

Act No. 47  
Public Acts of 2018  
Approved by the Governor  
March 1, 2018  
Filed with the Secretary of State  
March 1, 2018  
EFFECTIVE DATE: March 1, 2018

**STATE OF MICHIGAN  
99TH LEGISLATURE  
REGULAR SESSION OF 2018**

**Introduced by Senators Jones, Hertel and Hildenbrand**

# **ENROLLED SENATE BILL No. 613**

AN ACT to amend 2008 PA 23, entitled “An act to authorize the secretary of state to issue enhanced driver licenses and state personal identification cards to United States citizens who reside in Michigan to facilitate travel between the United States and Canada; to establish certain funds and prescribe duties for certain officials; and to prohibit certain conduct and prescribe penalties,” by amending section 4 (MCL 28.304).

*The People of the State of Michigan enact:*

Sec. 4. (1) The secretary of state may issue an enhanced driver’s license or enhanced official state personal identification card to an applicant who provides satisfactory proof of his or her full legal name, United States citizenship, identity, date of birth, social security number, residence address, and a photographic identity document. An applicant may choose to apply for a standard driver license or standard official state personal identification card or an enhanced driver license or enhanced state personal identification card.

(2) An enhanced driver license or enhanced official state personal identification card shall include reasonable security measures to protect against unauthorized disclosure of personal information regarding residents of this state that is contained in the enhanced driver license or enhanced official state personal identification card.

(3) An enhanced driver license or enhanced official state personal identification card may include radio frequency identification technology that is limited to a randomly assigned number, which shall be encrypted if agreed to by the Department of Homeland Security, and does not include biometric data. The secretary of state shall ensure that the radio frequency identification technology is secure from unauthorized data access and includes reasonable security measures to protect against unauthorized disclosure of personal information. An applicant must sign a declaration acknowledging his or her understanding of the radio frequency identification technology before he or she is issued an enhanced driver license or enhanced official state personal identification card.

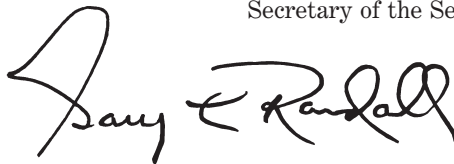

(4) The requirements of this act are in addition to the requirements otherwise imposed on individuals who apply for a standard driver license or standard official state personal identification card.

(5) The holder of an enhanced driver license issued under this act is subject to every licensing sanction provided under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923. As used in this subsection, “licensing sanction” means the restriction, suspension, revocation, or denial of a driver license; the addition of points to a driving record; until October 1, 2018, the assessment of a driver responsibility fee; the assessment of a civil fine or criminal penalty resulting from a conviction; a civil infraction determination; the imposition of probationary terms and conditions; or any other penalty provided under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923.

This act is ordered to take immediate effect.

Secretary of the Senate

Clerk of the House of Representatives
