5 necessary drugs, X-rays, physical therapy, prosthesis,
6 transportation, and nursing care incident to the medical, surgical,

1 or obstetrical care. The period of inpatient hospital service shall
2 be the minimum period necessary in this type of facility for the
3 proper care and treatment of the individual. Necessary
4 hospitalization to provide dental care shall be provided if
5 certified by the attending dentist with the approval of the

7 inpatient because of a diagnosis of mental disease may receive
8 service under this section, notwithstanding the mental health code,
9 1974 PA 258, MCL 330.1001 to 330.2106. The department shall pay for
10 hospital services according to the state plan for medical
11 assistance adopted under section 10 and approved by the United
12 States Department of Health and Human Services.

13 (b) An eligible individual may receive physician services
14 authorized by the department. The service may be furnished in the
15 physician's office, the eligible individual's home, a medical
16 institution, or elsewhere in case of emergency. A physician shall
17 be paid a reasonable charge for the service rendered. Reasonable
18 charges shall be determined by the department and shall not be more
19 than those paid in this state for services rendered under title
20 XVIII.

21 (c) An eligible individual may receive nursing home services
22 in a state licensed nursing home, a medical care facility, or other
23 facility or identifiable unit of that facility, certified by the
24 appropriate authority as meeting established standards for a
25 nursing home under the laws and rules of this state and the United
26 States Department of Health and Human Services, to the extent found
27 necessary by the attending physician, dentist, or certified
28 Christian Science practitioner. An eligible individual may receive
29 nursing services in an extended care services program established

1 under section 22210 of the public health code, 1978 PA 368, MCL
2 333.22210, to the extent found necessary by the attending physician
3 when the combined length of stay in the acute care bed and short-
4 term nursing care bed exceeds the average length of stay for
5 Medicaid hospital diagnostic related group reimbursement. The
6 department shall not make a final payment under title XIX for
7 benefits available under title XVIII without documentation that
8 title XVIII claims have been filed and denied. The department shall
9 pay for nursing home services according to the state plan for
10 medical assistance adopted according to section 10 and approved by
11 the United States Department of Health and Human Services. A county
12 shall reimburse a county maintenance of effort rate determined on
13 an annual basis for each patient day of Medicaid nursing home
14 services provided to eligible individuals in long-term care
15 facilities owned by the county and licensed to provide nursing home
16 services. For purposes of determining rates and costs described in
17 this subdivision, all of the following apply:

18 (i) For county-owned facilities with per patient day updated
19 variable costs exceeding the variable cost limit for the county
20 facility, county maintenance of effort rate means 45% of the
21 difference between per patient day updated variable cost and the
22 concomitant nursing home-class variable cost limit, the quantity
23 offset by the difference between per patient day updated variable
24 cost and the concomitant variable cost limit for the county
25 facility. The county rate shall not be less than zero.

26 (ii) For county-owned facilities with per patient day updated
27 variable costs not exceeding the variable cost limit for the county
28 facility, county maintenance of effort rate means 45% of the
29 difference between per patient day updated variable cost and the

2 (iii) For county-owned facilities with per patient day updated
3 variable costs not exceeding the concomitant nursing home class
4 variable cost limit, the county maintenance of effort rate shall
5 equal zero.

6 (iv) For the purposes of this section: "per patient day updated
7 variable costs and the variable cost limit for the county facility"
8 shall be determined according to the state plan for medical
9 assistance; for freestanding county facilities the "nursing home
10 class variable cost limit" shall be determined according to the
11 state plan for medical assistance and for hospital attached county
12 facilities the "nursing class variable cost limit" shall be
13 determined according to the state plan for medical assistance plus

19 30, 1984 shall remain in effect until a time that the rate computed
20 under this section is less than the September 30, 1984 rate. This
21 limitation remains in effect until December 31, 2022. For each
22 subsequent county fiscal year, the maintenance of effort rate may
23 not increase by more than \$1.00 per patient day each year.

24 (vi) For county-owned facilities, reimbursement for plant costs
25 will continue to be based on interest expense and depreciation
26 allowance unless otherwise provided by law.

27 (d) An eligible individual may receive pharmaceutical services
28 from a licensed pharmacist of the person's choice as prescribed by
29 a licensed physician or dentist and approved by the department. In

1 an emergency, but not routinely, the individual may receive
2 pharmaceutical services rendered personally by a licensed physician
3 or dentist on the same basis as approved for pharmacists.

17 remaining.
