5 provided in this subsection. The board of a business improvement  
6 district shall consist of all of the following:

7 (a) One representative of the local governmental unit  
8 appointed by the chief executive officer of the local governmental  
9 unit with the concurrence of the legislative body of the local

Sec. 5. (1) If a local governmental unit elects to levy special assessments to defray all or part of the cost of the district project, then the special assessments shall be levied pursuant to applicable statutory or charter provisions or, if there are no applicable statutory or charter provisions, pursuant to statutory or charter provisions applicable to local governmental unit street improvements. If a local governmental unit charter does not authorize special assessments for the purposes set forth in this chapter, the charter provisions authorizing special assessments for street improvements are made applicable to the purposes set forth in this chapter, without amendment to the charter. The total amount assessed for district purposes may be made payable in not more than 20 annual installments as determined by the governing body of the local governmental unit, the first installment to be payable in not more than 18 months after the date of the confirmation of the special assessment roll.

(2) A special assessment shall be levied against assessable

1 property on the basis of the special benefits to that parcel from  
 2 the total project. There is a rebuttable presumption that a  
 3 district project specially benefits all assessable property located  
 4 within the district.

5 (3) This subsection applies to a principal shopping district  
 6 only if the principal shopping district is designated by the  
 7 governing body of a local governmental unit after July 14, 1992.  
 8 The special assessments annually levied on a parcel under this  
 9 chapter shall not exceed the product of \$10,000.00 and the number  
 10 of businesses on that parcel. A business located on a single parcel  
 11 shall not be responsible for a special assessment in excess of  
 12 \$10,000.00 annually. When the special assessment district is  
 13 created, a lessor of a parcel subject to a special assessment may  
 14 unilaterally revise an existing lease to a business located on that  
 15 parcel to recover from that business all or part of the special  
 16 assessment, as is proportionate considering the portion of the  
 17 parcel occupied by the business.

18 (4) The \$10,000.00 maximum amounts in subsection (3) shall be  
 19 adjusted each January 1, beginning January 1, 1994, pursuant to the  
 20 annual average percentage increase or decrease in the Detroit  
 21 ~~consumer price index~~ **Consumer Price Index** for all items as reported  
 22 by the United States ~~department of labor.~~ **Department of Labor.** The  
 23 adjustment for each year shall be made by comparing the Detroit  
 24 ~~consumer price index~~ **Consumer Price Index** for the 12-month period  
 25 ending the preceding October 31 with the corresponding Detroit  
 26 ~~consumer price index~~ **Consumer Price Index** of 1 year earlier. The  
 27 percentage increase or decrease shall then be multiplied by the  
 28 current amounts under subsection (3) authorized by this section.  
 29 The product shall be rounded up to the nearest multiple of 50 cents

1 and shall be the new amount.

2 (5) The local governmental unit may issue special assessment  
3 bonds in anticipation of the collection of the special assessments  
4 for a district project and, by action of its governing body, may  
5 pledge its full faith and credit for the prompt payment of the  
6 bonds. Special assessment bonds issued under this section are  
7 subject to the revised municipal finance act, 2001 PA 34, MCL  
8 141.2101 to 141.2821. The last maturity on the bonds shall be not  
9 later than 2 years after the due date of the last installment on  
10 the special assessments. Special assessment bonds may be issued  
11 pursuant to statutory or charter provisions applicable to the  
12 issuance by the local governmental unit of special assessment bonds  
13 for the improvement or, if there are no applicable statutory or  
14 charter provisions, pursuant to statutory or charter provisions  
15 applicable to the issuance by the local governmental unit of  
16 special assessment bonds for street improvements.

17 (6) If a district project in a district designated by the  
18 governing body of a local governmental unit after July 14, 1992 is  
19 financed by special assessments, the governing body of the local  
20 governmental unit shall review the special assessments every 5  
21 years, unless special assessment bonds are outstanding.

22 (7) Before a local governmental unit levies a special  
23 assessment under this chapter that benefits property within a  
24 business improvement district, the business improvement district  
25 board shall develop a marketing and development plan that details  
26 all of the following:

27 (a) The scope, nature, and duration of the business  
28 improvement district project or projects.

