24 (i) "Reporting periods" means the quarterly periods ending on
25 March 31, June 30, September 30, and December 31 for which a

28 Sec. 5. (1) Beginning January 1, 2023, in addition to all
29 other taxes, the qualified heavy equipment rental personal property

1 specific tax is levied on each transaction of a qualified renter
2 for renting eligible personal property as provided in this section.

3 (2) The tax under this section is a state specific tax imposed
4 directly on the customer of a qualified renter in an amount equal
5 to 2% of the rental price of the eligible personal property net of
6 any customer credits given at the end of the rental.

7 (3) A qualified renter shall collect the tax under this
8 section as part of each rental payment made by the customer renting
9 the eligible personal property and shall remit the tax to the
10 department as provided in this act.

11 (4) The tax under this section does not apply to the rental of
12 eligible personal property to the United States or any agency,
13 department, administration, or political subdivision of the United
14 States, to any federally recognized Indian tribes, to this state,
15 to any local governmental entity in this state, or to any other
16 public body corporate in this state.

17 (5) Before October 1, 2024, the department shall divide the
18 total 2020, 2021, and 2022 property tax by the total 2020, 2021,
19 and 2022 calculated specific tax as reported under section 9p(2)(c)
20 of the general property tax act, 1893 PA 206, MCL 211.9p. If the
21 result is less than 0.95 or greater than 1.05, the specific tax
22 rate under this act for 2025 and subsequent years must equal the
23 result multiplied by 2%, rounded to the nearest hundredth of a
24 percent.

25 Sec. 7. (1) The department shall collect and administer the
26 tax as provided in this section.

27 (2) Not later than March 31 each year beginning in 2023, the
28 department shall make available a statement, to be submitted in a
29 form and manner prescribed by the department, for calculating the

1 tax as provided in section 5.

2 (3) Not later than April 30, July 31, October 31, and January
3 31 each year, a qualified renter shall submit to the department a
4 completed statement along with full payment of the tax levied and
5 collected under section 5 for the immediately preceding reporting
6 period as calculated under section 5(2). A statement filed by a
7 qualified renter must include the total rental price of all rental
8 transactions for the eligible personal property for the immediately
9 preceding reporting period, a listing of exempt sales, and the
10 total tax collected on or otherwise due with respect to all rental
11 transactions for the eligible personal property for the immediately
12 preceding reporting period. The amounts reported under this section
13 must be reported separately for each qualified renter business
14 location. The statement required under this subsection is not
15 subject to disclosure under the freedom of information act, 1976 PA
16 442, MCL 15.231 to 15.246.

17 (4) If a qualified renter does not submit a completed
18 statement and full payment of the tax levied under section 5 by the
19 applicable deadline in subsection (3), the department shall issue a
20 notice to the qualified renter within 30 days after that deadline.
21 The notice must include a statement explaining the consequences of
22 nonpayment as described in subsection (5) and instructing the
23 qualified renter of its potential responsibility under subsection
24 (5)(b). A qualified renter shall submit payment in full within 90
25 days after the issuance of the notice with a penalty of 3% per
26 month calculated from the applicable deadline in subsection (3) on
27 the unpaid balance for each month payment is not made in full. In
28 calculating the penalty, a partial month is considered a whole
29 month and the penalty must not be prorated based on the day of the

1 month the late payment is received. For the qualified renter's
2 first assessment year, the penalty must be waived if the qualified
3 renter submits a completed statement along with full payment of the
4 tax levied under section 5 within 30 days after the issuance of the
5 department's notice. A qualified renter may amend a submitted
6 statement for any of the 3 reporting periods immediately preceding
7 the reporting period in which the amendment is submitted. Payments
8 made due to an amended statement are subject to the penalties
9 described in this subsection. The total penalty on each late
10 payment under this subsection must not exceed 21%. The department
11 shall issue refunds for overpayments due to an amended statement.
12 All refunds due to overpayment must be remitted without interest.

13 (5) All of the following apply if a qualified renter does not
14 submit payment in full and any penalty due under subsection (4)
15 within 90 days after the issuance of the department's notice under
16 subsection (4), if a qualified renter does not submit payment in
17 full and any penalty due under subsection (6) within 90 days after
18 an audit assessment under subsection (6), or if the department
19 discovers that the property is not eligible for exemption under
20 section 9p of the general property tax act, 1893 PA 206, MCL
21 211.9p:

22 (a) The department shall rescind no later than the first
23 Monday in June any exemption described in section 9p of the general
24 property tax act, 1893 PA 206, MCL 211.9p, granted for any property
25 for which payment in full and any penalty due have not been
26 received or for which the department discovers that the property is
27 not eligible under section 9p of the general property tax act, 1893
28 PA 206, MCL 211.9p.

