6 Sec. 5. (1) The department shall establish a student
7 opportunity scholarship program in this state to give more
8 flexibility and choices in education to residents of this state and
9 to address disparities in educational options available to
10 students.

11 (2) Each scholarship-granting organization shall create a
12 uniform process for determining the amount to be allocated to each
13 eligible student's SOS account with the following limitations:

14 (a) For eligible students currently enrolled at a public
15 school, except for eligible students who are nonresident pupils
16 admitted to a school operated by a school district that collects
17 tuition for the pupil under section 1401 of the revised school
18 code, 1976 PA 451, MCL 380.1401, for those students, the total SOS
19 funds for a single school fiscal year must not exceed the

16 program.

17 (3) The funds in an SOS account must only be used to pay for
18 the following qualifying education expenses, unless limited by the
19 SGO under subsection (9), incurred for the purpose of educating an

23 used in this subparagraph, "eligible course" means that term as
24 defined in section 3 of the postsecondary enrollment options act,
25 1996 PA 160, MCL 388.513.

26 (ii) Enrollment in an eligible course under the career and

6 transportation provider, or costs for mileage, for the student to

10 the following:

11 (a) Charge an SOS student tuition or charge an SOS student for
12 any services in an amount that only applies to SOS students.

13 (b) Charge an SOS student tuition or charge an SOS student for
14 any services in an amount that is different than the amount the
15 public school or nonpublic school would have otherwise charged the
16 SOS student under state law if he or she was not an SOS student.

17 (c) Charge an SOS student tuition or charge an SOS student for
18 any services solely because he or she is an SOS student.

19 (5) SOS funds must not be refunded, rebated, or shared with a
20 parent or SOS student in any manner. Any refund or rebate for
21 materials or services purchased with SOS funds must be credited
22 directly to the student's SOS account. Parents may make payments
23 for the costs of educational materials and services not covered by
24 the funds in their student's SOS account, but personal deposits
25 into an SOS account are not permitted. As provided in section 30 of
26 the income tax act of 1967, 1967 PA 281, MCL 206.30, funds
27 allocated to an SOS account and used for qualifying education
28 expenses are not taxable income to the parent or the SOS student.

29 (6) An SOS account remains in force, unless the SOS account is

1 closed because of a substantial misuse of funds, and any unused
2 funds roll over from quarter to quarter and from year to year until
3 1 of the following occurs:

4 (a) The parent withdraws the SOS student from the SOS program.

5 (b) The SGO determines that the SOS student's family income
6 has increased above 250% of the amount of household income
7 necessary to meet the income eligibility criteria for the federal
8 free or reduced-price lunch program, as determined under the
9 Richard B. Russell national school lunch act, 42 USC 1751 to 1769j.

10 (c) The SOS student receives a high school diploma or high
11 school equivalency certificate or, for an SOS student who is a
12 child with a disability as defined under the individuals with
13 disabilities education act, Public Law 108-446, the SOS student
14 receives a high school diploma, high school equivalency
15 certificate, or certificate of completion for high school.

16 (d) The end of the school fiscal year in which the SOS student
17 reaches 19 years of age or, for an SOS student who is a child with
18 a disability as defined under the individuals with disabilities
19 education act, Public Law 108-446, 26 years of age.

20 (7) When an SOS account is closed, any unused funds revert to
21 the SGO that granted the SOS and the SGO that granted the SOS shall
22 allocate the unused funds to fund other SOS accounts. If the SGO
23 that granted the SOS is no longer operating, the funds must be
24 transferred to another SGO operating in good standing with this
25 state.

26 (8) An SGO shall first prioritize funding SOS accounts for
27 students who received an SOS in the previous school fiscal year,
28 the siblings of those students, and foster children living in the
29 same household as those students and then, for other first-time

1 applicants, shall prioritize as follows:

2 (a) A majority of funds available for other first-time
3 applicants must be reserved for students whose household income
4 does not exceed that necessary to meet the income eligibility
5 criteria for the federal free or reduced-price lunch program, as
6 determined under the Richard B. Russell national school lunch act,
7 42 USC 1751 to 1769j, or for children who meet the definition of a
8 child with a disability as defined under the individuals with
9 disabilities education act, Public Law 108-446.

