

SENATE SUBSTITUTE FOR
HOUSE BILL NO. 5911

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending section 21f (MCL 388.1621f), as amended by 2018 PA 265.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 21f. (1) ~~A—Except as otherwise provided under subsection~~
2 (15), a primary district shall enroll an eligible pupil in virtual
3 courses in accordance with the provisions of this section. ~~A—Except~~
4 as otherwise provided under subsection (15), a primary district
5 shall not offer a virtual course to an eligible pupil unless the
6 virtual course is published in the primary district's catalog of
7 board-approved courses or in the statewide catalog of virtual
8 courses maintained by the Michigan Virtual University pursuant to
9 section 98. The primary district shall also provide on its publicly

accessible website a link to the statewide catalog of virtual courses maintained by the Michigan Virtual University. ~~Unless~~ **Except as otherwise provided under subsection (15), unless** the pupil is at least age 18 or is an emancipated minor, a pupil ~~shall~~ **must** not be enrolled in a virtual course without the consent of the pupil's parent or legal guardian.

(2) Subject to subsection (3), **and except as otherwise provided under subsection (15)**, a primary district shall enroll an eligible pupil in up to 2 virtual courses as requested by the pupil during an academic term, semester, or trimester.

(3) ~~A-Except as otherwise provided under subsection (15), a~~ pupil may be enrolled in more than 2 virtual courses in a specific academic term, semester, or trimester if all of the following conditions are met:

(a) The primary district has determined that it is in the best interest of the pupil.

(b) The pupil agrees with the recommendation of the primary district.

(c) The primary district, in collaboration with the pupil, has developed an education development plan, in a form and manner specified by the department, that is kept on file by the district. ~~Beginning October 1, 2016, this~~ **This** subdivision does not apply to a pupil enrolled as a part-time pupil under section 166b.

(4) ~~If-Except as otherwise provided under subsection (15), if~~ the number of applicants eligible for acceptance in a virtual course does not exceed the capacity of the provider to provide the virtual course, the provider shall accept for enrollment all of the applicants eligible for acceptance. If the number of applicants exceeds the provider's capacity to provide the virtual course, the

1 provider shall use a random draw system, subject to the need to
2 abide by state and federal antidiscrimination laws and court
3 orders. A primary district that is also a provider shall determine
4 whether or not it has the capacity to accept applications for
5 enrollment from nonresident applicants in virtual courses and may
6 use that limit as the reason for refusal to enroll a nonresident
7 applicant.

8 (5) ~~A-Except as otherwise provided under subsection (15), a~~
9 primary district may not establish additional requirements beyond
10 those specified in this subsection that would prohibit a pupil from
11 taking a virtual course. ~~A-Except as otherwise provided under~~
12 **subsection (15), a** pupil's primary district may deny the pupil
13 enrollment in ~~an online~~ **a virtual** course if any of the following
14 apply, as determined by the district:

15 (a) The pupil is enrolled in any of grades K to 5.

16 (b) The pupil has previously gained the credits that would be
17 provided from the completion of the virtual course.

18 (c) The virtual course is not capable of generating academic
19 credit.

20 (d) The virtual course is inconsistent with the remaining
21 graduation requirements or career interests of the pupil.

22 (e) The pupil has not completed the prerequisite coursework
23 for the requested virtual course or has not demonstrated
24 proficiency in the prerequisite course content.

25 (f) The pupil has failed a previous virtual course in the same
26 subject during the 2 most recent academic years.

27 (g) The virtual course is of insufficient quality or rigor. A
28 primary district that denies a pupil enrollment request for this
29 reason shall enroll the pupil in a virtual course in the same or a

1 similar subject that the primary district determines is of
2 acceptable rigor and quality.

3 (h) The cost of the virtual course exceeds the amount
4 identified in subsection (10), unless the pupil or the pupil's
5 parent or legal guardian agrees to pay the cost that exceeds this
6 amount.

7 (i) The request for a virtual course enrollment did not occur
8 within the same timelines established by the primary district for
9 enrollment and schedule changes for regular courses.

10 (j) The request for a virtual course enrollment was not made
11 in the academic term, semester, trimester, or summer preceding the
12 enrollment. This subdivision does not apply to a request made by a
13 pupil who is newly enrolled in the primary district.

