6 Sec. 603. (1) All prisoners, probationers, and parolees
7 involved with the curfew monitoring program shall reimburse the

19 recent violation, and by the number of violations occurring since
20 release from prison.

21 (b) Monthly participant unsuccessful terminations, including
22 cause.

23 (c) Number of successful terminations.

9 offenders being sentenced to prison as a result of technical
10 probation violations and technical parole violations. To the extent
11 the department has insufficient policies or resources to affect the
12 continued increase in prison commitments among these offender
13 populations, the department shall explore other policy options to
14 allow for program alternatives, including department or OCC-funded
15 programs, local level programs, and programs available through
16 private agencies that may be used as prison alternatives for these
17 offenders.

18 (2) By April 1, the department shall provide a report to the
19 senate and house appropriations subcommittees on corrections, the
20 senate and house fiscal agencies, the legislative corrections
21 ombudsman, and the state budget office on the number of all

19 substance abuse treatment programs, mental health treatment
20 programs, or both, while in prison, itemized by diagnosis.

21 Sec. 613. When the department is determining where to place a
22 parolee with chronic technical violations, the department shall
23 give priority to placing a parolee in an intensive detention
24 program that offers specific programming to address the behavioral
25 needs of the parolee, and that works on a plan with the parolee to
26 ensure that once the parolee is released he or she can remain in
27 the community and successfully complete his or her parole.

1 Sec. 615. (1) The department shall submit a report detailing
2 the number of prisoners who have received life imprisonment
3 sentences with the possibility of parole and who are currently

12 committed, current age, race, gender, true security classification,
13 dates of parole board file reviews, dates of parole board
14 interviews, parole guideline scores, and reason for decision not to
15 release.

16 Sec. 617. From the funds appropriated in part 1 for the
17 residential alternative to prison program, the department shall
18 provide vocational, educational, and cognitive programming in a
19 secure environment to enhance existing alternative sentencing
20 options, increase employment readiness and successful placement
21 rates, and reduce new criminal behavior for the west Michigan
22 probation violator population. The department shall measure and set
23 the following metric goals:

24 (a) 85% of participants successfully complete the program.

25 (b) Of the participants that complete the program, 75% will

20 Sec. 803. (1) The department shall assure that all prisoners,
21 upon any health care treatment, are given the opportunity to sign a
22 release of information form designating a family member or other
23 individual to whom the department shall release records information

25 prisoner shall remain in effect for 1 year, and the prisoner may

23 previous 4 quarters the total amount spent on specialty medication
24 for the treatment of Hepatitis C, the number of prisoners that were
25 treated, the amount of any rebates that were received from the
26 purchase of specialty medication, and what outstanding rebates are
27 expected to be received.

2 health and human services with a monthly list of prisoners newly
3 committed to the department of corrections. The department and the
4 department of health and human services shall enter into an
5 interagency agreement under which the department of health and

16 and house appropriations subcommittees on corrections, the senate
17 and house fiscal agencies, the legislative corrections ombudsman,
18 and the state budget office on academic and vocational programs.
19 The report shall provide information relevant to an assessment of
20 the department's academic and vocational programs, including, but
21 not limited to, all of the following:

22 (a) The number of instructors and the number of instructor
23 vacancies, by program and facility.

24 (b) The number of prisoners enrolled in each program, the
25 number of prisoners completing each program, the number of
26 prisoners who do not complete each program and are not subsequently
27 reenrolled, and the reason for not completing the program, the

1 number of prisoners transferred to another facility while enrolled
2 in a program and not subsequently reenrolled, the number of
3 prisoners enrolled who are repeating the program, and the number of
4 prisoners on waiting lists for each program, all itemized by

10 diploma and the number of prisoners paroled without a high school

15 (f) An identification of program outcomes for each academic
16 and vocational program.

17 (g) The number of prisoners not paroled at their earliest
18 release date due to lack of a high school equivalency, and the
19 reason those prisoners have not obtained a high school equivalency.

20 Sec. 910. The department shall allow the Michigan Braille
21 transcribing fund program to operate at its current location. The
22 donation of the building by the Michigan Braille transcribing fund
23 at the G. Robert Cotton Correctional Facility in Jackson is
24 acknowledged and appreciated. The department shall continue to
25 encourage the Michigan Braille transcribing fund program to produce
26 high-quality materials for use by the visually impaired.

27 Sec. 911. By March 1, the department shall report to the

1 senate and house appropriations subcommittees on corrections, the
2 senate and house fiscal agencies, the legislative corrections
3 ombudsman, and the state budget office the number of critical
4 incidents occurring each month by type and the number and severity
5 of assaults, escape attempts, suicides, and attempted suicides
6 occurring each month at each facility during the immediately
7 preceding calendar year.

