Notes: (1) FY 2018-19 year-to-date figures include mid-year budget adjustments through March 5, 2019. (2) Appropriation figures for all years include all proposed appropriation amounts, including amounts designated as "one-time." (3) Information on House budget action in this document is based on House Bill 4233 as passed by the House. Information on Senate budget action is based on Senate Bill 137 as passed by the Senate.

**Overview**

The Department of Environment, Great Lakes, and Energy (EGLE) is responsible for managing Michigan's air, land, water, and energy resources. Departmental functions include improving resource quality, reducing waste, and mitigating threats to Michigan's environment.

**Major Budget Changes From FY 2018-19 YTD Appropriations**

**1. Continued Collection of Sunsetting Fees**

Executive proposes to continue the collection of 14 fees that are scheduled to sunset prior to January 1, 2020. Collectively these fees provide \$27.8 million in annual revenue for EGLE.  
House, Senate, and Conference concur.

|  | GF/GP        | \$0   | \$0                                      |
| <b>4. Coal Ash Care Fund – Solid Waste Management Program</b>  |              |   |  |
| <u>Executive</u> increases \$260,000 from the Coal Ash Care Fund to the Solid Waste Management program in accordance with 2018 PA 640, which provides for the regulation of coal ash landfills with revenue collected from landfill owners and operators.  | FTE          | 37.0  | 0.0                                      |
| <u>House</u> , <u>Senate</u> , and <u>Conference</u> concur.   | <b>Gross</b> | <b>\$5,159,600</b>                                    | <b>\$260,000</b>                         |
|  | Restricted   | 5,159,600   | 260,000                                  |
|  | GF/GP        | \$0   | \$0                                      |
| <b>5. Vapor Intrusion – Contaminated Site Investigations Program</b>   |              |   |  |
| <u>Executive</u> eliminates \$1.7 million GF/GP for vapor intrusion remediation from the Contaminated Site Investigations, Cleanup, and Revitalization Program. The Renewing Michigan's Environment Program provides for the remediation of emerging contaminants including vapor intrusion.                 | FTE          | 130.0   | 0.0                                      |
| <u>House</u> , <u>Senate</u> , and <u>Conference</u> concur.   | <b>Gross</b> | <b>\$15,674,100</b>                                   | <b>(\$1,655,300)</b>                     |
|  | Private      | 191,100   | 0  |
|  | Restricted   | 13,857,600  | 0  |
|  | GF/GP        | \$1,625,400   | (\$1,655,300)                            |
| <b>6. Water Quality and Use Initiative</b>   |              |   |  |
| <u>Executive</u> eliminates \$1.5 million GF/GP for the Water Quality and Use Initiative and shifts 5.0 FTE positions to the Renewing Michigan's Environment Program, which provides for the continuation of this program's efforts.   | <b>Gross</b> | <b>\$1,522,900</b>                                    | <b>(\$1,522,900)</b>                     |
| <u>House</u> , <u>Senate</u> , and <u>Conference</u> concur.   | GF/GP        | \$1,522,900   | (\$1,522,900)                            |
| <b>7. Recycling Initiative</b>   |              |   |  |
| <u>Executive</u> reduces the Recycling Initiative by \$1.0 million GF/GP. The Renewing Michigan's Environment Program provides for the continuation of recycling grants to local communities.  | FTE          | 3.0   | 0.0                                      |
| <u>House</u> , <u>Senate</u> , and <u>Conference</u> concur.   | <b>Gross</b> | <b>\$2,032,300</b>                                    | <b>(\$1,032,000)</b>                     |
|  | Restricted   | 1,000,000   | 0  |

#### **Major Boilerplate Changes From FY 2018-19**

##### **Sec. 210. Contingency Fund Transfer Authority – REVISED**

Provides authority for contingency fund transfers: up to \$30.0 million federal, \$5.0 million restricted, \$100,000 local, and \$500,000 million private; transfers must be approved by both the House and Senate Appropriations Committees.

Executive and House retain, Senate deletes.

Conference revises to eliminate federal, local, and private authority and lowers restricted authority to \$3.0 million.

##### **Sec. 216. Consolidated Report on Environmental Cleanup Projects – RETAINED**

Requires EGLE to provide status report with detailed information on approved cleanup projects funded through environmental cleanup and redevelopment program, state cleanup, emergency actions, superfund cleanup, revitalization revolving loan program, brownfield grants and loans, leaking underground storage tank cleanup program, contaminated lake and river cleanup program, refined petroleum product cleanup program, and environmental protection bond projects.

Executive revises due date from March 31 to April 30.