29 (b) The person whose exemption was rescinded under subdivision

1 (a) shall file with the assessor of the township or city within 30
2 days after the date of the rescission issued under subdivision (a)
3 a statement under section 19 of the general property tax act, 1893
4 PA 206, MCL 211.19, for all property for which the exemption has
5 been rescinded under this section.

6 (c) Within 60 days after a rescission under subdivision (a),
7 the treasurer of the local tax collecting unit or village shall
8 issue amended tax bills for any taxes, including penalty and
9 interest, that were not billed under the general property tax act,
10 1893 PA 206, MCL 211.1 to 211.155, and that are owed as a result of
11 the rescission.

12 (6) A qualified renter shall provide the department access to
13 all books and records relevant to the department's collection and
14 enforcement of the tax under this act for the current calendar year
15 and the immediately preceding 3 calendar years. The department
16 shall develop and implement an audit program that includes, but is
17 not limited to, the audit of statements submitted under subsection
18 (3) and amended statements submitted under subsection (4) for the
19 current calendar year and the 3 calendar years immediately
20 preceding the commencement of an audit. An assessment as a result
21 of an audit must be paid in full within 90 days after the date of
22 issuance and must include penalties as described in subsection (4).
23 Refunds as a result of an audit under this subsection must be
24 without interest. The exemption for personal property for which an
25 assessment has been issued as a result of an audit under this
26 subsection is subject to the rescission provisions in subsection
27 (5) for the years of the assessment if full payment is not timely
28 made as required by this subsection.

29 (7) A qualified renter may appeal the tax levied under section

1 5 or a penalty or rescission under this section to the Michigan tax
2 tribunal by filing a petition not later than December 31 in that
3 tax year. A qualified renter may appeal an assessment issued,
4 including penalties or rescission, as a result of an audit
5 conducted under subsection (6) by filing a petition with the
6 Michigan tax tribunal within 60 days after the date of that
7 assessment's issuance. The department may appeal to the Michigan
8 tax tribunal by filing a petition for the current calendar year and
9 3 immediately preceding calendar years.

10 Sec. 9. (1) The qualified heavy equipment rental personal
11 property exemption reimbursement fund is created within the state
12 treasury. All proceeds from the qualified heavy equipment rental
13 personal property specific tax levied under this act are dedicated
14 to this fund.

15 (2) The state treasurer shall direct the investment of the
16 fund. The state treasurer shall credit to the fund interest and
17 earnings from fund investments.

18 (3) Money in the fund at the close of the fiscal year must
19 remain in the fund and not lapse to the general fund.

20 (4) The department is the administrator of the fund for
21 auditing purposes.

22 (5) The department shall distribute money from the fund, upon
23 appropriation, only for the following purposes and in the following
24 order of priority:

25 (a) Starting for fiscal year 2022-2023, to the department, for
26 administrative costs associated with administering this act, an
27 amount equal to \$400,000.00. For each fiscal year after fiscal year
28 2022-2023, to the department, for administrative costs associated
29 with administering this act, an amount equal to the amount allowed

1 under this subdivision in the prior fiscal year increased for
2 inflation, as measured by the ratio of the average published
3 monthly Detroit Consumer Price Index values for the previous fiscal
4 year to the published monthly Detroit Consumer Price Index values
5 for the fiscal year prior to the previous fiscal year, minus 1.

6 (b) After the distribution in subdivision (a), distribute the
7 remaining balance as follows:

8 (i) By September 30, 2023, and each September 30 thereafter,
9 distribute 90% of the revenues deposited into the fund in the
10 preceding January through June, less any amount distributed under
11 subdivision (a) during the preceding January through June, to
12 eligible local tax collecting units. By March 31, 2024, and each
13 March 31 thereafter, distribute 90% of the revenues deposited into
14 the fund in the preceding July through December, less any amount
15 distributed under subdivision (a) during the preceding July through
16 December, to eligible local tax collecting units. The distribution
17 under this subparagraph must be allocated to each eligible local
18 tax collecting unit based on the proportion that the total tax
19 collected in the 2 immediately preceding quarterly reporting
20 periods from each qualified renter business location in the
21 eligible local tax collecting unit bears to the total tax collected
22 in the 2 immediately preceding quarterly reporting periods from all
23 qualified renter business locations. At the time the department
24 makes distributions under this subparagraph, the department shall
25 provide each eligible local tax collecting unit information
26 regarding the amount of tax collected in the 2 immediately
27 preceding quarterly reporting periods from each qualified renter
28 business location in the eligible local tax collecting unit. Within
29 35 days after an eligible local tax collecting unit receives an

