CONTENT

House Bill 5426 (H-1) would amend the Cyber Civilian Corps Act to do the following:

- Allow the Department of Technology, Management and Budget (DTMB) to appoint individuals to serve as Michigan Cyber Civilian Corps (MiC3) advisors to facilitate the DTMB's responsibilities under the Act.
- Require the DTMB to enter into a contract with any individual who wished to accept an invitation from the DTMB to serve as a MiC3 volunteer or advisor and met the qualifying criteria for those positions as determined by the MiC3 Advisory Board.
- Modify requirements related to volunteer contracts, background checks, liabilities, and protections for an MiC3 volunteer to apply to an MiC3 advisor.
- Specify that if a background check resulted in previous criminal history, an individual could appeal to the Director of the DTMB or his or her designee for nondeployable MiC3 advisor status.
- Prohibit the MiC3 volunteers or advisors from engaging in training until either the background check or appeal regarding the background check's process had been completed.
- Modify various terms and definitions.

House Bill 5427 (H-1) would amend the Cyber Civilian Corps Act to do the following:

- Require the MiC3 Advisory Board to meet at least twice annually and to review and make recommendations on individuals applying for nondeployable advisor status.
- Require the State's Chief Information Officer, after consultation with the Advisory Board, to establish and maintain a formal process to track volunteer and advisor training and compliance with certain standards as determined by the DTMB.
- Require the DTMB, after consultation with the Advisory Board, to publish an explanation of the process by which the MiC3 would select and prioritize which prospective clients should receive assistance.
- Allow the DTMB to provide appropriate training to existing MiC3 advisors.