House retains March 31 due date.

Senate concurs with Executive.

Conference concurs with House.

##### **Sec. 220. Disciplinary Action Against State Employees – RETAINED (UNENFORCEABLE)**

Prohibits EGLE from disciplining state employees for communicating with members of the legislature and their staffs.

Executive deletes, House, Senate, and Conference retain. (*Signing letter states section is unenforceable*).

## **Major Boilerplate Changes From FY 2018-19**

### **Sec. 221. Rule Promulgation – RETAINED (UNENFORCEABLE)**

Prohibits EGLE from adopting a rule that has a disproportionate economic impact on small business.

Executive and Senate delete, House and Conference retain. (*Signing letter states section is unenforceable*).

### **Sec. 235. Clean Michigan Initiative Report – RETAINED**

Requires EGLE to prepare an annual report on projects funded by Clean Michigan Initiative (CMI) funds, remaining CMI fund balances, and total debt obligation on all CMI bonds, as well as a March 31 report deadline.

Executive revises due date from March 31 to April 30.

House retains March 31 due date.

Senate concurs with Executive.

Conference concurs with House.

### **Sec. 238. Fee and Fund Source Report – RETAINED**

Requires EGLE to report on its public website information detailing activities related to departmental fees and fund sources.

Executive deletes, House, Senate, and Conference retain.

### **Sec. 239. Environmental Rules Review Committee – NEW (VETOED)**

Earmarks \$150,000 of the central support services appropriation for the Environmental Rules Review Committee to contract with consultants to assist with business before the committee.

House and Conference add new section.

### **Sec. 302. Work Projects - Environmental Cleanup Actions – REVISED**

Authorizes unexpended funds appropriated for the emergency cleanup actions program to be considered work project appropriations and carried forward. The program will perform contaminated site cleanups estimated to cost \$3.0 million with a tentative completion date of September 30, 2023.

Executive revises to allow project to be accomplished by contracts using state employees, service providers, or both; changes estimated cost to \$2.0 million; changes completion date to 2024.

House revises to change estimated cost to \$2.0 million and change completion date to 2024.

Senate and Conference roll into Sec. 308 and change completion date to 2022.

### **Sec. 303. Restricted Fund Transfer: Cleanup and Redevelopment Trust Fund – DELETED**

Transfers \$1.0 million from Cleanup and Redevelopment Trust Fund to Environmental Protection Fund.

Executive and House retain, Senate and Conference delete.

### **Sec. 304. Restricted Fund Transfer: Community Pollution Prevention Fund – DELETED**

Transfers \$1.0 million from Community Pollution Prevention Fund to Environmental Protection Fund.

Executive and House retain, Senate and Conference delete.

### **Sec. 305. Refined Petroleum Fund – RETAINED**

Expresses intent of the legislature to restore \$70.0 million Refined Petroleum Fund transferred to General Fund in FY 2006-07.

Executive and Senate delete, House and Conference retain.

### **Sec. 307. Work Projects - Environmental Cleanup and Redevelopment Program – REVISED**

Authorizes unexpended funds appropriated for the environmental cleanup and redevelopment program to be considered work project appropriations and carried forward. The program will perform contaminated site cleanups estimated to cost \$15.0 million with a tentative completion date of September 30, 2023.

Executive and House delete, Senate and Conference roll into Sec. 308 and change completion date to 2022.

### **Sec. 308. Work Projects – Refined Petroleum Product Cleanup Program – REVISED**

Authorizes unexpended funds appropriated for the refined petroleum product cleanup program to be considered work project appropriations and carried forward. The program will perform contaminated site cleanups estimated to cost \$34.7 million with a tentative completion date of September 30, 2023.

Executive revises to allow project to be accomplished by contracts using state employees, service providers, or both; changes estimated cost to \$34.8 million; changes completion date to 2024.

House revises to change estimated cost to \$34.8 million and change completion date to 2024.

Senate and Conference revise to include Sec. 302 and Sec. 307 and change completion date to 2022.

### **Sec. 313. Vapor Intrusion – DELETED**

Requires EGLE to use funds appropriated for vapor intrusion to investigate potential vapor intrusion sites.

Executive deletes, House, Senate, and Conference concur.

## **Major Boilerplate Changes From FY 2018-19**

### **Sec. 315. Lead Remediation Grants – DELETED**

Requires EGLE to distribute grant awards for remediation and redevelopment of sites contaminated by lead paint, prioritizing sites affecting families with children.

Executive deletes, House, Senate, and Conference concur.

