The People of the State of Michigan enact:

Sec. 701. (1) A person shall not sell or furnish alcoholic liquor to a minor. Except as otherwise provided in subsection (2) and subject to subsections (4), (5), and (6), a person who knowingly sells or furnishes alcoholic liquor to a minor, or who fails to make diligent inquiry as to whether the individual is a minor, is guilty of a misdemeanor. A retail licensee or a retail licensee's clerk, agent, or employee who violates this subsection shall be punished in the manner provided for licensees in section 909 except that if the violation is the result of an undercover operation in which the minor received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action, the retail licensee's clerk, agent, or employee is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$100.00. Except as otherwise provided in subsection (2), an individual who is not a retail licensee or a retail licensee's clerk, agent, or employee and who violates this subsection is guilty of a misdemeanor punishable by a fine of not more than \$1,000.00 and imprisonment for not more than 60 days for a first offense, a fine of not more than \$2,500.00 and imprisonment for not more than 90 days for a second or subsequent offense, and may be ordered to perform community service. A suitable sign describing the content of this section and the penalties for its violation must be posted in a conspicuous place in each room where alcoholic liquor is sold. The commission shall approve and furnish a sign under this section.

(2) An individual who is not a retail licensee or the retail licensee's clerk, agent, or employee and who violates subsection (1) is guilty of a felony, punishable by imprisonment for not more than 10 years or a fine of not more than \$5,000.00, or both, if the subsequent consumption of the alcoholic liquor by the minor is a direct and substantial cause of the minor's death or an accidental injury that causes the minor's death.

(3) If a violation occurs in an establishment that is licensed by the commission for consumption of alcoholic liquor on the licensed premises, a person who is a licensee or the clerk, agent, or employee of a licensee must not be charged with a violation of subsection (1) or section 801(1) unless the licensee or the clerk, agent, or employee of the licensee knew or should have reasonably known with the exercise of due diligence that a minor possessed or consumed alcoholic liquor on the licensed premises and the licensee or clerk, agent, or employee of the licensee failed to take immediate corrective action.

(4) If the enforcing agency involved in the violation is the state police or a local police agency, a licensee must not be charged with a violation of subsection (1) or section 801(1) unless all of the following occur, if applicable:

(a) Enforcement action is taken against the minor who purchased or attempted to purchase, consumed or attempted to consume, or possessed or attempted to possess alcoholic liquor.

(b) Enforcement action is taken under this section against the individual 21 years of age or older who is not the retail licensee or the retail licensee's clerk, agent, or employee who sold or furnished the alcoholic liquor to the minor.

(c) Enforcement action under this section is taken against the clerk, agent, or employee who directly sold or furnished alcoholic liquor to the minor.

(5) If the enforcing agency is the commission and an appearance ticket or civil infraction citation has not been issued, then the commission shall recommend to a local law enforcement agency that enforcement action be taken against a violator of this section or section 703 who is not a licensee. However, subsection (4) does not apply if the minor against whom enforcement action is taken under section 703, the clerk, agent, or employee of the licensee who directly sold or furnished alcoholic liquor to the minor, or the individual 21 years of age or older who sold or furnished alcoholic liquor to the minor is not alive or is not present in this state at the time the licensee is charged. Subsection (4)(a) does not apply under either of the following circumstances:

(a) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.

(b) The violation of subsection (1) is the result of an undercover operation in which the minor purchased or received alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action.

(6) Any initial or contemporaneous purchase or receipt of alcoholic liquor by the minor under subsection (5)(a) or (b) must have been under the direction of the state police, the commission, or the local police agency and must have been part of the undercover operation.

(7) If a minor participates in an undercover operation in which the minor is to purchase or receive alcoholic liquor under the supervision of a law enforcement agency, his or her parents or legal guardian shall consent to the participation if the minor is less than 18 years of age.

(8) In an action for the violation of this section, proof that the defendant or the defendant's agent or employee demanded and was shown, before furnishing alcoholic liquor to a minor, a motor vehicle operator's or chauffeur's license, a military identification card, or other bona fide documentary evidence of the age and identity of that person, is a defense to an action brought under this section.

(9) The commission shall provide, on an annual basis, a written report to the department of state police as to the number of actions heard by the commission involving violations of this section and section 801(1). The commission shall include in the report the disposition of each action and figures representing all of the following categories:

(a) Decoy operations.

(b) Off-premises violations.

(c) On-premises violations.

(d) Repeat offenses within the 3 years preceding the date of the report.

(10) Subsection (11)(b)(ii) does not impose a duty or obligation on the secretary of state that is not otherwise required by law.

(11) As used in this section:

(a) "Corrective action" means action taken by a licensee or a clerk, agent, or employee of a licensee designed to prevent a minor from further possessing or consuming alcoholic liquor on the licensed premises. Corrective action includes, but is not limited to, contacting a law enforcement agency and ejecting the minor and any other person suspected of aiding and abetting the minor.

(b) “Diligent inquiry” means a diligent good-faith effort to determine the age of an individual, which includes at least 1 of the following:

(i) An examination of an official Michigan operator’s or chauffeur’s license, an official Michigan personal identification card, a military identification card, or any other bona fide picture identification that establishes the identity and age of the individual.

