fiscal impact on State or local government. The requirements of the bill are already followed by schools that receive Federal funding.