10 (b) The unfunded first-time applicants not described in
11 subdivision (a) must be selected for funding based on a random
12 lottery until all remaining funds are allocated to SOS accounts.

13 (9) An SGO may define and limit the educational services that
14 the SOS funds may cover as long as any limitation on qualified
15 educational services is in compliance with federal and state laws
16 affecting students with a disability and any other federal and
17 state laws regarding nondiscrimination. An SGO shall not accept a
18 contribution from any person if that person designates that the
19 contribution must be used to award an SOS to a particular student.

20 (10) An SGO shall not fund an SOS for the dependents of its
21 boards of directors, its staff, or its donors.

22 Sec. 7. (1) To establish an SOS account for an eligible
23 student, the parent must submit an application to a scholarship-
24 granting organization. The SGO shall approve an application for an
25 SOS if all of the following apply:

26 (a) An SGO verifies that the student on whose behalf the
27 parent is applying is an eligible student.

28 (b) Funds are available for the SOS.

29 (c) The parent signs a written agreement with the SGO that

1 provides for the following:

2 (i) To use the funds in the SOS account only for the covered
3 qualifying education expenses described in section 5.

4 (ii) Not to establish any other SOS account for the eligible
5 student with any other SGO.

6 (iii) To comply with the rules and requirements of the SOS
7 program.

8 (2) The SGO shall annually renew a student's SOS if funds are
9 available unless the student's family income has increased above
10 250% of the amount of household income necessary to meet the income
11 eligibility criteria for the federal free or reduced-price lunch
12 program, as determined under the Richard B. Russell national school
13 lunch act, 42 USC 1751 to 1769j. In the event that an eligible
14 student becomes ineligible for reasons other than fraud or misuse
15 of funds, the SGO may cease funding for the student's SOS provided
16 that the SGO complies with each of the following:

17 (a) The SGO immediately suspends payment of additional funds
18 into the student's SOS account. For SOS accounts that have been
19 open for at least 1 full school fiscal year, the SOS account must
20 remain open and active for the parent to make qualifying education
21 expenses to educate the student from funds remaining in the SOS
22 account. When no funds remain in the student's SOS account, the SGO
23 may close the SOS account.

24 (b) If the parent of an eligible student reapplies to the SGO
25 and signs a new written agreement, payments into the student's
26 existing SOS account may resume if the SOS account is still open
27 and active. A new SOS account may be established if the student's
28 SOS account was closed.

29 (c) An SGO shall adopt policies to provide the least

1 disruptive process possible for SOS students desiring to leave the
2 SOS program.

3 Sec. 9. (1) An organization that seeks to become a
4 scholarship-granting organization shall apply for initial
5 certification or renewal of certification from the department. An
6 application for initial certification as an SGO must include all of
7 the following:

8 (a) A copy of the SGO's incorporation documents.

9 (b) A copy of the SGO's 501(c)(3) determination letter issued
10 by the Internal Revenue Service.

11 (c) A description of the methodology the SGO will use to
12 evaluate whether a student is an eligible student to establish an
13 SOS account.

14 (d) A description of the application process the SGO will use
15 for parents and eligible students.

16 (e) A description of the methodology the SGO will use to
17 establish, fund, and manage SOS accounts.

18 (f) A description of the process the SGO will use to approve
19 education service providers.

20 (g) A description of how the SGO will inform parents of
21 approved education service providers.

22 (h) A description of the SGO's procedures for crediting
23 refunds from an education service provider back to a student's SOS
24 account.

25 (i) An assurance that the SGO will conduct a background check
26 of all employees of the SGO and maintain records of those
27 background checks for audit purposes.

28 (2) Subject to subsection (4), an application for renewal of
29 certification as an SGO must include the following:

1 (a) The SGO's completed Internal Revenue Service Form 990,
2 submitted no later than November 30 of the year before the school
3 fiscal year that the SGO intends to fund SOS accounts.

4 (b) A copy of the SGO's most recent financial audit. The audit
5 required under this subdivision must satisfy each of the following:

6 (i) Is conducted in accordance with generally accepted auditing
7 standards.

8 (ii) Evaluates the SGO's compliance with subsection (4).

9 (iii) Is conducted by a certified public accountant within 6
10 months of the end of the SGO's fiscal year.

