5 (8) Beginning July 23, 2004, the department shall issue or  
6 deny an application for an initial or renewal license within 180  
7 days after the applicant files a completed application. An  
8 application is considered received on the date the application is  
9 received by any agency or department of this state. If an  
10 application is considered incomplete by the department, the  
11 department shall notify the applicant in writing, or make the  
12 information electronically available, within 30 days after the  
13 department receives the incomplete application, describing the  
14 deficiency and requesting the additional information. A 180-day  
15 period described in this subsection is tolled from the date the  
16 department notifies the applicant of a deficiency until the date  
17 the requested information is received by the department. The  
18 determination of the completeness of an application does not  
19 operate as an approval of the application for the license and does  
20 not confer eligibility of an applicant determined otherwise  
21 ineligible for issuance of a license.

22 (9) If the department fails to issue or deny a license in the  
23 time required under this section, the department shall return the  
24 license fee and shall reduce the license fee for the applicant's  
25 next renewal application, if any, by 15%. The failure to issue a  
26 license in the time required under this section does not allow the  
27 department to otherwise delay the processing of an application, and

1 on completion, the department shall place the application in  
2 sequence with any other completed applications received at that  
3 same time. The department shall not discriminate against an  
4 applicant in processing an application based on the fact that the  
5 license fee was refunded or discounted under this subsection.

6 (10) Beginning October 1, 2005, the director of the department  
7 shall submit a report by December 1 of each year to the standing  
8 committees and appropriations subcommittees of the senate and house

10 shall include all of the following information in the report  
11 concerning the preceding fiscal year:

13 department received and completed within the 180-day time period  
14 described in subsection (8).

20 shall be deposited into the security business fund created in  
21 subsection (12).

22 (12) The security business fund is created in the state  
23 treasury. The department shall ~~deposit~~ **FORWARD** all license fees  
24 collected under this act **TO THE STATE TREASURER FOR DEPOSIT** into  
25 the fund. The state treasurer may receive money or other assets  
26 from any source for deposit into the fund. The state treasurer  
27 shall direct the investment of the fund. The state treasurer shall

1 credit to the fund interest and earnings from fund investments.  
2 Money in the fund at the close of the fiscal year shall remain in  
3 the fund and be available for appropriation and expenditure by the  
4 department in subsequent fiscal years. The money in the fund shall  
5 not lapse to the general fund. The department shall expend money  
6 from the fund, on appropriation, only for enforcement and  
7 administration of this act. The department is the administrator of  
8 the fund for auditing purposes.

9 (13) The department, or the department of state police if  
10 section 29 applies, shall waive an initial license fee required  
11 under this section, or any application processing fee charged by  
12 the department for an initial license, if the applicant is an  
13 individual who served in the armed forces and he or she provides to  
14 the department a form DD214, form DD215, or any other form that is  
15 satisfactory to the department that demonstrates he or she was  
16 separated from that service with an honorable character of service  
17 or under honorable conditions (general) character of service.

18 (14) As used in this section, "completed application" means an  
19 application that is complete on its face and submitted with any  
20 applicable licensing fees and any other information, records,  
21 approval, security, or similar item required by law or rule from a  
22 local unit of government, a federal agency, or a private person but  
23 not from another department or agency of this state.
