A bill to amend 1976 PA 442, entitled
"Freedom of information act,"
(MCL 15.231 to 15.246) by adding section 24.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 **Sec. 24. (1) A public body may charge a fee for a public**
2 **record search, for the necessary copying of a public record for**
3 **inspection, or for providing a copy of a public record if it has**
4 **established, makes publicly available, and follows procedures and**
5 **guidelines to implement this section as described in subsection**

(4). Subject to subsections (2), (3), (4), (5), and (9), the fee must be limited to actual mailing costs and to the actual incremental cost of duplication or publication, including labor, the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information as provided in section 29e. Except as otherwise provided in this part, if the public body estimates or charges a fee in accordance with this part, the total fee must not exceed the sum of the following:

(a) That portion of labor costs directly associated with the necessary searching for, locating, and examining of public records in conjunction with receiving and fulfilling a granted written request. The public body shall not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in the particular instance regardless of whether that person is available or who actually performs the labor. Labor costs under this subdivision shall be estimated and charged in increments of 15 minutes or more, with all partial time increments rounded down.

(b) That portion of labor costs, including necessary review, if any, directly associated with the separating and deleting of exempt information from nonexempt information as provided in section 29e. For services performed by an employee of the public body, the public body shall not charge more than the hourly wage of its lowest-paid employee capable of separating and deleting exempt information from nonexempt information in the particular instance as provided in section 29e, regardless of whether that person is available or who actually performs the labor. Labor costs under this subdivision shall be estimated and charged in increments of 15 minutes or more, with all partial time increments rounded down. A

1 public body shall not charge for labor directly associated with
2 redaction under section 29e if it knows or has reason to know that
3 it previously redacted the public record in question and the
4 redacted version is still in the public body's possession.

5 (c) For public records provided to the requestor on nonpaper
6 physical media, the actual and most reasonably economical cost of
7 the computer discs, computer tapes, or other digital or similar
8 media. The requestor may stipulate that the public records be
9 provided on nonpaper physical media, emailed, or otherwise
10 electronically provided to him or her in lieu of paper copies. This
11 subdivision does not apply if a public body lacks the technological
12 capability necessary to provide records on the particular nonpaper
13 physical media stipulated in the particular instance.

14 (d) For paper copies of public records provided to the
15 requestor, the actual total incremental cost of necessary
16 duplication or publication, not including labor. The cost of paper
17 copies shall be calculated as a total cost per sheet of paper and
18 shall be itemized and noted in a manner that expresses both the
19 cost per sheet and the number of sheets provided. The fee must not
20 exceed 10 cents per sheet of paper for copies of public records
21 made on 8-1/2- by 11-inch paper or 8-1/2- by 14-inch paper. A
22 public body shall utilize the most economical means available for
23 making copies of public records, including using double-sided
24 printing, if cost saving and available.

25 (e) The cost of labor directly associated with duplication or
26 publication, including making paper copies, making digital copies,
27 or transferring digital public records to be given to the requestor
28 on nonpaper physical media or through the internet or other
29 electronic means as stipulated by the requestor. The public body

1 shall not charge more than the hourly wage of its lowest-paid
2 employee capable of necessary duplication or publication in the
3 particular instance, regardless of whether that person is available
4 or who actually performs the labor. Labor costs under this
5 subdivision may be estimated and charged in time increments of the
6 public body's choosing. However, all partial time increments shall
7 be rounded down.

8 (f) The actual cost of mailing, if any, for sending the public
9 records in a reasonably economical and justifiable manner. The
10 public body shall not charge more for expedited shipping or
11 insurance unless specifically stipulated by the requestor, but may
12 otherwise charge for the least expensive form of postal delivery
13 confirmation when mailing public records.

14 (2) When calculating labor costs under subsection (1)(a), (b),
15 or (e), fee components shall be itemized in a manner that expresses
16 both the hourly wage and the number of hours charged. The public
17 body may also add up to 50% to the applicable labor charge amount
18 to cover or partially cover the cost of fringe benefits if it
19 clearly notes the percentage multiplier used to account for
20 benefits in the detailed itemization described in subsection (4).
21 Subject to the 50% limitation, the public body shall not charge
22 more than the actual cost of fringe benefits, and overtime wages
23 shall not be used in calculating the cost of fringe benefits.
24 Overtime wages shall not be included in the calculation of labor
25 costs unless overtime is specifically stipulated by the requestor
26 and clearly noted on the detailed itemization described in
27 subsection (4). A search for a public record may be conducted or
28 copies of public records may be furnished without charge or at a
29 reduced charge if the public body determines that a waiver or

1 reduction of the fee is in the public interest because searching
2 for or furnishing copies of the public record can be considered as
3 primarily benefiting the general public. A public record search
4 shall be made and a copy of a public record shall be furnished
5 without charge for the first \$20.00 of the fee for each request by
6 either of the following:

7 (a) An individual who is entitled to information under this
8 part and who submits an affidavit stating that the individual is
9 indigent and receiving specific public assistance or, if not
10 receiving public assistance, stating facts showing inability to pay
11 the cost because of indigency. If the requestor is eligible for a
12 requested discount, the public body shall fully note the discount
13 on the detailed itemization described under subsection (4). If a
14 requestor is ineligible for the discount, the public body shall
15 inform the requestor specifically of the reason for ineligibility
16 in the public body's written response. An individual is ineligible
17 for this fee reduction if any of the following apply:

18 (i) The individual has previously received discounted copies of
19 public records under this subsection from the public body twice
20 during that calendar year.

