 14 The court may authorize the petition upon a showing of probable
 15 cause that 1 or more of the allegations in the petition are true
 16 and fall within the provisions of section 2(b) of this chapter. If
 17 a petition is before the court because the department is required
 18 to submit the petition under section 17 of the child protection
 19 law, 1975 PA 238, MCL 722.637, the court shall hold a hearing on
 20 the petition within 24 hours or on the next business day after the
 21 petition is submitted, at which hearing the court shall consider at
 22 least the matters governed by subsections (4) and (5).

23 (3) Except as provided in subsections (5) and (6), if a
 24 petition under subsection (2) is authorized, the court may release
 25 the juvenile in the custody of either of the juvenile's parents or
 26 the juvenile's guardian or custodian under reasonable terms and
 27 conditions necessary for either the juvenile's physical health or
 28 mental well-being.

29 (4) The court may order a parent, guardian, custodian,

1 nonparent adult, or other person residing in a child's home to

13 mental well-being.

14 (5) If a petition alleges abuse by a person described in
15 subsection (4), regardless of whether the court orders the alleged
16 abuser to leave the child's home under subsection (4), the court
17 shall not leave the child in or return the child to the child's
18 home or place the child with a person not licensed under 1973 PA
19 116, MCL 722.111 to 722.128, unless the court finds that the
20 conditions of custody at the placement and with the individual with
21 whom the child is placed are adequate to safeguard the child from
22 the risk of harm to the child's life, physical health, or mental
23 well-being.

24 (6) If a court finds a parent is required by court order to
25 register under the sex offenders registration act, the department

1 (4), the court may consider whether the parent who is to remain in

4 (8) An order entered under subsection (4) may also contain 1
5 or more of the following terms or conditions:

6 (a) The court may require the alleged abusive parent to pay
7 appropriate support to maintain a suitable home environment for the
8 juvenile during the duration of the order.

9 (b) The court may order the alleged abusive person, according
10 to terms the court may set, to surrender to a local law enforcement
11 agency any firearms or other potentially dangerous weapons the
12 alleged abusive person owns, possesses, or uses.

13 (c) The court may include any reasonable term or condition
14 necessary for the juvenile's physical or mental well-being or
15 necessary to protect the juvenile.

16 (9) The court may order placement of the child in foster care
17 if the court finds all of the following conditions:

22 removal of the child is reasonably available to adequately
23 safeguard the child from risk as described in subdivision (a).

26 (d) Consistent with the circumstances, reasonable efforts were

9 (c) That participation in the initial services plan is
10 voluntary without a court order.

11 (11) Before or within 7 days after a child is placed in a
12 relative's home, the department shall perform a criminal record
13 check and central registry clearance. If the child is placed in the
14 home of a relative, the court shall order a home study to be
15 performed and a copy of the home study to be submitted to the court
16 not more than 30 days after the placement.

17 (12) In determining placement of a juvenile pending trial, the
18 court shall order the juvenile placed in the most family-like
19 setting available consistent with the juvenile's needs.

20 (13) If a juvenile is removed from the parent's custody at any
21 time, the court shall permit the juvenile's parent to have regular
22 and frequent parenting time with the juvenile. Parenting time
23 between the juvenile and his or her parent ~~shall~~**must** not be less
24 than 1 time every 7 days unless the court determines either that
25 exigent circumstances require less frequent parenting time or that
26 parenting time, even if supervised, may be harmful to the
27 juvenile's life, physical health, or mental well-being. If the
28 court determines that parenting time, even if supervised, may be
29 harmful to the juvenile's life, physical health, or mental well-

1 being, the court may suspend parenting time until the risk of harm
2 no longer exists. The court may order the juvenile to have a
3 psychological evaluation or counseling, or both, to determine the
4 appropriateness and the conditions of parenting time.

5 (14) Reasonable efforts ~~shall~~**must** be made to do the
6 following:

7 (a) Place siblings removed from their home in the same foster
8 care, kinship guardianship, or adoptive placement, unless the
9 supervising agency documents that a joint placement would be
10 contrary to the safety or well-being of any of the siblings.

11 (b) In the case of siblings removed from their home who are
12 not jointly placed, provide for visitation, at least monthly, or
13 other ongoing interaction between the siblings, unless the
14 supervising agency documents that visitation, at least monthly, or
15 other ongoing interaction would be contrary to the safety or well-
16 being of any of the siblings.

17 (15) If the supervising agency documents that visitation or
18 other contact is contrary to the safety or well-being of any of the
19 siblings and temporarily suspends visitation or contact, the
20 supervising agency shall report its determination to the court for
21 consideration at the next review hearing.

22 (16) If the supervising agency temporarily suspends visitation
23 or contact, the court shall review the decision and determine
24 whether sibling visitation or contact will be beneficial to the
25 siblings. If so, the court shall order sibling visitation or
26 contact to the extent reasonable.

27 (17) Upon the motion of any party, the court shall review
28 custody and placement orders and initial services plans pending
29 trial and may modify those orders and plans as the court considers

2 (18) The court shall include in an order placing a child in
3 foster care an order directing the release of information
4 concerning the child in accordance with this subsection. If a child
5 is placed in foster care, within 10 days after receipt of a written
6 request, the agency shall provide the person who is providing the
7 foster care with copies of all initial, updated, and revised case
8 service plans and court orders relating to the child and all of the
9 child's medical, mental health, and education reports, including
10 reports compiled before the child was placed with that person.

11 (19) In an order placing a child in foster care, the court
12 shall include both of the following:

14 provide the supervising agency with the name and address of each of
15 the child's medical providers.

26 PA 328, MCL 750.520a, with a juvenile.

27 (c) Sexual exploitation of a juvenile, which includes, but is
28 not limited to, allowing, permitting, or encouraging a juvenile to
