February 15, 2018, Introduced by Senators HOPGOOD, GREGORY, YOUNG, CONYERS
and ANANICH and referred to the Committee on Government Operations.

A bill to require employers to allow a day of rest for employees each week; to require employers to allow a meal break during certain work periods; to provide for exceptions and exemptions; to provide powers and duties of certain state officers and departments; to authorize rule promulgation; and to provide for civil sanctions and remedies.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 1. (1) This act shall be known and may be cited as the
2 "day of rest act".

3 (2) As used in this act, "employer" means a person,
4 partnership, joint stock company, or corporation that employs any
5 individual to work, labor, or exercise skill in connection with the
6 operation of any business, industry, vocation, or occupation.

7 Sec. 2. (1) Except as otherwise provided in this act, an

1 employer shall allow an employee at least 24 consecutive hours of
2 rest in every calendar week in addition to the regular period of
3 rest allowed at the close of each working day.

4 (2) Before the end of the first day of an employee's workweek,
5 an employer shall post in a conspicuous place on the premises or
6 otherwise inform the employee in writing of the employee's
7 designated day of rest. An employer shall not require an employee
8 to work on his or her designated day of rest.

9 (3) An employer shall keep a record of the name and address of
10 each employee and the hours worked by each employee on each day.
11 The record must be open to inspection at all reasonable hours by
12 the director of the department of licensing and regulatory affairs
13 for purposes of enforcing this act.

14 (4) Subsections (1) to (3) do not apply to any of the
15 following:

16 (a) A part-time employee who works fewer than 20 total work
17 hours for the employer during a calendar week.

18 (b) An employee when needed because of a machinery or
19 equipment breakdown or other emergency requiring the immediate
20 services of experienced and competent labor to prevent injury to an
21 individual, damage to property, or suspension of necessary
22 operation.

23 (c) An employee employed in agriculture or coal mining.

24 (d) An employee engaged in the occupation of canning and
25 processing perishable agricultural products, if the employee is
26 employed on a seasonal basis for not more than 20 weeks during any
27 12-month period.

1 (e) An employee employed as a watchman or security guard.

2 (f) An employee who is employed in a bona fide executive,
3 administrative, or professional capacity or in the capacity of an
4 outside salesman, as described in section 13(a)(1) of the federal
5 fair labor standards act, 29 USC 213(a)(1), or as a supervisor as
6 defined in section 2(11) of the national labor relations act, 29
7 USC 152(11).

8 (g) An employee who is employed as a crew member of any
9 uninspected towing vessel, as defined by 46 USC 2101(40), operating
10 in any navigable waters in or along the boundaries of this state.

11 (h) An employee for whom hours of work are established through
12 the collective bargaining process.

13 Sec. 3. (1) Except as otherwise provided in this section, an
14 employer shall permit an employee who works or is scheduled to work
15 for 7-1/2 continuous hours or longer at least 20 minutes for a meal
16 period beginning no later than 5 hours after the start of the work
17 period.

18 (2) This section does not apply to any of the following:

19 (a) An employee for whom meal periods are established through
20 the collective bargaining process.

21 (b) An employee who in the course of his or her duty to
22 monitor an individual with a developmental disability or mental
23 illness is required to be on call during an entire 8-hour work
24 period. The employee must, however, be allowed to eat a meal during
25 the 8-hour work period while continuing to monitor the individual.

26 Sec. 4. (1) An employer or an employer's agent or
27 representative shall not retaliate against an individual for

1 exercising rights under this act. In a civil proceeding brought to
2 enforce this act, if the plaintiff establishes that he or she was
3 employed by the defendant and exercised rights under this act or
4 alleged in good faith that the defendant was not complying with
5 this act, and the plaintiff was subsequently terminated, demoted,
6 or otherwise penalized by the defendant, a rebuttable presumption
7 arises that the defendant's action was taken in retaliation for the
8 exercise of rights established by this act. To rebut the
9 presumption, the defendant must establish that the sole reason for
10 the termination, demotion, or penalty was a legitimate business
11 reason.

12 (2) In addition to the enforcement provided under sections 5
13 and 6, an individual claiming violation of this act may obtain
14 legal or equitable remedies, including, but not limited to,
15 damages, back pay, reinstatement, or injunctive relief. The court
16 shall award an individual terminated in violation of this section
17 all of the following:

18 (a) Treble his or her lost normal daily compensation and
19 fringe benefits with interest.

20 (b) Any consequential damages.

21 (c) Reasonable attorney fees and costs.

22 Sec. 5. The department of licensing and regulatory affairs
23 shall enforce and prosecute all violations of this act. The
24 department of licensing and regulatory affairs may promulgate
25 reasonable rules pursuant to the administrative procedures act of
26 1969, 1969 PA 306, MCL 24.201 to 24.328, to aid in administering
27 and enforcing this act. A violation of such a rule is considered a

1 violation of this act.

2 Sec. 6. An employer who violates this act is subject to an
3 administrative fine of not less than \$25.00 or more than \$100.00
4 for each offense.

5 Sec. 7. The director of the department of licensing and
6 regulatory affairs may grant a permit authorizing an exemption from
7 section 2(1) and (2). The director of the department of licensing
8 and regulatory affairs shall not grant a permit to exempt the
9 employment of individuals for 7 days a week for more than 8 weeks
10 in any 1 year, unless the director of the department of licensing
11 and regulatory affairs finds that the necessity for the employment
12 on a designated day of rest cannot be remedied by increasing the
13 number of employees or by adjusting production schedules. The
14 director of the department of licensing and regulatory affairs
15 shall give due consideration to business necessity and economic
16 viability in granting the permit.

17 Enacting section 1. This act takes effect 90 days after the
18 date it is enacted into law.