### **Sec. 316. Environmental Cleanup and Redevelopment Program (One-Time) – DELETED**

Requires EGLE to expend funds appropriated for the Environmental Cleanup and Redevelopment Program (one-time) for remediation and redevelopment of nonpetroleum contaminated sites.

Executive deletes, House, Senate, and Conference concur.

### **Sec. 402. Drinking Water Infrastructure and Mapping – DELETED**

Authorizes unexpended funds appropriated for Drinking Water Infrastructure and for Mapping and other support to be considered work project appropriations, and unencumbered or unallotted funds to be available until the projects have been completed. The projects will be accomplished by contract and have a tentative completion date of September 30, 2023.

Executive renumbered Sec. 801 and removed “mapping and other support.” Also revised to allow project to be accomplished by contracts using state employees, service providers, or both; changes estimated cost to \$4.0 million; changes completion date to 2024.

House, Senate, and Conference delete.

### **Sec. 403. Grants for Drinking Water Systems – DELETED**

Authorizes grants of no more than \$2.0 million each to be awarded to drinking water systems for contamination remediation or alternate system connections from the funds appropriated for drinking water infrastructure. Grants will be determined by the size of the population served and will require a 20% local match unless waived by the Water Asset Management Council. Renumbered to Sec. 802.

House, Senate, and Conference delete.

### **Sec. 404. Inland Lake Aquatic Invasive Plant Species Control and Eradication Program – DELETED**

Requires \$1.0 million appropriation to be used in accordance with 2018 PA 671 for the Inland Lake Aquatic Invasive Plant Species Control and Eradication program.

Executive deletes, House, Senate, and Conference concur.

### **Sec. 412. Work Projects – Aquifer Protection Program – DELETED**

Authorizes unexpended funds appropriated for the aquifer protection program to be considered work project appropriations and carried forward. The program will help resolve aquifer disputes between well owners and is estimated to cost \$524,000 with a tentative completion date of September 30, 2023.

Executive deletes, House, Senate, and Conference concur.

### **Sec. 412. Watershed Council Grants – NEW (VETOED)**

Earmarks \$675,000 from the Surface Water program (\$9.4 million Gross) for grants to watershed councils for education, administration, and conservation; requires report on grant program by April 1.

Conference adds new section.

### **Sec. 413. Cooperative Lakes Monitoring Program – RETAINED (VETOED)**

Earmarks \$150,000 from the Surface Water program (\$9.4 million Gross) to support the Cooperative Lakes Monitoring Program. Revised to include the voluntary stream monitoring program.

Executive deletes, House retains and revises, Senate and Conference retain.

### **Sec. 501. Work Projects – Renewing Michigan’s Environment Program – NOT INCLUDED**

Authorizes unexpended funds appropriated for the Renewing Michigan’s Environment Program to be considered work project appropriations and carried forward. The program supports nonpetroleum cleanups and is estimated to cost \$69.0 million with a tentative completion date of September 30, 2024.

Executive adds new section, House concurs but specifies that work projects must be completed by contract, Senate and Conference do not include.

### **Sec. 503. Michigan Geological Survey – NEW (VETOED)**

Earmarks \$500,000 from the Renewing Michigan’s Environment program (\$69.0 million Gross) for the Michigan Geological Survey.

Conference adds new section.

### **Sec. 601. Public Service Commission Memorandum of Understanding – NEW (UNENFORCEABLE)**

Directs EGLE to enter into a memorandum of understanding with the Public Service Commission to outline the responsibilities of the Office of Climate and Energy. (*Signing letter states section is unenforceable*).

Conference adds new section.

## **Major Boilerplate Changes From FY 2018-19**

### ***Sec. 604. Lead and Copper Rule – DELETED***

Requires EGLE to use funds appropriated for the lead and copper rule program to host training sessions for public water supply owners and operators to provide technical assistance on the federal lead and copper rule.

Executive deletes, House, Senate, and Conference concur.

### ***Sec. 701. Underground Storage Tank Authority – RETAINED***

Authorizes unexpended funds appropriated for the underground storage tank cleanup program to be considered work project appropriations and carried forward. The program will perform contaminated site cleanups estimated to cost \$20.0 million with a tentative completion date of September 30, 2023.

Executive revises to allow project to be accomplished by contracts using state employees, service providers, or both; changes estimated cost to \$20.0 million; changes completion date to 2024.

House revises to change estimated cost to \$20.0 million and changes completion date to 2024.

Senate and Conference retain.

### ***Sec. 801. Landfill Research, Design, and Development Project – DELETED***

Directs expenditure of one-time funding for the landfill development project in St. Clair County.

Executive deletes, House, Senate, and Conference concur.