1 allocation under this subparagraph, the eligible local tax
2 collecting unit shall, subject to sub-subparagraph (D), distribute
3 its allocation to the taxing units in accordance with sub-
4 subparagraphs (A) to (C), as follows:

5 (A) For each qualified renter business location in the
6 eligible local tax collecting unit, apportion the allocation
7 received by the eligible local tax collecting unit by multiplying
8 the allocation received by the eligible local tax collecting unit
9 by a fraction, the numerator of which is the tax levied under this
10 act and paid from the qualified renter business location in the
11 eligible local tax collecting unit and the denominator of which is
12 the total tax levied under this act and paid from all qualified
13 renter business locations in the eligible local tax collecting
14 unit.

15 (B) For each taxing unit that levied millage at the qualified
16 renter business location in the eligible local tax collecting unit,
17 multiply the amount calculated under sub-subparagraph (A) for the
18 associated qualified renter business location by a fraction, the
19 numerator of which is the sum of the millage rates levied on
20 commercial personal property for the associated taxing unit in the
21 prior calendar year and the denominator of which is the total of
22 all millage rates levied on commercial personal property by all
23 taxing units that levied millage at the qualified renter business
24 location in the prior calendar year.

25 (C) For each taxing unit that levied millage at a qualified
26 renter business location in the eligible local tax collecting unit,
27 distribute to the taxing unit the sum of all amounts calculated
28 under sub-subparagraph (B) for that taxing unit.

29 (D) The amount that would otherwise be disbursed under this

1 subsection to a local school district for school operating purposes
2 must be paid instead to the state treasury and credited to the
3 state school aid fund established by section 11 of article IX of
4 the state constitution of 1963. Of the amount that would otherwise
5 be disbursed under this subsection to an intermediate school
6 district receiving state aid under section 56 or 62 of the state
7 school aid act of 1979, 1979 PA 94, MCL 388.1656 and 388.1662, all
8 or a portion, to be determined on the basis of the tax rates being
9 utilized to compute the amount of state aid, must be paid to the
10 state treasury to the credit of the state school aid fund
11 established by section 11 of article IX of the state constitution
12 of 1963.

13 (E) As used in this subparagraph, "eligible local tax
14 collecting unit" means a local tax collecting unit in which is
15 located a qualified renter business location that was reported
16 under section 7(3) for the 2 immediately preceding quarterly
17 reporting periods.

18 (ii) By July 31, 2024, and each July 31 thereafter, distribute
19 10% of the revenues deposited into the fund in the previous
20 calendar year, less any amount distributed under subdivision (a)
21 during the previous calendar year, to those cities, villages,
22 townships, and counties that do not directly or indirectly receive
23 money distributed under subparagraph (i). The distribution under
24 this subparagraph must be allocated to each city, village,
25 township, or county, that does not directly or indirectly receive
26 money distributed under subparagraph (i), based on the proportion
27 that its distribution of local community stabilization share
28 revenue, for the calendar year in question, under section
29 17(4) (a) (i) to (vi) and 17(4) (b) to (e) of the local community

1 stabilization authority act, 2014 PA 86, MCL 123.1357, bears to the
2 total amount of local community stabilization share revenue
3 distributed, for the calendar year in question, under section
4 17(4) (a) (i) to (vi) and 17(4) (b) to (e) of the local community
5 stabilization authority act, 2014 PA 86, MCL 123.1357, to all
6 cities, villages, townships, and counties not directly or
7 indirectly receiving money distributed under subparagraph (i).

8 Sec. 11. Qualified heavy equipment rental personal property
9 specific taxes are not subject to capture by any tax increment
10 finance authority. This section does not prohibit a tax increment
11 finance authority from sharing in the distribution of a local tax
12 collecting unit's allocation described in section 9(5) (b) (i).

13 Sec. 13. The department may promulgate rules as necessary for
14 the administration of this act pursuant to the administrative
15 procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

16 Enacting section 1. This act does not take effect unless House
17 Bill No. 4834 of the 101st Legislature is enacted into law.
