House Bill 4120 (as passed by the House) Sponsor: Representative Gregory Markkanen

House Committee: Transportation

Wavs and Means

Senate Committee: Transportation and Infrastructure

Date Completed: 6-18-19

CONTENT

The bill would amend the county road law to modify, from 15 to 30 years, the period of time for which a county road commission could pay installments on a contract or agreement for the purchase of real or personal property for public purposes.

Currently, a county road commission may enter into a contract or agreement for the purchase of real or personal property for public purposes, must be paid for in installments over a period of 15 years or the useful life of the property acquired, whichever is less. Under the bill, instead, the contract or agreement would have to be paid for in installments over a period not to exceed 30 years or the useful life the property acquired, whichever was less.

FISCAL IMPACT

The bill would not have a fiscal impact on the State, but could have a small, positive fiscal impact on county road commissions. By extending the term limit of installment payments for the purchase of real or personal property from 15 years to 30 years, some county road commissions could have options for installment payment terms that would be more manageable than currently available under the current 15 year maximum.