11 (iv) Is free of material misstatements.

12 (c) An annual report that includes the following:

13 (i) The number of applications the SGO received during the
14 previous school fiscal year, disaggregated by county and by grade
15 level of the applicants.

16 (ii) The number of all students, disaggregated by county and by
17 grade level of the students, that received SOS funds from the SGO
18 during the previous school fiscal year.

19 (iii) The total number of SOS accounts the SGO maintains.

20 (iv) The following amount of funds:

21 (A) Funds received by the SGO to fund SOS accounts during the
22 last school fiscal year.

23 (B) Funds distributed by the SGO into SOS accounts during the
24 last school fiscal year.

25 (C) Funds remaining after the distribution into SOS accounts
26 and any obligations to fund SOS accounts in the future.

27 (D) Funds spent on administrative expenses and an accounting
28 of those expenses during the last school fiscal year.

29 (E) Funds spent on fees to private financial management firms

1 or other organizations to maintain records and process transactions
2 of the SOS accounts.

3 (v) A list of the SGO's approved education service providers.

4 (vi) A description of how the SGO has complied with the
5 operational requirements and responsibilities of this act.

6 (3) The annual report required under subsection (2) must also
7 satisfy all of the following:

8 (a) Comply with uniform financial accounting standards.

9 (b) Be attested to by an independent certified public
10 accountant.

11 (c) Be free of material misstatements or exceptions.

12 (4) The department shall certify an SGO or renew an SGO's
13 certification under this act if the organization meets the
14 requirements of this section. The department shall issue initial
15 certifications within 60 days of receiving the application and
16 renew certifications within 30 days of receiving the application.
17 For a renewal application, an SGO shall provide proof of the
18 following:

19 (a) At least 90% of the total annual contributions received by
20 the SGO are allocated to SOS accounts no later than the last day of
21 the SGO's immediately succeeding calendar year or fiscal year,
22 whichever is applicable, unless the current year's total annual
23 contributions received by the SGO exceed an amount equal to the
24 average of the total annual contributions received in the
25 immediately preceding 3 years by more than 15%, in which case the
26 excess amount may be carried forward and expended for SOS accounts
27 in 3 equal installments over the immediately succeeding 3 years.

28 (b) The SGO maintained separate accounts for SOS funds and
29 operating funds. Any interest that accrues from contributions that

1 are eligible for the tax credit under section 279 or 679 of the
2 income tax act of 1967, 1967 PA 281, MCL 206.279 and 206.679, were
3 allocated by the SGO to fund SOS accounts. An SGO utilized a
4 standard application process for parents to establish their
5 student's eligibility for an SOS and the application was readily
6 available to interested families and may be submitted through
7 various sources, including the internet.

8 (c) The SGO included 2 or more education service providers in
9 its SOS program.

10 Sec. 11. (1) An SGO shall provide parents with a written
11 explanation of the qualifying education expenses for which SOS
12 funds may be used under this act, the responsibilities of parents
13 under this act, and the duties of the SGO and the role of any
14 private financial management firms or other organizations that the
15 SGO may contract with to process SOS transactions or maintain
16 records for other aspects of the SOS program under this act.

17 (2) An SGO may transfer funds to another SGO if additional
18 funds are required to meet SOS demands at the receiving SGO or if
19 the transferring SGO determines it cannot continue to operate due
20 to any reason. If funds are transferred for the purpose of meeting
21 SOS demands, no more than a combined aggregate of 10% of the SGOs
22 total annual contributions received may be retained by the SGOs for
23 administrative expenses. All transferred funds must be allocated by
24 the receiving SGO to its account for SOS accounts. All transferred
25 amounts received by an SGO must be separately disclosed in the
26 receiving SGO's annual report for certification renewal under
27 section 9.

28 (3) An SGO that receives a transfer of funds from an SGO that
29 has determined it will not continue to operate shall agree to fund

1 the SOS accounts established by the transferring SGO to the extent
2 funds are available. The receiving SGO shall also prioritize the
3 funding of transferred SOS accounts before funding new SOS
4 applicants.