(ii) Use of a secure identity verification device if all of the following conditions are met:

(A) The electronic scan of a biometric of the individual is referenced against any form of picture identification described in subparagraph (i).

(B) The authenticity of the picture identification was previously verified by an electronic authentication process.

(C) The identity of the individual was previously verified through a commercially available knowledge-based electronic authentication process.

(D) The authenticated picture identification was securely linked to biometrics contemporaneously collected from the individual.

(c) “Retail licensee” means a person licensed to sell alcoholic liquor at retail for consumption on or off the licensed premises.

(d) “Secure identity verification device” means a commercial device that instantly verifies the identity and age of an individual by an electronic scan of a biometric of the individual.

Sec. 703. (1) A minor shall not purchase or attempt to purchase alcoholic liquor, consume or attempt to consume alcoholic liquor, possess or attempt to possess alcoholic liquor, or have any bodily alcohol content, except as provided in this section. A minor who violates this subsection is responsible for a state civil infraction or guilty of a misdemeanor as follows and is not subject to the penalties prescribed in section 909:

(a) For the first violation, the minor is responsible for a state civil infraction and must be fined not more than \$100.00. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, and may order the minor to perform community service and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5). A minor may be found responsible or admit responsibility only once under this subdivision.

(b) If a violation of this subsection occurs after 1 prior judgment, the minor is guilty of a misdemeanor. A misdemeanor under this subdivision is punishable by imprisonment for not more than 30 days if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$200.00, or both. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).

(c) If a violation of this subsection occurs after 2 or more prior judgments, the minor is guilty of a misdemeanor. A misdemeanor under this subdivision is punishable by imprisonment for not more than 60 days, if the court finds that the minor violated an order of probation, failed to successfully complete any treatment, screening, or community service ordered by the court, or failed to pay any fine for that conviction or juvenile adjudication, or by a fine of not more than \$500.00, or both, as applicable. A court may order a minor under this subdivision to participate in substance use disorder services as defined in section 6230 of the public health code, 1978 PA 368, MCL 333.6230, and designated by the administrator of the office of substance abuse services, to perform community service, and to undergo substance abuse screening and assessment at his or her own expense as described in subsection (5).

(2) An individual who furnishes fraudulent identification to a minor or, notwithstanding subsection (1), a minor who uses fraudulent identification to purchase alcoholic liquor, is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both.

(3) If an individual who pleads guilty to a misdemeanor violation of subsection (1)(b) or offers a plea of admission in a juvenile delinquency proceeding for a misdemeanor violation of subsection (1)(b), the court, without entering a judgment of guilt in a criminal proceeding or a determination in a juvenile delinquency proceeding that the juvenile has committed the offense and with the consent of the accused, may defer further proceedings and place the individual on probation. The terms and conditions of that probation include, but are not limited to, the sanctions set forth in subsection (1)(c), payment of the costs including minimum state cost as provided for in

section 18m of chapter XIA of the probate code of 1939, 1939 PA 288, MCL 712A.18m, and section 1j of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.1j, and the costs of probation as prescribed in section 3 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.3. If a court finds that an individual violated a term or condition of probation or that the individual is utilizing this subsection in another court, the court may enter an adjudication of guilt, or a determination in a juvenile delinquency proceeding that the individual has committed the offense, and proceed as otherwise provided by law. If an individual fulfills the terms and conditions of probation, the court shall discharge the individual and dismiss the proceedings. A discharge and dismissal under this section is without adjudication of guilt or without a determination in a juvenile delinquency proceeding that the individual has committed the offense and is not a conviction or juvenile adjudication for purposes of disqualifications or disabilities imposed by law on conviction of a crime. An individual may obtain only 1 discharge and dismissal under this subsection. The court shall maintain a nonpublic record of the matter while proceedings are deferred and the individual is on probation and if there is a discharge and dismissal under this subsection. The secretary of state shall retain a nonpublic record of a plea and of the discharge and dismissal under this subsection. These records shall be furnished to any of the following:

(a) To a court, prosecutor, or police agency on request for the purpose of determining if an individual has already used this subsection.

(b) To the department of corrections, a prosecutor, or a law enforcement agency, on the department's, a prosecutor's, or a law enforcement agency's request, subject to all of the following conditions:

(i) At the time of the request, the individual is an employee of the department of corrections, the prosecutor, or the law enforcement agency, or an applicant for employment with the department of corrections, the prosecutor, or the law enforcement agency.

(ii) The record is used by the department of corrections, the prosecutor, or the law enforcement agency only to determine whether an employee has violated his or her conditions of employment or whether an applicant meets criteria for employment.

(4) A misdemeanor violation of subsection (1) successfully deferred, discharged, and dismissed under subsection (3) is considered a prior judgment for the purposes of subsection (1)(c).