8 Sec. 912. The department shall report monthly to the senate
9 and house appropriations subcommittees on corrections, the senate
10 and house fiscal agencies, the legislative corrections ombudsman,
11 and the state budget office on the ratio of correctional officers
12 to prisoners for each correctional institution, the ratio of shift
13 command staff to line custody staff, and the ratio of noncustody
14 institutional staff to prisoners for each correctional institution.

15 Sec. 913. (1) From the funds appropriated in part 1, the
16 department shall focus on providing required programming to
17 prisoners who are past their earliest release date because of not
18 having received the required programming. Programming includes, but
19 is not limited to, violence prevention programming, assaultive
20 offender programming, sexual offender programming, substance abuse
21 treatment programming, thinking for a change programming, and any
22 other programming that is required as a condition of parole.

23 (2) It is the intent of the legislature that any prisoner
24 required to complete a violence prevention program, sexual offender
25 program, or other program as a condition of parole shall be placed
26 on a waiting list for the appropriate programming upon entrance to
27 prison and transferred to a facility where that program is

1 available in order to accomplish timely completion of that program
2 prior to the expiration of his or her minimum sentence and
3 eligibility for parole. Nothing in this section should be deemed to
4 make parole denial appealable in court.

5 (3) The department shall submit a quarterly report to the
6 senate and house appropriations subcommittees on corrections, the
7 senate and house fiscal agencies, the legislative corrections
8 ombudsman, and the state budget office detailing enrollment in sex
9 offender programming, assaultive offender programming, violent
10 offender programming, and thinking for a change programming. At a
11 minimum, the report shall include the following:

12 (a) A full accounting, from the date of entrance to prison, of
13 the number of individuals who are required to complete the
14 programming, but have not yet done so.

15 (b) The number of individuals who have reached their earliest
16 release date, but who have not completed required programming.

17 (c) A plan of action for addressing any waiting lists or
18 backlogs for programming that may exist.

19 Sec. 920. If a female prisoner consents to a visitor being
20 present, the department shall allow that 1 person to be present
21 during the prisoner's labor and delivery. The person allowed to
22 accompany the prisoner must be an immediate family member, legal
23 guardian, spouse, or domestic partner. The department is authorized
24 to deny access to a visitor if the department has a safety concern
25 with that visitor's access. The department is authorized to conduct
26 a criminal background check on a visitor.

27 Sec. 924. The department shall evaluate all prisoners at

1 intake for substance abuse disorders, serious developmental
2 disorders, serious mental illness, and other mental health
3 disorders. Prisoners with serious mental illness or serious
4 developmental disorders shall not be removed from the general
5 population as a punitive response to behavior caused by their
6 serious mental illness or serious developmental disorder. Due to
7 persistent high violence risk or severe disruptive behavior that is
8 unresponsive to treatment, prisoners with serious mental illness or
9 serious developmental disorders may be placed in secure residential
10 housing programs that will facilitate access to institutional
11 programming and ongoing mental health services. A prisoner with
12 serious mental illness or serious developmental disorder who is
13 confined in these specialized housing programs shall be evaluated
14 or monitored by a medical professional at a frequency of not less
15 than every 12 hours.

16 Sec. 925. By March 1, the department shall report to the
17 senate and house appropriations subcommittees on corrections, the
18 senate and house fiscal agencies, the legislative corrections
19 ombudsman, and the state budget office on the annual number of
20 prisoners in administrative segregation between October 1, 2018 and
21 September 30, 2019, and the annual number of prisoners in
22 administrative segregation between October 1, 2018 and September
23 30, 2019 who at any time during the current or prior prison term
24 were diagnosed with serious mental illness or have a developmental
25 disorder and the number of days each of the prisoners with serious
26 mental illness or a developmental disorder have been confined to
27 administrative segregation.

1 Sec. 929. From the funds appropriated in part 1, the
2 department shall do all of the following:

3 (a) Ensure that any inmate care and control staff in contact
4 with prisoners less than 18 years of age are adequately trained
5 with regard to the developmental and mental health needs of
6 prisoners less than 18 years of age. By April 1, the department
7 shall report to the senate and house appropriations subcommittees
8 on corrections, the senate and house fiscal agencies, the
9 legislative corrections ombudsman, and the state budget office on
10 the training curriculum used and the number and types of staff
11 receiving annual training under that curriculum.

