703 as amended by 2016 PA 158 and section 705 as amended by 2011 PA
192.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 703. (1) A person who disburses pension or annuity
2 payments, except as otherwise provided under this section, shall
3 withhold a tax in an amount computed by applying the rate
4 prescribed in section 51 on the taxable part of payments from an
5 employer pension, annuity, profit-sharing, stock bonus, or other
6 deferred compensation plan as well as from an individual retirement
7 arrangement, an annuity, an endowment, or a life insurance contract

1 issued by a life insurance company. Withholding ~~shall~~**must** be
2 calculated on the taxable disbursement after deducting from the
3 taxable portion the same proportion of the total amount of personal
4 and dependency exemptions of the individual allowed under this act.
5 Withholding is not required on any part of a distribution that is
6 not expected to be includable in the recipient's gross income or
7 that is deductible from adjusted gross income under section
8 30(1) (e) or (f).

9 (2) Every employer in this state required under the provisions
10 of the internal revenue code to withhold a tax on the compensation
11 of an individual, except as otherwise provided, shall deduct and
12 withhold a tax in an amount computed by applying, except as
13 provided by subsection (14), the rate prescribed in section 51 to
14 the remainder of the compensation after deducting from compensation
15 the same proportion of the total amount of personal and dependency
16 exemptions of the individual allowed under this act that the period
17 of time covered by the compensation is of 1 year. The department
18 may prescribe withholding tables that may be used by employers to
19 compute the amount of tax required to be withheld.

20 (3) Except as otherwise provided under this section, for tax
21 years that begin before July 1, 2016, every flow-through entity in
22 this state shall withhold a tax in an amount computed by applying
23 the rate prescribed in section 51 to the distributive share of
24 taxable income reasonably expected to accrue after allocation and
25 apportionment under chapter 3 of each nonresident member who is an
26 individual after deducting from that distributive income the same
27 proportion of the total amount of personal and dependency
28 exemptions of the individual allowed under this act. All of the
29 taxes withheld under this section shall accrue to the state on

1 April 15, July 15, and October 15 of the flow-through entity's tax
2 year and January 15 of the following year, except a flow-through
3 entity that is not on a calendar year basis shall substitute the
4 appropriate due dates in the flow-through entity's fiscal year that
5 correspond to those in a calendar year. Withholding for each period
6 ~~shall~~**must** be equal to 1/4 of the total withholding calculated on
7 the distributive share that is reasonably expected to accrue during
8 the tax year of the flow-through entity.

9 (4) Except as otherwise provided under this section, for tax
10 years that begin before July 1, 2016, every flow-through entity

12 of business income reasonably expected to accrue in the tax year
13 after allocation or apportionment shall withhold a tax in an amount
14 computed by applying the rate prescribed in section 623 to the
15 distributive share of the business income of each member that is a
16 corporation or that is a flow-through entity. For purposes of
17 calculating the \$200,000.00 withholding threshold, the business
18 income of a flow-through entity shall be apportioned to this state
19 by multiplying the business income by the sales factor of the flow-
20 through entity. The sales factor of the flow-through entity is a
21 fraction, the numerator of which is the total sales of the flow-
22 through entity in this state during the tax year and the
23 denominator of which is the total sales of the flow-through entity
24 everywhere during the tax year. As used in this subsection,
25 "business income" means that term as defined in section ~~603(2)~~.
26 **603.** For a partnership or S corporation, business income includes
27 payments and items of income and expense that are attributable to
28 business activity of the partnership or S corporation and
29 separately reported to the members. As used in this subsection,

1 "sales" means that term as defined in section 609 and sales in this

5 year and January 15 of the following year, except a flow-through
6 entity that is not on a calendar year basis shall substitute the
7 appropriate due dates in the flow-through entity's fiscal year that
8 correspond to those in a calendar year. Withholding for each period
9 ~~shall~~**must** be equal to 1/4 of the total withholding calculated on
10 the distributive share of business income that is reasonably
11 expected to accrue during the tax year of the flow-through entity.

12 (5) For tax years that begin before July 1, 2016, if a flow-
13 through entity is subject to the withholding requirements of
14 subsection (4), then a member of that flow-through entity that is
15 itself a flow-through entity shall withhold a tax on the
16 distributive share of business income as described in subsection
17 (4) of each of its members. The department shall apply tax withheld
18 by a flow-through entity on the distributive share of business
19 income of a member flow-through entity to the withholding required
20 of that member flow-through entity. All of the taxes withheld under
21 this section ~~shall~~**must** accrue to the state on April 15, July 15,
22 and October 15 of the flow-through entity's tax year and January 15
23 of the following year, except a flow-through entity that is not on
24 a calendar year basis shall substitute the appropriate due dates in
25 the flow-through entity's fiscal year that correspond to those in a
26 calendar year. Withholding for each period ~~shall~~**must** be equal to
27 1/4 of the total withholding calculated on the distributive share
28 of business income that is reasonably expected to accrue during the
29 tax year of the flow-through entity.
