

SENATE SUBSTITUTE FOR  
HOUSE BILL NO. 4313

A bill to amend 1994 PA 451, entitled  
"Natural resources and environmental protection act,"  
(MCL 324.101 to 324.90106) by adding section 43525c.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 43525c. (1) Except as otherwise provided in this section,  
2   an individual 18 years of age or older shall not hunt pheasants  
3   without a current annual pheasant hunting license issued by this  
4   state. The annual pheasant hunting license requirement is in  
5   addition to the requirements for a base license. The fee for the  
6   pheasant hunting license is \$25.00. The following individuals are  
7   not required to obtain an annual pheasant hunting license under  
8   this section:

9       (a) An individual only hunting pheasants at a game bird

1 hunting preserve licensed under part 417.

2 (b) An individual hunting pheasants on private land, except  
3 for individuals hunting on land enrolled in the hunting access  
4 program.

5 (c) An individual hunting pheasants on public land in the  
6 Upper Peninsula.

7 (d) An individual who holds a lifetime small game license,  
8 lifetime sportsperson's license, or a comprehensive lifetime  
9 hunting and fishing license issued under section 44102.

10 (2) If issued as a stamp, a pheasant hunting license must be  
11 affixed to the base license of the individual and signed across the  
12 face of the stamp by the individual to whom it is issued.

13 (3) A collector may purchase a pheasant hunting license, if it  
14 is issued as a stamp, without being required to place it on a base  
15 license, sign across its face, or provide proof of competency under  
16 section 43520(2). However, a license described in this subsection  
17 is not valid for hunting pheasants.

18 (4) From the fee collected for each pheasant hunting license,  
19 the department shall deposit 100% of each license fee in the  
20 pheasant subaccount of the game and fish protection account for the  
21 purposes stated in subsection (5).

22 (5) The pheasant subaccount is created in the game and fish  
23 protection account. The state treasurer may receive money or other  
24 assets from any source for deposit into the subaccount. The state  
25 treasurer shall direct the investment of the subaccount. The state  
26 treasurer shall credit to the subaccount interest and earnings from  
27 subaccount investments. Money in the subaccount at the close of the  
28 fiscal year remains in the subaccount and does not lapse to the  
29 game and fish protection account or the general fund. Money in the

1 subaccount on January 1, 2026 is transferred to the game and fish  
2 protection account. The department is the administrator of the  
3 subaccount for auditing purposes. The department shall expend money  
4 from the subaccount, upon appropriation, only to release live  
5 pheasants on state-owned land suitable for pheasants.

6 (6) This section is repealed effective January 1, 2026.