21 (ii) The individual requests the information in conjunction
22 with outside parties who are offering or providing payment or other
23 remuneration to the individual to make the request. A public body
24 may require a statement by the requestor in the affidavit that the
25 request is not being made in conjunction with outside parties in
26 exchange for payment or other remuneration.

27 (b) A nonprofit organization formally designated by the state
28 to carry out activities under subtitle C of the developmental
29 disabilities assistance and bill of rights act of 2000, Public Law

1 106-402, and the protection and advocacy for mentally ill
2 individuals act, Public Law 99-319, or their successors, if the
3 request meets all of the following requirements:

4 (i) Is made directly on behalf of the organization or its
5 clients.

6 (ii) Is made for a reason wholly consistent with the mission
7 and provisions of those laws under section 931 of the mental health
8 code, 1974 PA 258, MCL 330.1931.

9 (iii) Is accompanied by documentation of its designation by this
10 state, if requested by the public body.

11 (3) A fee as described in subsection (1) shall not be charged
12 for the cost of search, examination, review, and the deletion and
13 separation of exempt from nonexempt information as provided in
14 section 29e unless failure to charge a fee would result in
15 unreasonably high costs to the public body because of the nature of
16 the request in the particular instance and the public body
17 specifically identifies the nature of these unreasonably high
18 costs.

19 (4) A public body shall establish procedures and guidelines to
20 implement this part and shall create a written public summary of
21 the specific procedures and guidelines relevant to the general
22 public regarding how to submit written requests to the public body
23 and explaining how to understand a public body's written responses,
24 deposit requirements, fee calculations, and avenues for challenge
25 and appeal. The written public summary shall be written in a manner
26 so as to be easily understood by the general public. A public body
27 shall post and maintain the procedures and guidelines and its
28 written public summary on its website. A public body shall make the
29 procedures and guidelines publicly available by providing free

1 copies of the procedures and guidelines and its written public
2 summary both in the public body's response to a written request and
3 upon request by visitors at the public body's office. A public body
4 may include the website link to the documents in lieu of providing
5 paper copies in its response to a written request. A public body's
6 procedures and guidelines must include the use of a standard form
7 for detailed itemization of any fee amount in its responses to
8 written requests under this part. The detailed itemization must
9 clearly list and explain the allowable charges for each of the 6
10 fee components listed under subsection (1) that compose the total
11 fee used for estimating or charging purposes. A public body that
12 has not established procedures and guidelines, has not created a
13 written public summary, or has not made those items publicly
14 available without charge as required in this subsection is not
15 relieved of its duty to comply with any requirement of this part
16 and shall not require deposits or charge fees otherwise permitted
17 under this part until it is in compliance with this subsection.
18 Notwithstanding this subsection and despite any law to the
19 contrary, a public body's procedures and guidelines under this part
20 are not exempt public records under section 29d.

21 (5) Any public records available to the general public on a
22 public body's internet site at the time the request is made are
23 exempt from charge under subsection (1)(b). If the LORA coordinator
24 knows or has reason to know that all or a portion of the requested
25 information is available on its website, the public body shall
26 notify the requestor in its written response that all or a portion
27 of the requested information is available on its website. The
28 written response, to the degree practicable in the specific
29 instance, must include a specific webpage address where the

1 requested information is available. On the detailed itemization
2 described in subsection (4), the public body shall separate the
3 requested public records that are available on its website from
4 those that are not available on the website and shall inform the
5 requestor of the additional charge to receive copies of the public
6 records that are available on its website. If the public body has
7 included the website address for a record in its written response
8 to the requestor and the requestor thereafter stipulates that the
9 public record be provided to him or her in a paper format or other
10 form as described under subsection (1)(c), the public body shall
11 provide the public records in the specified format but may use a
12 fringe benefit multiplier greater than the 50% limitation in
13 subsection (2), not to exceed the actual costs of providing the
14 information in the specified format.

15 (6) A public body may provide requested information available
16 in public records without receipt of a written request.

17 (7) If a verbal request for information is for information
18 that a public body believes is available on the public body's
19 website, a public employee shall, if practicable and to the best of
20 the public employee's knowledge, inform the requestor about the
21 public body's pertinent website address.