5 (4) An SGO that receives a contribution for which a
6 preapproval letter was issued shall, within 10 business days after
7 receipt of that contribution, notify the department and issue a
8 certificate of contribution to the taxpayer that includes the name
9 of the taxpayer, the amount of the contribution made, and the date
10 on which the contribution was made. An SGO may accept donations
11 that were not made pursuant to a preapproval letter and that are
12 not eligible for the tax credit under section 279 or 679 of the
13 income tax act of 1967, 1967 PA 281, MCL 206.279 and 206.679, and
14 grants to cover administrative costs, to inform the public about
15 the SOS program, to fund additional SOS accounts, or to offer
16 assistance outside of the SOS program. Donations that are not
17 eligible for the tax credit under section 279 or 679 of the income
18 tax act of 1967, 1967 PA 281, MCL 206.279 and 206.679, are not
19 subject to the requirements of this act.

20 Sec. 13. (1) On or before January 1 of each year, the
21 department shall publish on its publicly accessible website a list
22 of SGOs. However, if an SGO fails to meet the requirements of this
23 act, the department shall not include the organization on the list
24 of SGOs the following calendar year.

25 (2) The department shall produce and publish on its publicly
26 accessible website an annual report that aggregates the data
27 obtained from the annual reports submitted by SGOs for the renewal
28 of their certification under section 9. The department's report
29 must not include, for SOS students, any personally identifiable

1 information of SOS students and, for SGOs, any confidential
2 identifying information of SGOs.

3 Sec. 15. (1) The department may conduct or contract for an
4 additional audit or appropriate financial review of an SGO upon
5 reasonable belief that the SGO has violated the requirements of
6 this act. In the event that the department determines that there
7 has been a violation of this act by an SGO, the department shall
8 send written notice to the SGO. The SGO that receives written
9 notice of a violation will have 60 days from receipt of notice to
10 correct the violation identified by the department. If the SGO
11 fails or refuses to comply after 60 days, the department may revoke
12 the SGO's certification to participate in the SOS program.

13 (2) An SGO whose certificate has been revoked under this
14 section may appeal the department's revocation of its certification
15 pursuant to section 22 of 1941 PA 122, MCL 205.22. If the applicant
16 does not file a timely appeal, upon revocation, an SGO shall comply
17 with the following:

18 (a) Continue administering SOS funds that were donated prior
19 to the date of notice stated on the revocation.

20 (b) Not accept any further contributions for the purpose of
21 funding SOS accounts on or after the date of notice stated on the
22 revocation.

23 (c) Refund any contributions that were received for the
24 purpose of funding SOS accounts on or after the date of notice
25 stated on the revocation.

26 Sec. 17. (1) Each SGO shall implement a commercially viable,
27 cost-effective, and parent-friendly system for payment of
28 qualifying education expenses from SOS accounts to education
29 service providers. The SGO shall not adopt a system that relies

1 exclusively on requiring parents to be reimbursed for out-of-pocket
2 qualifying education expenses, but shall provide maximum
3 flexibility to parents by facilitating direct payments to education
4 service providers or requests for preapproval of and reimbursements
5 for qualifying education expenses described in section 5.

6 (2) An SGO may contract with private financial management
7 firms or other organizations to develop the payment system. An SGO
8 may contract with private financial management firms or other
9 organizations to maintain records and process transactions of the
10 SOS accounts. If funding is available, an SGO shall continue making
11 payments into an SOS account until any of the following occur:

12 (a) The parent withdraws the SOS student from the SOS program.

13 (b) The SGO determines that the SOS student's family income
14 has increased above 250% of the amount of household income
15 necessary to meet the income eligibility criteria for the federal
16 free or reduced-price lunch program, as determined under the
17 Richard B. Russell national school lunch act, 42 USC 1751 to 1769j.

18 (c) The SGO determines that there was substantial misuse of
19 the funds in the SOS account.

20 (d) The SOS student receives a high school diploma or high
21 school equivalency certificate or, for an SOS student who is a
22 child with a disability as defined under the individuals with
23 disabilities education act, Public Law 108-446, the SOS student
24 receives a high school diploma, high school equivalency
25 certificate, or certificate of completion for high school.

26 (e) The end of the school fiscal year in which the SOS student
27 reaches 19 years of age or, for an SOS student who is a child with
28 a disability as defined under the individuals with disabilities
29 education act, Public Law 108-446, 26 years of age.