29 (b) The different classes of property owners who are going to

1 be assessed and the projected amount of the special assessment on  
2 the different classes.

3 (8) A local governmental unit that levies a special assessment  
4 under this chapter that benefits property within a business  
5 improvement district is considered to have approved the marketing  
6 and development plan described in subsection (7).

7 (9) **Any notice required as part of the special assessment**  
8 **process shall include a statement that a property owner of**  
9 **residential real property within a business improvement district**  
10 **may seek a homestead deferment for a special assessment under this**  
11 **act in the same manner as provided in section 4 of 1976 PA 225, MCL**

 25 ~~assessable property in the zone area. If the zone plan for the zone~~  
 26 ~~area provides for allocation of assessments based upon assessed~~  
 27 ~~value, the votes of property owners shall be weighted in proportion~~  
 28 ~~to the amount that the assessed value of their respective real~~  
 29 ~~property for the preceding calendar year bears to the assessed~~

~~value of all assessable property in the zone area. If the zone plan for the zone area provides a basis for allocating assessments other than taxable value or assessed value, the votes of property owners shall be weighted in proportion to the amount that the weighted value for their respective real property bears to the total weighted value of all assessable property in the zone area. In no case shall the total number of votes assigned to any 1 property owner be equal to more than 25% of the total number of votes eligible to be cast in the election.~~

(2) ~~(3)~~ A zone plan and the proposal for the establishment of a business improvement zone, including the identity of the initial board, shall be considered adopted upon the approval of more than 60% of the property owners voting in the election. ~~, with votes weighted as provided in subsection (2).~~

(3) ~~(4)~~ Upon acceptance or rejection of a business improvement zone and zone plan by the property owners, the resulting business improvement zone or the person filing the petition under section 10c shall, at the request of the city or village, reimburse the city or village for all or a portion of the reasonable expenses incurred to comply with this chapter. The governing body of the city or village may forgive and choose not to collect all or a portion of the reasonable expenses incurred to comply with this chapter.

(4) ~~(5)~~ Adoption of a business improvement zone and zone plan under this section authorizes the creation of the business improvement zone and the implementation of the zone plan for the qualifying period.

(5) ~~(6)~~ Adoption of a business improvement zone and zone plan under this section and the creation of the business improvement

1 zone does not relieve the business improvement zone from following,  
 2 or does not waive any rights of the city or village to enforce, any  
 3 applicable laws, statutes, or ordinances. A business improvement  
 4 zone created under this chapter shall comply with all applicable  
 5 state and federal laws.

6 (6) ~~(7)~~—To the extent not protected by the immunity conferred  
 7 by 1964 PA 170, MCL 691.1401 to 691.1419, a city or village that  
 8 approves a business improvement zone within its boundaries is  
 9 immune from civil or administrative liability arising from any  
 10 actions of that business improvement zone.

11 Sec. 10g. (1) The day-to-day activities of the business  
 12 improvement zone and implementation of the zone plan shall be  
 13 managed by a board of directors.

14 (2) The board shall consist of an odd number of directors and  
 15 shall not be smaller than 5 and not larger than 15 in number. The  
 16 board may include 1 director nominated by the chief executive of  
 17 the city or village and confirmed by the governing body of the city  
 18 or village. **The board shall include no less than 1 owner of**  
 19 **residential real property if residential real property is**  
 20 **determined assessable property by the local governmental unit under**  
 21 **section 10.** A nomination not disapproved by a governing body within  
 22 60 days shall stand confirmed.

23 (3) The duties and responsibilities of the board shall be  
 24 prescribed in the zone plan and to the extent applicable shall  
 25 include all of the following duties and responsibilities:

26 (a) Developing administrative procedures relating to the  
 27 implementation of the zone plan.

28 (b) Recommending amendments to the zone plan.

29 (c) Scheduling and conducting an annual meeting of the

1 property owners.

2 (d) Developing a zone plan for the next qualifying period.

3 (4) Members of the board shall serve without compensation.