22 (8) In either the public body's initial response or subsequent
23 response as described under section 25(2)(d), the public body may
24 require a good-faith deposit from the person requesting information
25 before providing the public records to the requestor if the entire
26 fee estimate or charge authorized under this section exceeds
27 \$50.00, based on a good-faith calculation of the total fee
28 described in subsection (4). Subject to subsection (10), the
29 deposit must not exceed 1/2 of the total estimated fee, and a

1 public body's request for a deposit must include a detailed
2 itemization as required under subsection (4). The response must
3 also contain a best efforts estimate by the public body regarding
4 the time frame it will take the public body to comply with the law
5 in providing the public records to the requestor. The time frame
6 estimate is nonbinding upon the public body, but the public body
7 shall provide the estimate in good faith and strive to be
8 reasonably accurate and to provide the public records in a manner
9 based on this state's public policy under section 21 and the nature
10 of the request in the particular instance. If a public body does
11 not respond in a timely manner as described under section 25(2), it
12 is not relieved from its requirements to provide proper fee
13 calculations and time frame estimates in any tardy responses.
14 Providing an estimated time frame does not relieve a public body
15 from any of the other requirements of this part.

16 (9) If a public body does not respond to a written request in
17 a timely manner as required under section 25(2), the public body
18 shall do the following:

19 (a) Reduce the charges for labor costs otherwise permitted
20 under this section by 5% for each day the public body exceeds the
21 time permitted under section 25(2) for a response to the request,
22 with a maximum 50% reduction, if either of the following applies:

23 (i) The late response was willful and intentional.

24 (ii) The written request included language that conveyed a
25 request for information within the first 250 words of the body of a
26 letter, facsimile, email, or email attachment, or specifically
27 included the words, characters, or abbreviations for "freedom of
28 information", "open records", "information", "LORA", "copy", or a
29 recognizable misspelling of such, or appropriate legal code

1 reference for this part, on the front of an envelope or in the
2 subject line of an email, a letter, or a facsimile cover page.

3 (b) If a charge reduction is required under subdivision (a),
4 fully note the charge reduction on the detailed itemization
5 described under subsection (4).

6 (10) This section does not apply to public records prepared
7 under an act or statute specifically authorizing the sale of those
8 public records to the public, or if the amount of the fee for
9 providing a copy of the public record is otherwise specifically
10 provided by an act or statute.

11 (11) Subject to subsection (12), after a public body has
12 granted and fulfilled a written request from an individual under
13 this part, if the public body has not been paid in full the total
14 amount under subsection (1) for the copies of public records that
15 the public body made available to the individual as a result of
16 that written request, the public body may require a deposit of up
17 to 100% of the estimated fee before it begins a full public record
18 search for any subsequent written request from that individual if
19 all of the following apply:

20 (a) The final fee for the prior written request was not more
21 than 105% of the estimated fee.

22 (b) The public records made available contained the
23 information being sought in the prior written request and are still
24 in the public body's possession.

25 (c) The public records were made available to the individual,
26 subject to payment, within the time frame estimate described under
27 subsection (8).

28 (d) Ninety days have passed since the public body notified the
29 individual in writing that the public records were available for

1 pickup or mailing.

2 (e) The individual is unable to show proof of prior payment to
3 the public body.

4 (f) The public body calculates a detailed itemization, as
5 required under subsection (4), that is the basis for the current
6 written request's increased estimated fee deposit.

7 (12) A public body shall not continue to require an increased
8 estimated fee deposit from an individual as described under
9 subsection (11) if any of the following apply:

10 (a) The individual shows to the public body proof of prior
11 payment in full for the applicable prior request.

12 (b) The public body receives payment in full for the
13 applicable prior written request.

14 (c) Three hundred sixty-five days have passed since the
15 individual made the written request for which full payment was not
16 remitted to the public body.

17 (13) A deposit required by a public body under this part is a
18 fee.

19 (14) If a deposit that is required under subsection (8) or
20 (11) is not received by the public body within 45 days from receipt
21 by the requesting person of the notice that a deposit is required,
22 and if the requesting person has not filed an appeal of the deposit
23 amount pursuant to section 29b, the request shall be considered
24 abandoned by the requesting person and the public body is no longer
25 required to fulfill the request. Notice of a deposit requirement
26 under subsection (8) or (11) is considered received 3 days after it
27 is sent, regardless of the means of transmission. Notice of a
28 deposit requirement under subsection (8) or (11) must include
29 notice of the date by which the deposit must be received, which

1 **date is 48 days after the date the notice is sent.**

2 Enacting section 1. This amendatory act takes effect January
3 1, 2022.

4 Enacting section 2. This amendatory act does not take effect
5 unless Senate Bill No.____ or House Bill No. 4383 (request no.
6 00260'21 *) of the 101st Legislature is enacted into law.
