AN ACT to amend 2016 PA 436, entitled "An act to provide for the operation and regulation of unmanned aircraft systems in this state; to create the unmanned aircraft systems task force; to provide for the powers and duties of state and local governmental officers and entities; and to prohibit conduct related to the operation of unmanned aircraft systems and prescribe penalties," by amending section 5 (MCL 259.305).

*The People of the State of Michigan enact:*

Sec. 5. (1) Except as expressly authorized by statute, a political subdivision shall not enact or enforce an ordinance or resolution that regulates the ownership or operation of unmanned aircraft or otherwise engage in the regulation of the ownership or operation of unmanned aircraft.

(2) Subject to subsection (6), a political subdivision that prohibits by ordinance, regulation, or resolution the operation of nonemergency motor vehicles in the political subdivision may enact and enforce an ordinance, regulation, or resolution that is necessary and proper to prohibit the knowing and intentional operation of an unmanned aircraft in a manner that interferes with the safe use of a horse in a commercial activity, including, but not limited to, the use of horse-drawn carriages, wagons, or carts or horse-riding activities. An ordinance, regulation, or resolution adopted under this subsection must allow for the operation of an unmanned aircraft for any of the following purposes if that operation does not result in a knowing and intentional interference with the safe use of a horse in a commercial activity as described in this subsection and is in compliance with the regulations, authorizations, or exemptions of the United States Federal Aviation Administration:

- (b) Insurance purposes by an insurer or insurance adjuster.
- (c) Maintenance performed by a public utility or an independent transmission company.
- (d) Law enforcement.

(3) This act does not prohibit a political subdivision from promulgating rules, regulations, and ordinances for the use of unmanned aircraft systems by the political subdivision within the boundaries of the political subdivision.

(4) This act does not affect federal preemption of state law.

(5) If this act conflicts with section 40111c or 40112 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.40111c and 324.40112, those sections control.

(6) A political subdivision that prohibits the operation of nonemergency motor vehicles shall petition the United States Federal Aviation Administration for designation as a fixed site facility under section 2209 of the FAA extension, safety, and security act of 2016, Public Law 114-190, not later than 12 months after the effective date of the rules and regulations promulgated by the United States Federal Aviation Administration that govern the processing of petitions for

designation as a fixed site facility. Subsection (2) does not apply after the effective date of a fixed site designation issued by the United States Federal Aviation Administration under section 2209 of the FAA extension, safety, and security act of 2016, Public Law 114-190, that applies to a political subdivision that prohibits the operation of nonemergency motor vehicles.