4 However, members of the board may be reimbursed for their actual  
5 and necessary expenses incurred in the performance of their  
6 official duties as members of the board.

7 Sec. 10h. (1) A business improvement zone may be funded in  
8 whole or in part by 1 or more assessments on assessable property,  
9 as provided in the zone plan. An assessment under this chapter  
10 shall be in addition to any taxes or special assessments otherwise  
11 imposed on assessable property. The business improvement zone, with  
12 the approval of the board, may enter into agreements with 1 or more  
13 property owners in the city or village providing for the provision  
14 of business zone activities or services to the property owner or  
15 owners by the business improvement zone in exchange for monetary  
16 contributions to the business improvement zone from the property  
17 owner or owners. An agreement providing for the provision of  
18 business zone activities or services described in this subsection  
19 shall be in writing and shall be made available to all property  
20 owners of assessable property in the zone area.

21 (2) An assessment shall be imposed against assessable property  
22 only on the basis of the benefits to assessable property afforded  
23 by the zone plan. There is a rebuttable presumption that a zone  
24 plan and any project specially benefits all assessable property in  
25 a zone area.

26 (3) If a zone plan provides for an assessment, the treasurer  
27 of the city or village in which the zone area is located as an  
28 agent of the business improvement zone shall collect the assessment  
29 imposed by the board under the zone plan on all assessable property

1 within the zone area in the amount authorized by the zone plan.

2 (4) Except as provided in subsection (6), assessments shall be  
3 collected by the treasurer of the city or village as an agent of  
4 the business improvement zone from each property owner and remitted  
5 promptly to the business improvement zone. ~~Assessment~~ **Except as**  
6 **otherwise provided in this subsection, assessment** revenue is the  
7 property of the business improvement zone and not the city or  
8 village in which the business improvement zone is located. **However,**  
9 **all payments to the treasurer shall be entirely applied first to**  
10 **the balance of any property taxes owed to the city or village and**  
11 **only then any remaining payment amount shall be considered**  
12 **assessment revenue belonging to the business improvement zone and**  
13 **applied to the assessment levied under this chapter.** The business  
14 improvement zone may, at the option and under the direction of the  
15 treasurer, assist the treasurer of the city or village in  
16 collecting the assessment to keep the expenses of collecting the  
17 assessment at a minimum.

18 (5) The business improvement zone may institute a civil action  
19 to collect any delinquent assessment and interest.

20 (6) An assessment is delinquent if it has not been paid within  
21 90 days after it was due as provided under the zone plan imposed  
22 under this chapter. Delinquent assessments shall be collected by  
23 the business improvement zone. Delinquent assessments shall accrue  
24 interest at a rate of 1.5% per month until paid.

25 (7) If any portion of the assessment has not been paid within  
26 90 days after it was due, that portion of the unpaid assessment  
27 shall constitute a lien on the property. The lien amount shall be  
28 for the unpaid portion of the assessment and shall include any  
29 applicable interest. Alternatively, a delinquent and unpaid

1 assessment may, at the request of the business improvement zone, be  
2 returned as delinquent by the treasurer of the city or village and  
3 collected in the same manner as a delinquent tax special assessment  
4 along with any associated interest, fees, and costs under the  
5 general property tax act, 1893 PA 206, MCL 211.1 to 211.155.

6 However, property is not subject to forfeiture, foreclosure, and  
7 sale under sections 78 to 79a of the general property tax act, 1893  
8 PA 206, MCL 211.78 to 211.79a, for nonpayment of an assessment  
9 under this chapter unless the property also is subject to  
10 forfeiture, foreclosure, and sale under sections 78 to 79a of the  
11 general property tax act, 1893 PA 206, MCL 211.78 to 211.79a, for  
12 delinquent property taxes. If a parcel of assessable property that  
13 has a delinquent and unpaid assessment is sold to a purchaser who  
14 is not related or affiliated to the seller, as determined by the  
15 board, the board may reduce or eliminate any delinquent and unpaid  
16 assessment on that parcel of assessable property if the property is  
17 not subject to forfeiture, foreclosure, and sale under sections 78  
18 to 79a of the general property tax act, 1893 PA 206, MCL 211.78 to  
19 211.79a. If the delinquent property taxes are paid, the property  
20 may not be forfeited, foreclosed, and sold for an unpaid assessment  
21 under this chapter.