(5) A court may order an individual found responsible for or convicted of violating subsection (1) to undergo screening and assessment by a person or agency as designated by the department-designated community mental health entity as defined in section 100a of the mental health code, 1974 PA 258, MCL 330.1100a, to determine whether the individual is likely to benefit from rehabilitative services, including alcohol or drug education and alcohol or drug treatment programs. A court may order an individual subject to a misdemeanor conviction or juvenile adjudication of, or placed on probation regarding, a violation of subsection (1) to submit to a random or regular preliminary chemical breath analysis. The parent, guardian, or custodian of a minor who is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6, may request a random or regular preliminary chemical breath analysis as part of the probation.

(6) A peace officer who has reasonable cause to believe a minor has consumed alcoholic liquor or has any bodily alcohol content may request that individual to submit to a preliminary chemical breath analysis. If a minor does not consent to a preliminary chemical breath analysis, the analysis must not be administered without a court order, but a peace officer may seek to obtain a court order. The results of a preliminary chemical breath analysis or other acceptable blood alcohol test are admissible in a state civil infraction proceeding or criminal prosecution to determine if the minor has consumed or possessed alcoholic liquor or had any bodily alcohol content.

(7) A law enforcement agency, on determining that an individual who is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6, allegedly consumed, possessed, or purchased alcoholic liquor, attempted to consume, possess, or purchase alcoholic liquor, or had any bodily alcohol content in violation of subsection (1) shall notify the parent or parents, custodian, or guardian of the individual as to the nature of the violation if the name of a parent, guardian, or custodian is reasonably ascertainable by the law enforcement agency. The law enforcement agency shall notify the parent, guardian, or custodian not later than 48 hours after the law enforcement agency determines that the individual who allegedly violated subsection (1) is less than 18 years of age and not emancipated under 1968 PA 293, MCL 722.1 to 722.6. The law enforcement agency may notify the parent, guardian, or custodian by any means reasonably calculated to give prompt actual notice including, but not limited to, notice in person, by telephone, or by first-class mail. If an individual less than 17 years of age is incarcerated for violating subsection (1), his or her parents or legal guardian must be notified immediately as provided in this subsection.

(8) This section does not prohibit a minor from possessing alcoholic liquor during regular working hours and in the course of his or her employment if employed by a person licensed by this act, by the commission, or by an agent of the commission, if the alcoholic liquor is not possessed for his or her personal consumption.

(9) The following individuals are not considered to be in violation of subsection (1):

(a) A minor who has consumed alcoholic liquor and who voluntarily presents himself or herself to a health facility or agency for treatment or for observation including, but not limited to, medical examination and treatment for any condition arising from a violation of sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b to 750.520g, committed against a minor.

(b) A minor who accompanies an individual who meets both of the following criteria:

(i) Has consumed alcoholic liquor.

(ii) Voluntarily presents himself or herself to a health facility or agency for treatment or for observation including, but not limited to, medical examination and treatment for any condition arising from a violation of sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.520b to 750.520g, committed against a minor.

(c) A minor who initiates contact with a peace officer or emergency medical services personnel for the purpose of obtaining medical assistance for a legitimate health care concern.

(10) If a minor who is less than 18 years of age and who is not emancipated under 1968 PA 293, MCL 722.1 to 722.6, voluntarily presents himself or herself to a health facility or agency for treatment or for observation as provided under subsection (9), the health facility or agency shall notify the parent or parents, guardian, or custodian of the individual as to the nature of the treatment or observation if the name of a parent, guardian, or custodian is reasonably ascertainable by the health facility or agency.

(11) This section does not limit the civil or criminal liability of a vendor or the vendor's clerk, servant, agent, or employee for a violation of this act.

(12) The consumption of alcoholic liquor by a minor who is enrolled in a course offered by an accredited postsecondary educational institution in an academic building of the institution under the supervision of a faculty member is not prohibited by this act if the purpose of the consumption is solely educational and is a requirement of the course.

(13) The consumption by a minor of sacramental wine in connection with religious services at a church, synagogue, or temple is not prohibited by this act.

(14) Subsection (1) does not apply to a minor who participates in either or both of the following:

(a) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the person's employer and with the prior approval of the local prosecutor's office as part of an employer-sponsored internal enforcement action.

(b) An undercover operation in which the minor purchases or receives alcoholic liquor under the direction of the state police, the commission, or a local police agency as part of an enforcement action unless the initial or contemporaneous purchase or receipt of alcoholic liquor by the minor was not under the direction of the state police, the commission, or the local police agency and was not part of the undercover operation.

(15) The state police, the commission, or a local police agency shall not recruit or attempt to recruit a minor for participation in an undercover operation at the scene of a violation of subsection (1), section 701(1), or section 801(1).

(16) In a prosecution for the violation of subsection (1) concerning a minor having any bodily alcohol content, it is an affirmative defense that the minor consumed the alcoholic liquor in a venue or location where that consumption is legal.

(17) As used in this section:

(a) "Any bodily alcohol content" means either of the following:

(i) An alcohol content of 0.02 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(ii) Any presence of alcohol within a person's body resulting from the consumption of alcoholic liquor, other than consumption of alcoholic liquor as a part of a generally recognized religious service or ceremony.
