by amending section 5314 (MCL 700.5314), as amended by 2017 PA 155.

## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 5314. If meaningful communication is possible, a legally  
2       incapacitated individual's guardian shall consult with the legally  
3       incapacitated individual before making a major decision affecting  
4       the legally incapacitated individual. To the extent a guardian of a  
5       legally incapacitated individual is granted powers by the court  
6       under section 5306, the guardian is responsible for the ward's  
7       care, custody, and control, but is not liable to third persons  
8       because of that responsibility for the ward's acts. In particular  
9       and without qualifying the previous sentences, a guardian has all  
10      of the following powers and duties, to the extent granted by court

1 order:

3 establish the ward's place of residence in or outside this state.

13 possible state of mental and physical well-being so that the ward  
14 can return to self-management at the earliest possible time.  
15 Without regard to custodial rights of the ward's person, the  
16 guardian shall take reasonable care of the ward's clothing,  
17 furniture, vehicles, and other personal effects and commence a  
18 protective proceeding if the ward's other property needs  
19 protection. If a guardian commences a protective proceeding because  
20 the guardian believes that it is in the ward's best interest to  
21 sell or otherwise dispose of the ward's real property or interest  
22 in real property, the court may appoint the guardian as special  
23 conservator and authorize the special conservator to proceed under  
24 section 5423(3). A guardian shall not otherwise sell the ward's  
25 real property or interest in real property.