22       Sec. 10j. A zone plan may be amended. Amendments shall be  
23 effective if approved by a majority of the property owners voting  
24 on the amendment at the annual meeting of property owners or a  
25 special meeting called for that purpose. ~~, with the votes of the~~  
26 ~~property owners weighted in accordance with section 10f(2).~~ A zone  
27 plan amendment changing any assessment is effective only if also  
28 approved by the governing body of the city or village in which the  
29 business improvement zone is located.

1       Sec. 10k. (1) Prior to the expiration of any qualifying  
 2 period, the board shall notify the property owners within the  
 3 business improvement zone of a special meeting by first-class mail  
 4 at least 14 days prior to the scheduled date of the meeting to  
 5 approve a new zone plan for the next qualifying period. Notice  
 6 under this section shall include the specific location, scheduled  
 7 date, and time of the meeting **and shall include a statement that a**  
 8 **property owner of residential real property within a business**  
 9 **improvement zone may seek a homestead deferment for an assessment**  
 10 **under this act in the same manner as provided in section 4 of 1976**  
 11 **PA 225, MCL 211.764.**

12       (2) Approval of the new zone plan at the special meeting by  
 13 more than 60% of the property owners of assessable property voting  
 14 at that meeting ~~, with the vote of the property owners being~~  
 15 ~~weighted in accordance with section 10f(2),~~ constitutes  
 16 reauthorization of the business improvement zone for an additional  
 17 qualifying period, commencing as of the expiration of the  
 18 qualifying period then in effect. If the new zone plan reflects any  
 19 new assessment, or reflects an extension of any assessment beyond  
 20 the period previously approved by the city or village in which the  
 21 business improvement zone is located, the new or extended  
 22 assessment shall be effective only with the approval of the  
 23 governing body of the city or village.

24       Sec. 10l. (1) Upon written petition duly signed by 30% of the  
 25 property owners of assessable property within a zone area and  
 26 submitted no sooner than 2 years following the adoption of the  
 27 business improvement zone and zone plan, the board shall place on  
 28 the agenda of the next annual meeting, if the next annual meeting  
 29 is to be held not later than 63 days after receipt of the written

1 petition or a special meeting not to be held later than 63 days  
2 after receipt of the written petition, the issue of dissolution of  
3 the business improvement zone. Notice of the next annual meeting or  
4 special meeting described in this subsection shall be made to all  
5 property owners by first-class mail not less than 14 days prior to  
6 the date of the annual or special meeting. The notice shall include  
7 the specific location and the scheduled date and time of the  
8 meeting.

9 (2) The business improvement zone shall be dissolved upon a  
10 vote of more than 50% of the property owners of assessable property  
11 voting at the meeting. ~~7, with the votes of the property owners~~  
12 ~~weighted in accordance with section 10f(2).~~ A dissolution shall not  
13 take effect until the later of the end of the second calendar year  
14 after the vote for dissolution or all contractual liabilities of  
15 the business improvement zone have been paid and discharged.

16 (3) Upon dissolution of a business improvement zone, the board  
17 shall dispose of the remaining physical assets of the business  
18 improvement zone. The proceeds of any physical assets disposed of  
19 by the business improvement zone and all money collected through  
20 assessments that is not required to defray the expenses of the  
21 business improvement zone shall be refunded on a pro rata basis to  
22 persons from whom assessments were collected. If the board finds  
23 that the refundable amount is so small as to make impracticable the  
24 computation and refunding of the money, it may be transferred to  
25 the treasurer of the city or village in which the business  
26 improvement zone is located for deposit in the treasury of the city  
27 or village to the credit of the general fund.

28 (4) Upon dissolution of a business improvement zone, any  
29 remaining assets of the business improvement zone shall be

1 transferred to the treasurer of the city or village in which the  
2 business improvement zone is located for deposit in the treasury of  
3 the city or village to the credit of the general fund.