14 (6) ~~If~~ **Except as otherwise provided under subsection (15), if**
15 a pupil is denied enrollment in a virtual course by the pupil's
16 primary district, the primary district shall provide written
17 notification to the pupil of the denial, the reason or reasons for
18 the denial ~~pursuant to~~ **under** subsection (5), and a description of
19 the appeal process. The pupil may appeal the denial by submitting a
20 letter to the superintendent of the intermediate district in which
21 the pupil's primary district is located. The letter of appeal ~~shall~~
22 **must** include the reason provided by the primary district for not
23 enrolling the pupil and the reason why the pupil is claiming that
24 the enrollment should be approved. The intermediate district
25 superintendent or designee shall respond to the appeal within 5
26 days after it is received. If the intermediate district
27 superintendent or designee determines that the denial of enrollment
28 does not meet 1 or more of the reasons specified in subsection (5),
29 the primary district shall enroll the pupil in the virtual course.

1 (7) ~~To~~ **Except as otherwise provided under subsection (15), to**
2 provide a virtual course to an eligible pupil under this section, a
3 provider ~~shall~~ **must** do all of the following:

4 (a) Ensure that the virtual course has been published in the
5 pupil's primary district's catalog of board-approved courses or
6 published in the statewide catalog of virtual courses maintained by
7 the Michigan Virtual University.

8 (b) Assign to each pupil a teacher of record and provide the
9 primary district with the personnel identification code assigned by

11 community college, the virtual course must be taught by an
12 instructor employed by or contracted through the providing
13 community college.

14 (c) Offer the virtual course on an open entry and exit method,
15 or aligned to a semester, trimester, or accelerated academic term
16 format.

17 (d) If the virtual course is offered to eligible pupils in
18 more than 1 district, the following additional requirements must
19 also be met:

20 (i) Provide the Michigan Virtual University with a course
21 syllabus that meets the definition under subsection (14)(g) in a
22 form and manner prescribed by the Michigan Virtual University for
23 inclusion in a statewide catalog of virtual courses.

24 (ii) Not later than October 1 of each fiscal year, provide the
25 Michigan Virtual University with an aggregated count of enrollments
26 for each virtual course the provider delivered to pupils ~~pursuant~~
27 ~~to~~ **under** this section during the immediately preceding school year,
28 and the number of enrollments in which the pupil earned 60% or more
29 of the total course points for each virtual course.

(8) ~~To~~ **Except as otherwise provided under subsection (15), to** provide ~~an online~~ **a virtual** course under this section, a community college shall ensure that each ~~online~~ **virtual** course it provides under this section generates postsecondary credit.

(9) ~~For~~ **Except as otherwise provided under subsection (15),** for any virtual course a pupil enrolls in under this section, the pupil's primary district must assign to the pupil a mentor and shall supply the provider with the mentor's contact information.

(10) ~~For~~ **Except as otherwise provided under subsection (15),** for a pupil enrolled in 1 or more virtual courses, the primary district shall use foundation allowance or per-pupil funds calculated under section 20 to pay for the expenses associated with the virtual course or courses. ~~A~~ **Except as otherwise provided under subsection (15), a** primary district is not required to pay toward the cost of a virtual course an amount that exceeds 6.67% of the minimum foundation allowance for the current fiscal year as calculated under section 20.

(11) A virtual learning pupil ~~shall have~~ **has** the same rights and access to technology in his or her primary district's school facilities as all other pupils enrolled in the pupil's primary district. The department shall establish standards for hardware, software, and internet access for pupils who are enrolled in more than 2 virtual courses **under this section** in an academic term, semester, or trimester taken at a location other than a school facility.

(12) If a pupil successfully completes a virtual course, as determined by the pupil's primary district, the pupil's primary district shall grant appropriate academic credit for completion of the course and shall count that credit toward completion of

1 graduation and subject area requirements. A pupil's school record
2 and transcript ~~shall~~**must** identify the virtual course title as it
3 appears in the virtual course syllabus.

4 (13) The enrollment of a pupil in 1 or more virtual courses
5 ~~shall~~**must** not result in a pupil being counted as more than 1.0
6 full-time equivalent pupils under this article. ~~The~~**Except as**
7 **otherwise provided under subsection (15), the** minimum requirements
8 to count the pupil in membership are those established by the pupil
9 accounting manual as it was in effect for the 2015-2016 school year
10 or as subsequently amended by the department if the department
11 notifies the legislature about the proposed amendment at least 60
