Senate Bill 1003 (as reported without amendment)  
Sponsor: Senator Curtis S. VanderWall  
Committee: Judiciary and Public Safety

**CONTENT**

The bill would amend Part 811 (Off-Road Recreation Vehicles) of the Natural Resources and Environmental Protection Act (NREPA) to modify various provisions to refer to a "peace officer" instead of a "law enforcement officer".

Section 81132 of NREPA allows the Department of Natural Resources (DNR) to promulgate rules regulating the operation and conduct of off-road vehicles, vehicle speed limits, use of vehicles by day and hour, and the establishment and designation of areas within which vehicles may be used on frozen surface public waters, certain submerged marshlands, and navigable inland waters.

A local law enforcement officer may enforce an ordinance enacted under Section 81132, and a State law enforcement officer must enforce a rule promulgated under Section 81132. The bill would refer to a "peace officer" instead of a "law enforcement officer".

Section 81145 of NREPA generally allows a law enforcement officer to issue an appearance ticket for a violation of Part 811 and prescribes what constitutes prima facie evidence during a proceeding for a violation for Part 811. The bill would refer to "peace officer" instead of "law enforcement officer".

Section 81146 NREPA generally prescribes a misdemeanor penalty for failing or refusing to obey a signal or request to stop given by a law enforcement officer acting in the lawful performance or his or her duty. The bill would refer to "peace officer" instead of "law enforcement officer".

Section 81150 of NREPA requires the DNR to disseminate information to its field officers and to State and local law enforcement agencies on a uniform interpretation of Part 811 and each officer's duties and responsibilities in enforcing Part 811. The bill would refer to *peace officer*.

MCL 324.81101

Legislative Analyst: Stephen P. Jackson

**FISCAL IMPACT**

The bill would have no fiscal impact on State or local government.
