**STATE OF MICHIGAN
99TH LEGISLATURE
REGULAR SESSION OF 2018**

Introduced by Senator Casperson

ENROLLED SENATE BILL No. 522

AN ACT to amend 1929 PA 199, entitled “An act to authorize and empower villages and townships of this state having a population not exceeding 10,000 inhabitants, to levy a tax for the maintenance or the purchase of lands and maintenance of property for a community center for the benefit of the public, provided the question of such purchase or maintenance, or both purchase and maintenance, as the case may be, is submitted to the duly qualified voters of such villages or townships and is adopted by a majority vote of those participating in said election; and to prescribe penalties and provide remedies,” by amending section 3 (MCL 123.43), as amended by 2000 PA 435.

The People of the State of Michigan enact:

Sec. 3. (1) If a village or township votes to establish a community center, the governing body of the village or township shall appoint 6 directors for boards established before January 9, 2001 and 7 directors for boards established on or after January 9, 2001 who shall hold office until their successors are elected and qualified. For boards established before January 9, 2001, the governing body of the village or township shall appoint 1 additional director who shall hold office until his or her successor is elected and qualified. At the next regular election there must be elected a community board of 7 directors, 2 for 1 year, 2 for 2 years, and 3 for 3 years, and then annually there must be elected the number of directors whose terms have expired, who shall hold office for 3 years or until their successors are elected and qualified. Alternatively, the governing body of a village or township may by resolution provide that at the next regular election, and then every 2 years, there must be elected a community board of 7 directors, who shall hold office for 2 years or until their successors are elected and qualified.

(2) If a village or township initially elected directors for 3-year terms as described in subsection (1), its governing body may subsequently adopt a resolution providing for the election every 2 years of directors for 2-year terms. The resolution must provide for the transition of the elective terms from 3 to 2 years as follows:

(a) The offices of those directors whose terms first expire after the adoption of the resolution must be filled at the next scheduled local, state, or federal election by the election of that number of directors who shall hold office for 2 years, and then every 2 years for 2 years or until their successors are elected and qualified.

(b) The offices of those directors whose terms next expire after the adoption of the resolution must be filled in the year following the election in subdivision (a) by the election of that number of directors who shall hold office for 1 year, and then every 2 years for 2 years or until their successors are elected and qualified.

(c) The offices of those directors whose terms last expire after the adoption of the resolution must be filled as described in subdivision (a).

(3) The governing body of the village or township shall determine by resolution the compensation of the board of directors. A vacancy in the board of directors occasioned by a removal, a resignation, or otherwise must be reported to the governing body of the village or township, which shall proceed to appoint a director to fill the vacancy.

Enacting section 1. This amendatory act takes effect 90 days after the date it is enacted into law.

This act is ordered to take immediate effect.