12 (b) Provide appropriate placement for prisoners less than 18
13 years of age who have serious mental illness, serious emotional
14 disturbance, or a serious developmental disorder and need to be
15 housed separately from the general population. Prisoners less than
16 18 years of age who have serious mental illness, serious emotional
17 disturbance, or a serious developmental disorder shall not be
18 removed from an existing placement as a punitive response to
19 behavior caused by their serious mental illness, serious emotional
20 disturbance, or a serious developmental disorder. Due to persistent
21 high violence risk or severe disruptive behavior that is
22 unresponsive to treatment, prisoners less than 18 years of age with
23 serious emotional disturbance, serious mental illness, or serious
24 developmental disorders may be placed in secure residential housing
25 programs that will facilitate access to institutional programming
26 and ongoing mental health services. A prisoner less than 18 years
27 of age with serious mental illness, serious emotional disturbance,

1 or a serious developmental disorder who is confined in these
2 specialized housing programs shall be evaluated or monitored by a
3 medical professional at a frequency of not less than every 12
4 hours.

5 (c) Implement a specialized offender success program that
6 recognizes the needs of prisoners less than 18 years old for
7 supervised offender success.

8 Sec. 930. The department shall submit a quarterly report to
9 the senate and house appropriations subcommittees on corrections,
10 the senate and house fiscal agencies, the legislative corrections
11 ombudsman, and the state budget office on the number of youth in
12 prison. The report shall include, but not be limited to, the
13 following information:

14 (a) The total number of inmates under age 18 who are not on
15 Holmes youthful trainee act status.

16 (b) The total number of inmates under age 18 who are on Holmes
17 youthful trainee act status.

18 (c) The total number of inmates aged 18 to 23 who are on
19 Holmes youthful trainee act status.

20 Sec. 940. (1) Any lease, rental, contract, or other legal
21 agreement that includes a provision allowing a private person or
22 entity to use state-owned facilities or other property to conduct a
23 for-profit business enterprise shall require the lessee to pay fair
24 market value for the use of the state-owned property.

25 (2) The lease, rental, contract, or other legal agreement
26 shall also require the party using the property to make a payment
27 in lieu of taxes to the local jurisdictions that would otherwise

1 receive property tax revenue, as if the property were not owned by
2 the state.

3 Sec. 942. The department shall ensure that any contract with a
4 public or private party to operate a facility to house state
5 prisoners includes a provision to allow access by both the office
6 of the legislative auditor general and the office of the
7 legislative corrections ombudsman to the facility and to
8 appropriate records and documents related to the operation of the
9 facility. These access rights for both offices shall be the same
10 for the contracted facility as for a general state-operated
11 correctional facility.

12 Sec. 943. The department shall submit a report by May 1 to the
13 senate and house appropriations subcommittees on corrections, the
14 senate and house fiscal agencies, the legislative corrections
15 ombudsman, and the state budget office on the actual and projected
16 savings achieved by closing correctional facilities. Savings
17 amounts shall be itemized by facility. Information required by this
18 section shall start with the closure of the Pugsley Correctional
19 Facility, which closed in September of 2016.

20 Sec. 944. When the department is planning to close a
21 correctional facility, the department shall fully consider the
22 potential economic impact of the prison closure on the community
23 where the facility is located. The department, when weighing all
24 factors related to the closure of a facility, shall also consider
25 the impact on the local community where the facility to be closed
26 is located.

MISCELLANEOUS

Sec. 1009. The department shall make an information packet for the families of incoming prisoners available on the department's website. The information packet shall be updated by February 1. The packet shall provide information on topics including, but not limited to: how to put money into prisoner accounts, how to make phone calls or create Jpay electronic mail accounts, how to visit in person, proper procedures for filing complaints or grievances, the rights of prisoners to physical and mental health care, how to utilize the offender tracking information system (OTIS), truth-in-sentencing and how it applies to minimum sentences, the parole process, and guidance on the importance of the role of families in the reentry process. The department is encouraged to partner with external advocacy groups and actual families of prisoners in the packet-writing process to ensure that the information is useful and complete.

Sec. 1011. The department may accept in-kind services and equipment donations to facilitate the addition of a cable network that provides programming that will address the religious needs of incarcerated individuals. This network may be a cable television network that presently reaches the majority of households in the United States. A bilingual channel affiliated with this network may also be added to department programming to assist the religious needs of Spanish-speaking inmates. The addition of these channels shall be at no additional cost to this state.

Sec. 1013. From the funds appropriated in part 1, priority may be given to funding reentry or rehabilitation programs that have

- 1 been demonstrated to reduce prison violence and recidivism,
- 2 including faith-based initiatives.
